(11) if other than denominations of \$1,000 and any integral multiple thereof, the denomination in which any Debt Securities of that series shall be issuable;

(12) if other than Dollars, the currency or currencies (including composite currencies) or the form, including equity securities, other debt securities (including Debt Securities), warrants or any other securities or property of the Partnership, any Subsidiary Guarantor or any other Person, in which payment of the principal of, premium (if any) and interest on and any Additional Amounts with respect to the Debt Securities of the series shall be payable;

(13) if the principal of, premium (if any) or interest on or any Additional Amounts with respect to the Debt Securities of the series are to be payable, at the election of the Partnership or a Holder thereof, in a currency or currencies (including composite currencies) other than that in which the Debt Securities are stated to be payable, the currency or currencies (including composite currencies) in which payment of the principal of, premium (if any) and interest on and any Additional Amounts with respect to Debt Securities of such series as to which such election is made shall be payable, and the periods within which and the terms and conditions upon which such election is to be made;

(14) if the amount of payments of principal of, premium (if any) and interest on and any Additional Amounts with respect to the Debt Securities of the series may be determined with reference to any commodities, currencies or indices, values, rates or prices or any other index or formula, the manner in which such amounts shall be determined;

(15) if other than the entire principal amount thereof, the portion of the principal amount of Debt Securities of the series that shall be payable upon declaration of acceleration of the Maturity thereof pursuant to Section 6.02;

(16) any additional means of satisfaction and discharge of this Indenture and any additional conditions or limitations to discharge with respect to Debt Securities of the series and the related Guarantees pursuant to Article VIII or any modifications of or deletions from such conditions or limitations;

(17) any deletions or modifications of or additions to the Events of Default set forth in Section 6.01 or covenants of the Partnership or any Subsidiary Guarantor set forth in Article IV pertaining to the Debt Securities of the series;

(18) any restrictions or other provisions with respect to the transfer or exchange of Debt Securities of the series, which may amend, supplement, modify or supersede those contained in this Article II;

(19) if the Debt Securities of the series are to be convertible into or exchangeable for capital stock, other debt securities or any other securities or property of the Partnership, any Subsidiary Guarantor or any other Person, at the option of the Partnership or the Holder or upon the occurrence of any condition or event, the terms and conditions for such conversion or exchange;

(20) whether the Debt Securities of the series are to be entitled to the benefit of Section 4.03(b) (and accordingly constitute Rule 144A Securities); and

(21) any other terms of the series (which terms shall not be prohibited by the provisions of this Indenture).

All Debt Securities of any one series shall be substantially identical except as to denomination and except as may otherwise be provided in or pursuant to the Board Resolution referred to above and (subject to Section 2.03) set forth, or determined in the manner provided, in the Officers' Certificate or Partnership Order referred to above or in any such indenture supplemental hereto.

If any of the terms of the series are established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action, together with such Board Resolution, shall be set forth in an Officers' Certificate or certified by the Secretary or an Assistant Secretary of the General Partner and delivered to the Trustee at or prior to the delivery of the Officers' Certificate or Partnership Order setting forth the terms of the series.

Section 2.02 Denominations. The Debt Securities of each series shall be issuable in such denominations as shall be specified as contemplated by Section 2.01. In the absence of any such provisions with respect to the Debt Securities of any series, the Debt Securities of such series denominated in Dollars shall be issuable in denominations of \$1,000 and any integral multiples thereof.

Section 2.03 Forms Generally. The Debt Securities of each series shall be in fully registered form and in substantially such form or forms (including temporary or permanent global form) established by or pursuant to a Board Resolution or in one or more indentures supplemental hereto. The Debt Securities may have notations, legends or endorsements required by law, securities exchange rule, the Partnership's certificate of limited partnership, agreement of limited partnership or other similar governing documents, agreements to which the Partnership is subject, if any, or usage (provided that any such notation, legend or endorsement is in a form acceptable to the Partnership). A copy of the Board Resolution establishing the form or forms of Debt Securities of any series shall be delivered to the Trustee at or prior to the delivery of the Partnership Order contemplated by Section 2.04 for the authentication and delivery of such Debt Securities.

The definitive Debt Securities of each series shall be printed, lithographed or engraved on steel engraved borders or may be produced in any other manner, all as determined by the Officers executing such Debt Securities, as evidenced by their execution thereof.

The Trustee's certificate of authentication shall be in substantially the following form:

"This is one of the Debt Securities of the series designated therein referred to in the within-mentioned Indenture.

U.S. BANK TRUST COMPANY, NATIONAL
ASSOCIATION,
as Trustee

By: _____
Authorized Signatory".

