

Energy Transfer Partners Announces Binding Open Season for a Diesel Fuel Pipeline to West Texas

April 12, 2018

DALLAS--(BUSINESS WIRE)--Apr. 12, 2018-- Energy Transfer Partners, L.P. (NYSE: ETP) ("ETP") today announced that its subsidiary will launch a binding open season ("Open Season") to solicit shipper commitments for transportation service of diesel fuel from Hebert, TX to the Midland, TX area. Subject to the results of this Open Season and receipt of all necessary permits and approvals, the proposed pipeline is expected to have an initial capacity of 30,000 barrels per day and is anticipated to be operational in the third quarter of 2020. Through this Open Season process, potential shippers will have the opportunity to make volume commitments for firm transportation service from existing Sunoco Pipeline L.P. assets in Hebert, TX to a newly constructed terminal in the Midland area.

Open Season Process

The Open Season will commence at 8:00 A.M. (Eastern) on April 13, 2018. The Open Season will run for 60 days, ending at 5:00 P.M. (Eastern) on June 12, 2018.

Bona fide potential shippers that desire to receive copies of the Open Season documents are required to execute a confidentiality agreement and may direct their requests for a confidentiality agreement to the following e-mail address: d1WTXD@energytransfer.com
