Forward-Looking Statements

This news release contains "forward-looking statements" which may describe Susser's objectives, expected results of operations, targets, plans, strategies, costs, anticipated capital expenditures, potential acquisitions, new store openings and/or new dealer locations. These statements are based on current plans and expectations and involve a number of risks and uncertainties that could cause actual results and events to vary materially, including but not limited to: competitive pressures from convenience stores, gasoline stations, other non-traditional retailers located in our markets and other wholesale fuel distributors; dangers inherent in storing and transporting motor fuel; pending or future consumer or other litigation or adverse publicity concerning food quality, food safety or other health concerns related to our restaurant facilities; inability to build or acquire and successfully integrate new stores; volatility in crude oil and wholesale petroleum costs; increasing consumer preferences for alternative motor fuels, or improvements in fuel efficiency; general economic, financial and political conditions; our dependence on our subsidiaries for cash flow generation, including SUSP, and our exposure to the business risks of SUSP by virtue of our controlling ownership interest; operational limitations imposed by our contractual arrangements with SUSP; our ability to comply with federal and state regulations including those related to alcohol, tobacco and environmental matters; wholesale cost increases of tobacco products or future legislation or campaigns to discourage smoking; costs associated with employee healthcare requirements; compliance with, or changes in, tax laws-including those impacting the tax treatment of SUSP; dependence on two principal suppliers for merchandise; dependence on suppliers for credit terms; seasonality; dependence on senior management and the ability to attract qualified employees; acts of war and terrorism; dependence on our information technology systems; severe weather; cross-border risks associated with the concentration of our stores in markets bordering Mexico; impairment of goodwill or indefinite lived assets; and other unforeseen factors.

For a full discussion of these and other risks and uncertainties, refer to the "Risk Factors" section of the Company's most recently filed annual report on Form 10-K and subsequent quarterly filings. These forward-looking statements are based on and include our estimates as of the date hereof. Subsequent events and market developments could cause our estimates to change. While we may elect to update these forward-looking statements at some point in the future, we specifically disclaim any obligation to do so, even if new information becomes available, except as may be required by applicable law.
