Forward Looking Statements

This news release may include certain statements concerning expectations for the future that are forward-looking statements as defined by federal law. Such forward-looking statements are subject to a variety of known and unknown risks, uncertainties, and other factors that are difficult to predict and many of which are beyond management's control. An extensive list of factors that can affect future results, including future distribution levels, are discussed in the Partnership's Annual Report on Form 10-K and other documents filed from time to time with the Securities and Exchange Commission. The Partnership undertakes no obligation to update or revise any forward-looking statement to reflect new information or events.

Qualified Notice

This release serves as qualified notice to nominees as provided for under Treasury Regulation Section 1.1446-4(b)(4) and (d). Please note that one hundred percent (100%) of Energy Transfer LP's distributions to foreign investors are attributable to income that is effectively connected with a United States trade or business. Accordingly, all of Energy Transfer LP's distributions to foreign investors are subject to federal tax withholding at the highest applicable effective tax rate. Nominees, and not Energy Transfer LP, are treated as withholding agents responsible for withholding distributions received by them on behalf of foreign investors. For purposes of Treasury Regulation section 1.1446(f)-4(c)(2)(iii), brokers and nominees should treat one hundred percent (100%) of the distributions as being in excess of cumulative net income for purposes of determining the amount to withhold.