Section 2.04 Execution, Authentication, Delivery and Dating. Two Officers of the General Partner shall sign the Debt Securities on behalf of the Partnership and, with respect to the Guarantees of the Debt Securities, an Officer of each Subsidiary Guarantor shall sign the Debt Securities on behalf of such Subsidiary Guarantor, in each case by manual or facsimile signature.

If an Officer of the General Partner or any Subsidiary Guarantor whose signature is on a Debt Security no longer holds that office at the time the Debt Security is authenticated, the Debt Security shall be valid nevertheless.

A Debt Security shall not be entitled to any benefit under this Indenture or the related Guarantees or be valid or obligatory for any purpose until authenticated by the manual signature of an authorized signatory of the Trustee, which signature shall be conclusive evidence that the Debt Security has been authenticated under this Indenture. Notwithstanding the foregoing, if any Debt Security has been authenticated and delivered hereunder but never issued and sold by the Partnership, and the Partnership delivers such Debt Security to the Trustee for cancellation as provided in Section 2.13, together with a written statement (which need not comply with Section 11.05 and need not be accompanied by an Opinion of Counsel) stating that such Debt Security has never been issued and sold by the Partnership, for all purposes of this Indenture such Debt Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture or the related Guarantees.

At any time and from time to time after the execution and delivery of this Indenture, the Partnership may deliver Debt Securities of any series executed by the Partnership and each Subsidiary Guarantor to the Trustee for authentication, and the Trustee shall authenticate and deliver such Debt Securities for original issue upon a Partnership Order for the authentication and delivery of such Debt Securities or pursuant to such procedures acceptable to the Trustee as may be specified from time to time by Partnership Order. Such order shall specify the amount of the Debt Securities to be authenticated, the date on which the original issue of Debt Securities is to be authenticated, the name or names of the initial Holder or Holders and any other terms of the Debt Securities of such series not otherwise determined. If provided for in such procedures, such Partnership Order may authorize (1) authentication and delivery of Debt Securities of such series for original issue from time to time, with certain terms (including, without limitation, the Maturity dates or dates, original Issue Date or Dates and interest rate or rates) that differ from Debt Security to Debt Security and (2) authentication and delivery pursuant to oral or electronic instructions from the Partnership or its duly authorized agent, which instructions shall be promptly confirmed in writing.

If the form or terms of the Debt Securities of the series have been established in or pursuant to one or more Board Resolutions as permitted by Section 2.01, in authenticating such Debt Securities, and accepting the additional responsibilities under this Indenture in relation to such Debt Securities, the Trustee shall be entitled to receive (in addition to the Partnership Order referred to above and the other documents required by Section 11.04), and (subject to Section 7.01) shall be fully protected in relying upon:

(a) an Officers' Certificate setting forth the Board Resolution and, if applicable, an appropriate record of any action taken pursuant thereto, as contemplated by the last paragraph of Section 2.01; and

(b) an Opinion of Counsel to the effect that:

(i) the form of such Debt Securities has been established in conformity with the provisions of this Indenture;

(ii) the terms of such Debt Securities have been established in conformity with the provisions of this Indenture; and

(iii) that, when authenticated and delivered by the Trustee and issued by the Partnership in the manner and subject to any conditions specified in such Opinion of Counsel, such Debt Securities and the related Guarantees will constitute valid and binding obligations of the Partnership and the Subsidiary Guarantors, respectively, enforceable against the Partnership and the Subsidiary Guarantors, respectively, in accordance with their respective terms, except as the enforceability thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar laws in effect from time to time affecting the rights of creditors generally, and the application of general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

If all the Debt Securities of any series are not to be issued at one time, it shall not be necessary to deliver an Officers' Certificate and Opinion of Counsel at the time of issuance of each such Debt Security, but such Officers' Certificate and Opinion of Counsel shall be delivered at or before the time of issuance of the first Debt Security of the series to be issued.

The Trustee shall not be required to authenticate such Debt Securities if the issuance of such Debt Securities pursuant to this Indenture would affect the Trustee's own rights, duties or immunities under the Debt Securities and this Indenture or otherwise in a manner not reasonably acceptable to the Trustee.

The Trustee may appoint an authenticating agent acceptable to the Partnership to authenticate Debt Securities. Unless limited by the terms of such appointment, an authenticating agent may authenticate Debt Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with the Partnership, any Subsidiary Guarantor or an Affiliate of the Partnership or any Subsidiary Guarantor.

Each Debt Security shall be dated the date of its authentication.

