DATE: April 5, 2017
TO: All Energy Transfer Partnership Employees
FROM: From the Office of Kelcy Warren
SUBJECT: Important Information on the ETP/SXL Merger

Fellow Partnership Employees:

This is an exciting time for the Partnership, and for all of us as employees. Great things are happening and I thank each of you for your contributions to our success.

As you may know, ETP has scheduled a special meeting of its unitholders on April 26, 2017, to consider, among other things, the approval of the proposed merger with SXL. The merger is a strategic move for the Partnership that offers significant benefits to our Partnership and our unitholders. I am writing to you today to encourage those of you who are ETP unitholders to vote in favor of the merger. Your vote, regardless of how many ETP units you own, is very important.

The approval of the proposal to adopt the merger agreement requires that we receive affirmative votes on at least a majority of the outstanding ETP common units. It is also important to know that under the rules governing the solicitation of proxies a failure to vote your units will have the same effect as a vote "Against" completion of the merger.

The ETP/SXL merger creates the second largest Master Limited Partnership and represents another step in our efforts to simplify the Energy Transfer family structure. The combination strengthens and better positions the Partnership to capitalize on strategic opportunities, results in increased scale and diversification across multiple producing basins and provides certain commercial synergies and cost savings. The merger is also expected to enhance the balance sheet of the combined organization by utilizing cash distribution savings to reduce debt and to fund a portion of the growth capital expenditure programs of the two partnerships.

If you were an ETP unitholder as of February 27, 2017, you are entitled to vote. Explicit instructions for voting can be found on the proxy card unitholders will receive in the mail. You can vote today or any time up to April 26, via telephone, the internet, returning the proxy card by mail, or by voting in person at the unitholder meeting. If you have specific questions on voting, you can contact the brokerage firm that holds your units, or ETP's proxy solicitor service, MacKenzie Partners, at the address and phone number below.

Sincerely,