Section 2.05 Registrar and Paying Agent. The Partnership shall maintain an office or agency for each series of Debt Securities where Debt Securities of such series may be presented for registration of transfer or exchange ("Registrar") and an office or agency where Debt Securities of such series may be presented for payment ("Paying Agent"). The Registrar shall keep a register of the Debt Securities of such series and of their transfer and exchange. The Partnership may appoint one or more co-registrars and one or more additional paying agents. The term "Registrar" includes any co-registrar and the term "Paying Agent" includes any additional paying agent.

The Partnership shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such Agent. The Partnership shall notify the Trustee of the name and address of any Agent not a party to this Indenture. The Partnership may change any Paying Agent or Registrar without notice to any Holder. If the Partnership fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Partnership, any Subsidiary Guarantor or any Subsidiary may act as Paying Agent or Registrar.

The Partnership initially appoints the Trustee as Registrar and Paying Agent.

Section 2.06 Paying Agent to Hold Money in Trust. The Partnership shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium, if any, or interest on or any Additional Amounts with respect to Debt Securities and will notify the Trustee of any default by the Partnership in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed. The Partnership at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed. Upon payment over to the Trustee and upon accounting for any funds disbursed, the Paying Agent (if other than the Partnership, a Subsidiary Guarantor or a Subsidiary) shall have no further liability for the money. If the Partnership, a Subsidiary Guarantor or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Each Paying Agent shall otherwise comply with TIA Section 317(b).

Section 2.07 Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders and shall otherwise comply with TIA Section 312(a). If the Trustee is not the Registrar with respect to a series of Debt Securities, the Partnership shall furnish to the Trustee at least five Business Days before each Interest Payment Date with respect to such series of Debt Securities, and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders of such series, and the Partnership shall otherwise comply with TIA Section 312(a).

Section 2.08 Transfer and Exchange. Except as set forth in Section 2.17 or as may be provided pursuant to Section 2.01:

When Debt Securities of any series are presented to the Registrar with the request to register the transfer of such Debt Securities or to exchange such Debt Securities for an equal principal amount of Debt Securities of the same series of like tenor and of other authorized denominations, the Registrar shall register the transfer or make the exchange as requested if its requirements and the requirements of this Indenture for such transactions are met; provided, however, that the Debt Securities presented or surrendered for registration of transfer or exchange shall be duly endorsed or accompanied by a written instruction of transfer in form reasonably satisfactory to the Registrar duly executed by the Holder thereof or by his attorney, duly authorized in writing, on which instruction the Registrar can rely.

To permit registrations of transfers and exchanges, the Partnership and the Subsidiary Guarantors shall execute and the Trustee shall authenticate Debt Securities at the Registrar's written request and submission of the Debt Securities or Global Securities. No service charge shall be made to a Holder for any registration of transfer or exchange (except as otherwise expressly permitted herein), but the Partnership may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than such transfer tax or similar governmental charge payable upon

exchanges pursuant to Section 2.12, 3.07 or 9.05). The Trustee shall authenticate Debt Securities in accordance with the provisions of Section 2.04. Notwithstanding any other provisions of this Indenture to the contrary, the Partnership shall not be required to register the transfer or exchange of (a) any Debt Security selected for redemption in whole or in part pursuant to Article III, except the unredeemed portion of any Debt Security being redeemed in part, or (b) any Debt Security during the period beginning 15 Business Days prior to the mailing of notice of any offer to repurchase Debt Securities of the series required pursuant to the terms thereof or of redemption of Debt Securities of a series to be redeemed and ending at the close of business on the day of mailing.

Each Holder of a Debt Security agrees to indemnify the Partnership, the Trustee and the Subsidiary Guarantors against any liability that may result from the transfer, exchange or assignment of such Holder's Debt Securities in violation of any provision of this Indenture and/ or applicable United States Federal or state securities law.

The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Debt Security (including any transfers between or among Agent Members or beneficial owners of interests in any Global Security) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.09 Replacement Debt Securities. If any mutilated Debt Security is surrendered to the Trustee, or if the Holder of a Debt Security claims that the Debt Security has been destroyed, lost or stolen and the Partnership and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of such Debt Security, the Partnership shall issue, and the Subsidiary Guarantors shall execute and the Trustee shall authenticate a replacement Debt Security of the same series if the Trustee's requirements are met. If any such mutilated, destroyed, lost or stolen Debt Security has become or is about to become due and payable, the Partnership in its discretion may, instead of issuing a new Debt Security, pay such Debt Security. If required by the Trustee, any Subsidiary Guarantor or the Partnership, such Holder must furnish an indemnity bond that is sufficient in the judgment of the Trustee and the Partnership to protect the Partnership, each Subsidiary Guarantor, the Trustee, any Agent or any authenticating agent from any loss that any of them may suffer if a Debt Security is replaced. The Partnership and the Trustee may charge a Holder for their expenses in replacing a Debt Security.

Every replacement Debt Security is an additional obligation of the Partnership.

Section 2.10 Outstanding Debt Securities. The Debt Securities outstanding at any time are all the Debt Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Security effected by the Trustee hereunder and those described in this Section 2.10 as not outstanding.

If a Debt Security is replaced pursuant to Section 2.09, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Debt Security is held by a bona fide purchaser.

If the principal amount of any Debt Security is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

A Debt Security does not cease to be outstanding because the Partnership, a Subsidiary Guarantor or an Affiliate of the Partnership or a Subsidiary Guarantor holds the Debt Security.

Section 2.11 Original Issue Discount, Foreign-Currency Denominated and Treasury Debt Securities. In determining whether the Holders of the required principal amount of Debt Securities have concurred in any direction, amendment, supplement, waiver or consent, (a) the principal amount of an Original Issue Discount Security shall be the principal amount thereof that would be due and payable as of the date of such determination upon acceleration of the Maturity thereof pursuant to Section 6.02, (b) the principal amount of a Debt Security denominated in a foreign currency shall be the Dollar equivalent, as determined by the Partnership by reference to the noon buying rate in The City of New York for cable transfers for such currency, as such rate is certified for customs purposes by the Federal Reserve Bank of New York (the "Exchange Rate") on the date of original issuance of such Debt Security, of the principal amount (or, in the case of an Original Issue Discount Security, the Dollar equivalent, as determined by the Partnership by reference to the Exchange Rate on the date of original issuance of such Debt Security, of the amount determined as provided in (a) above), of such Debt Security and (c) Debt Securities owned by the Partnership, a Subsidiary Guarantor or any other obligor upon the Debt Securities or any Affiliate of the Partnership, of a Subsidiary Guarantor or of such other obligor shall be disregarded, except that, for the purpose of determining whether the Trustee shall be protected in relying upon any such direction, amendment, supplement, waiver or consent, only Debt Securities that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded.

Section 2.12 Temporary Debt Securities. Until definitive Debt Securities of any series are ready for delivery, the Partnership may prepare, and the Subsidiary Guarantors shall execute and the Trustee shall authenticate temporary Debt Securities. Temporary Debt Securities shall be substantially in the form of definitive Debt Securities, but may have variations that the Partnership considers appropriate for temporary Debt Securities. Without unreasonable delay, the Partnership shall prepare, and the Subsidiary Guarantors shall execute and the Trustee shall authenticate definitive Debt Securities in exchange for temporary Debt Securities. Until so exchanged, the temporary Debt Securities shall in all respects be entitled to the same benefits under this Indenture as definitive Debt Securities.

Section 2.13 Cancellation. The Partnership or any Subsidiary Guarantor at any time may deliver Debt Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Debt Securities surrendered to them for registration of transfer, exchange, payment or redemption or for credit against any sinking fund payment. The Trustee shall cancel all Debt Securities surrendered for registration of transfer, exchange, payment, redemption, replacement or cancellation or for credit against any sinking fund. Unless the Partnership shall direct in writing that canceled Debt Securities be returned to it, after written notice to the Partnership all canceled Debt Securities held by the Trustee shall be disposed of in accordance with the usual disposal procedures of the Trustee, and the Trustee shall maintain a record of their disposal. The Partnership may not issue new Debt Securities to replace Debt Securities that have been paid or that have been delivered to the Trustee for cancellation.

Section 2.14 Payments; Defaulted Interest. Unless otherwise provided as contemplated by Section 2.01, interest (except defaulted interest) on any Debt Security that is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Persons who are registered Holders of that Debt Security at the close of business on the record date next preceding such Interest Payment Date, even if such Debt Securities are canceled after such record date and on or before such Interest Payment Date. The Holder must surrender a Debt Security to a Paying Agent to collect principal payments. Unless otherwise provided with respect to the Debt Securities of any series, the Partnership will pay the principal of, premium (if any) and interest on and any Additional Amounts with respect to the Debt Securities in Dollars. Such amounts shall be payable at the offices of the Trustee or any Paying Agent, provided that at the option of the Partnership, the Partnership may pay such amounts (1) by wire transfer with respect to Global Securities or (2) by check payable in such money mailed to a Holder's registered address with respect to any Debt Securities. If the Partnership defaults in a payment of interest on the Debt Securities of any series, the Partnership shall pay the defaulted interest in any lawful manner plus, to the extent lawful,

interest on the defaulted interest, in each case at the rate provided in the Debt Securities of such series and in [Section 4.01](#). The Partnership may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. At least 15 days before any special record date selected by the Partnership, the Partnership (or the Trustee, in the name of and at the expense of the Partnership upon 20 days' prior written notice from the Partnership setting forth such special record date and the interest amount to be paid) shall mail to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

[Section 2.15 Persons Deemed Owners](#). The Partnership, the Subsidiary Guarantors, the Trustee, any Agent and any authenticating agent may treat the Person in whose name any Debt Security is registered as the owner of such Debt Security for the purpose of receiving payments of principal of, premium (if any) or interest on or any Additional Amounts with respect to such Debt Security and for all other purposes. None of the Partnership, any Subsidiary Guarantor, the Trustee, any Agent or any authenticating agent shall be affected by any notice to the contrary.

[Section 2.16 Computation of Interest](#). Except as otherwise specified as contemplated by [Section 2.01](#) for Debt Securities of any series, interest on the Debt Securities of each series shall be computed on the basis of a year comprising twelve 30-day months.

[Section 2.17 Global Securities; Book-Entry Provisions](#). If Debt Securities of a series are issuable in global form as a Global Security, as contemplated by [Section 2.01](#), then, notwithstanding clause (11) of [Section 2.01](#) and the provisions of [Section 2.02](#), any such Global Security shall represent such of the outstanding Debt Securities of such series as shall be specified therein and may provide that it shall represent the aggregate amount of outstanding Debt Securities from time to time endorsed thereon and that the aggregate amount of outstanding Debt Securities represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges, transfers or redemptions. Any endorsement of a Global Security to reflect the amount, or any increase or decrease in the amount, of outstanding Debt Securities represented thereby shall be made by the Trustee (i) in such manner and upon instructions given by such Person or Persons as shall be specified in such Debt Security or in a Partnership Order to be delivered to the Trustee pursuant to [Section 2.04](#) or (ii) otherwise in accordance with written instructions or such other written form of instructions as is customary for the Depository for such Debt Security, from such Depository or its nominee on behalf of any Person having a beneficial interest in such Global Security. Subject to the provisions of [Section 2.04](#) and, if applicable, [Section 2.12](#), the Trustee shall deliver and redeliver any Debt Security in permanent global form in the manner and upon instructions given by the Person or Persons specified in such Debt Security or in the applicable Partnership Order. With respect to the Debt Securities of any series that are represented by a Global Security, the Partnership and the Subsidiary Guarantors authorize the execution and delivery by the Trustee of a letter of representations or other similar agreement or instrument in the form customarily provided for by the Depository appointed with respect to such Global Security. Any Global Security may be deposited with the Depository or its nominee, or may remain in the custody of the Trustee or the Security Custodian therefor pursuant to a FAST Balance Certificate Agreement or similar agreement between the Trustee and the Depository. If a Partnership Order has been, or simultaneously is, delivered, any instructions by the Partnership with respect to endorsement or delivery or redelivery of a Debt Security in global form shall be in writing but need not comply with [Section 11.05](#) and need not be accompanied by an Opinion of Counsel.

Members of, or participants in, the Depository ("[Agent Members](#)") shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository, or the Trustee or the Security Custodian as its custodian, or under such Global Security, and the Depository may be treated by the Partnership, any Subsidiary Guarantor, the Trustee or the Security Custodian and any agent of the Partnership, any Subsidiary Guarantor, the Trustee or the Security Custodian as the absolute owner of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, (i) the registered Holder of a

Global Security of a series may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action that a Holder of Debt Securities of such series is entitled to take under this Indenture or the Debt Securities of such series and (ii) nothing herein shall prevent the Partnership, any Subsidiary Guarantor, the Trustee or the Security Custodian, or any agent of the Partnership, any Subsidiary Guarantor, the Trustee or the Security Custodian, from giving effect to any written certification, proxy or other authorization furnished by the Depository or shall impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a beneficial owner of any Debt Security.

Notwithstanding Section 2.08, and except as otherwise provided pursuant to Section 2.01:

Transfers of a Global Security shall be limited to transfers of such Global Security in whole, but not in part, to the Depository, its successors or their respective nominees. Interests of beneficial owners in a Global Security may be transferred in accordance with the rules and procedures of the Depository. Debt Securities shall be transferred to all beneficial owners in exchange for their beneficial interests in a Global Security if, and only if, either (1) the Depository notifies the Partnership that it is unwilling or unable to continue as Depository for the Global Security and a successor Depository is not appointed by the Partnership within 90 days of such notice, (2) an Event of Default has occurred with respect to such series and is continuing and the Registrar has received a request from the Depository to issue Debt Securities in lieu of all or a portion of the Global Security (in which case the Partnership shall deliver Debt Securities within 30 days of such request) or (3) the Partnership determines not to have the Debt Securities represented by a Global Security.

In connection with any transfer of a portion of the beneficial interests in a Global Security to beneficial owners pursuant to this Section 2.17, the Registrar shall reflect on its books and records the date and a decrease in the principal amount of the Global Security in an amount equal to the principal amount of the beneficial interests in the Global Security to be transferred, and the Partnership and the Subsidiary Guarantors shall execute, and the Trustee upon receipt of a Partnership Order for the authentication and delivery of Debt Securities shall authenticate and deliver, one or more Debt Securities of the same series of like tenor and amount.

In connection with the transfer of all the beneficial interests in a Global Security to beneficial owners pursuant to this Section 2.17, the Global Security shall be deemed to be surrendered to the Trustee for cancellation, and the Partnership and the Subsidiary Guarantors shall execute, and the Trustee shall authenticate and deliver, to each beneficial owner identified by the Depository in exchange for its beneficial interests in the Global Security, an equal aggregate principal amount of Debt Securities of authorized denominations.

Neither the Partnership, any Subsidiary Guarantor nor the Trustee will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, Debt Securities by the Depository, or for maintaining, supervising or reviewing any records of the Depository relating to such Debt Securities. Neither the Partnership, any Subsidiary Guarantor nor the Trustee shall be liable for any delay by the related Global Security Holder or the Depository in identifying the beneficial owners, and each such Person may conclusively rely on, and shall be protected in relying on, instructions from such Global Security Holder or the Depository for all purposes (including with respect to the registration and delivery, and the respective principal amounts, of the Debt Securities to be issued). Neither the Trustee nor any agent shall have any responsibility for any actions taken or not taken by the Depository.

The provisions of the last sentence of the third paragraph of Section 2.04 shall apply to any Global Security if such Global Security was never issued and sold by the Partnership and the Partnership or a Subsidiary Guarantor delivers to the Trustee the Global Security together with written instructions (which need not comply with Section 11.05 and need not be accompanied by an Opinion of Counsel) with regard to the cancellation or reduction in the principal amount of Debt Securities represented thereby, together with the written statement contemplated by the last sentence of the third paragraph of Section 2.04.

Notwithstanding the provisions of Sections 2.03 and 2.14, unless otherwise specified as contemplated by Section 2.01, payment of principal of, premium (if any) and interest on and any Additional Amounts with respect to any Global Security shall be made to the Person or Persons specified therein.

ARTICLE III. REDEMPTION

Section 3.01 Applicability of Article. Debt Securities of any series that are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 2.01 for Debt Securities of any series) in accordance with this Article III.

Section 3.02 Notice to the Trustee. If the Partnership elects to redeem Debt Securities of any series pursuant to this Indenture, it shall notify the Trustee of the Redemption Date and the principal amount of Debt Securities of such series to be redeemed. The Partnership shall so notify the Trustee at least 30 days before the Redemption Date (unless a shorter notice shall be satisfactory to the Trustee) by delivering to the Trustee an Officers' Certificate stating that such redemption will comply with the provisions of this Indenture and of the Debt Securities of such series. Any such notice may be canceled at any time prior to the mailing of such notice of such redemption to any Holder and shall thereupon be void and of no effect.

Section 3.03 Selection of Debt Securities To Be Redeemed. If less than all the Debt Securities of any series are to be redeemed (unless all of the Debt Securities of such series of a specified tenor are to be redeemed), the particular Debt Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee from the outstanding Debt Securities of such series (and tenor) not previously called for redemption, either pro rata, by lot or by such other method as the Trustee shall deem fair and appropriate, and, when the Debt Securities are in the form of Global Securities, in accordance with the applicable procedures of the Depository Trust Company, and that may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Debt Securities of that series or any integral multiple thereof) of the principal amount of Debt Securities of such series of a denomination larger than the minimum authorized denomination for Debt Securities of that series or of the principal amount of Global Securities of such series.

The Trustee shall promptly notify the Partnership and the Registrar in writing of the Debt Securities selected for redemption and, in the case of any Debt Securities selected for partial redemption, the principal amount thereof to be redeemed.

For purposes of this Indenture, unless the context otherwise requires, all provisions relating to redemption of Debt Securities shall relate, in the case of any of the Debt Securities redeemed or to be redeemed only in part, to the portion of the principal amount thereof which has been or is to be redeemed.

Section 3.04 Notice of Redemption. Notice of redemption shall be given by first-class mail, postage prepaid, mailed not less than 15 nor more than 60 days prior to the Redemption Date, to each Holder of Debt Securities to be redeemed, at the address of such Holder appearing in the register of Debt Securities maintained by the Registrar.

All notices of redemption shall identify the Debt Securities to be redeemed and shall state:

- (1) the Redemption Date;

(2) the Redemption Price;

(3) the amount of Debt Securities to be redeemed;

(4) the method of calculating the redemption price and each place that payment will be made upon presentation and surrender of Debt Securities to be redeemed;

(5) that, unless the Partnership and the Subsidiary Guarantors default in making the redemption payment, interest on Debt Securities called for redemption ceases to accrue on and after the Redemption Date, and the only remaining right of the Holders of such Debt Securities is to receive payment of the Redemption Price upon surrender to the Paying Agent of the Debt Securities redeemed;

(6) if any Debt Security is to be redeemed in part, the portion of the principal amount thereof to be redeemed and that on and after the Redemption Date, upon surrender for cancellation of such Debt Security to the Paying Agent, a new Debt Security or Debt Securities in the aggregate principal amount equal to the unredeemed portion thereof will be issued without charge to the Holder;

(7) that Debt Securities called for redemption must be surrendered to the Paying Agent to collect the Redemption Price and the name and address of the Paying Agent;

(8) that the redemption is for a sinking or analogous fund, if such is the case; and

(9) the CUSIP number, if any, relating to such Debt Securities.

Notice of redemption of Debt Securities to be redeemed at the election of the Partnership shall be given by the Partnership or, at the Partnership's written request, by the Trustee in the name and at the expense of the Partnership.

Section 3.05 Effect of Notice of Redemption. Once notice of redemption is mailed, Debt Securities called for redemption become due and payable on the Redemption Date and at the Redemption Price. Upon surrender to the Paying Agent, such Debt Securities called for redemption shall be paid at the Redemption Price, but interest installments whose Maturity is on or prior to such Redemption Date will be payable on the relevant Interest Payment Dates to the Holders of record at the close of business on the relevant record dates specified pursuant to Section 2.01.

Section 3.06 Deposit of Redemption Price. On or prior to 10:00 a.m., New York City time, on any Redemption Date, the Partnership or a Subsidiary Guarantor shall deposit with the Trustee or the Paying Agent (or, if the Partnership or such Subsidiary Guarantor is acting as the Paying Agent, segregate and hold in trust as provided in Section 2.06) an amount of money in same day funds sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on and any Additional Amounts with respect to, the Debt Securities or portions thereof which are to be redeemed on that date, other than Debt Securities or portions thereof called for redemption on that date which have been delivered by the Partnership or a Subsidiary Guarantor to the Trustee for cancellation.

If the Partnership or a Subsidiary Guarantor complies with the preceding paragraph, then, unless the Partnership and the Subsidiary Guarantors default in the payment of such Redemption Price, interest on the Debt Securities to be redeemed will cease to accrue on and after the applicable Redemption Date, whether or not such Debt Securities are presented for payment, and the Holders of such Debt Securities shall have no further rights with respect to such Debt Securities except for the right to receive the Redemption Price upon surrender of such Debt Securities. If any Debt Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal, premium, if any, any Additional Amounts, and, to the extent lawful, accrued interest thereon shall, until paid, bear interest from the Redemption Date at the rate specified pursuant to Section 2.01 or provided in the Debt Securities or, in the case of Original Issue Discount Securities, such Debt Securities' yield to maturity.

Section 3.07 Debt Securities Redeemed or Purchased in Part. Upon surrender to the Paying Agent of a Debt Security to be redeemed in part, the Partnership and the Subsidiary Guarantors shall execute and the Trustee shall authenticate and deliver to the Holder of such Debt Security without service charge a new Debt Security or Debt Securities, of the same series and of any authorized denomination as requested by such Holder in aggregate principal amount equal to, and in exchange for, the unredeemed portion of the principal of the Debt Security so surrendered that is not redeemed.

Section 3.08 Purchase of Debt Securities. Unless otherwise specified as contemplated by Section 2.01, the Partnership, any Subsidiary Guarantor and any Affiliate of the Partnership or any Subsidiary Guarantor may, subject to applicable law, at any time purchase or acquire Debt Securities in the open market, by tender offer, by private agreement or otherwise. Any such acquisition shall not operate as or be deemed for any purpose to be a redemption of the indebtedness represented by such Debt Securities. Any Debt Securities purchased or acquired by the Partnership or a Subsidiary Guarantor may be delivered to the Trustee and, upon such delivery, the indebtedness represented thereby shall be deemed to be satisfied. Section 2.13 shall apply to all Debt Securities so delivered.

Section 3.09 Mandatory and Optional Sinking Funds. The minimum amount of any sinking fund payment provided for by the terms of Debt Securities of any series is herein referred to as a “mandatory sinking fund payment,” and any payment in excess of such minimum amount provided for by the terms of Debt Securities of any series is herein referred to as an “optional sinking fund payment.” Unless otherwise provided by the terms of Debt Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 3.10. Each sinking fund payment shall be applied to the redemption of Debt Securities of any series as provided for by the terms of Debt Securities of such series and by this Article III.

Section 3.10 Satisfaction of Sinking Fund Payments with Debt Securities. The Partnership or a Subsidiary Guarantor may deliver outstanding Debt Securities of a series (other than any previously called for redemption) and may apply as a credit Debt Securities of a series that have been redeemed either at the election of the Partnership pursuant to the terms of such Debt Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Debt Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Debt Securities of such series required to be made pursuant to the terms of such series of Debt Securities; provided that such Debt Securities have not been previously so credited. Such Debt Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Debt Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

Section 3.11 Redemption of Debt Securities for Sinking Fund. Not less than 45 days prior (unless a shorter period shall be satisfactory to the Trustee) to each sinking fund payment date for any series of Debt Securities, the Partnership will deliver to the Trustee an Officers’ Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivery of or by crediting Debt Securities of that series pursuant to Section 3.10 and will also deliver or cause to be delivered to the Trustee any Debt Securities to be so delivered. Failure of the Partnership to timely deliver or cause to be delivered such Officers’ Certificate and Debt Securities specified in this paragraph, if any, shall not constitute a default but shall constitute the election of the Partnership (i) that the mandatory sinking fund payment for such series due on the next succeeding sinking fund payment date shall be paid entirely in cash without the option to deliver or credit Debt Securities of such series in respect thereof and (ii) that the Partnership will make no optional sinking fund payment with respect to such series as provided in this Section 3.11.

If the sinking fund payment or payments (mandatory or optional or both) to be made in cash on the next succeeding sinking fund payment date plus any unused balance of any preceding sinking fund payments made in cash shall exceed \$100,000 (or the Dollar equivalent thereof based on the applicable Exchange Rate on the date of original issue of the applicable Debt Securities) or a lesser sum if the Partnership shall so request with respect to the Debt Securities of any particular series, such cash shall be applied on the next succeeding sinking fund payment date to the redemption of Debt Securities of such series at the sinking fund redemption price together with accrued interest to the date fixed for redemption. If such amount shall be \$100,000 (or the Dollar equivalent thereof as aforesaid) or less and the Partnership makes no such request then it shall be carried over until a sum in excess of \$100,000 (or the Dollar equivalent thereof as aforesaid) is available. Not less than 30 days before each such sinking fund payment date, the Trustee shall select the Debt Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 3.03 and cause notice of the redemption thereof to be given in the name of and at the expense of the Partnership in the manner provided in Section 3.04. Such notice having been duly given, the redemption of such Debt Securities shall be made upon the terms and in the manner stated in Sections 3.05, 3.06 and 3.07.

ARTICLE IV. COVENANTS

Section 4.01 Payment of Debt Securities. The Partnership shall pay the principal of, premium (if any) and interest on and any Additional Amounts with respect to the Debt Securities of each series on the dates and in the manner provided in the Debt Securities of such series and in this Indenture. Principal, premium, interest and any Additional Amounts shall be considered paid on the date due if the Paying Agent (other than the Partnership, a Subsidiary Guarantor or a Subsidiary) holds on that date money deposited by the Partnership or a Subsidiary Guarantor designated for and sufficient to pay all principal, premium, interest and any Additional Amounts then due.

The Partnership shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium (if any), at a rate equal to the then applicable interest rate on the Debt Securities to the extent lawful; and it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and any Additional Amount (without regard to any applicable grace period) at the same rate to the extent lawful.

Section 4.02 Maintenance of Office or Agency. The Partnership will maintain in each Place of Payment for any series of Debt Securities an office or agency (which may be an office of the Trustee, the Registrar or the Paying Agent) where Debt Securities of that series may be presented for registration of transfer or exchange, where Debt Securities of that series may be presented for payment and where notices and demands to or upon the Partnership or a Subsidiary Guarantor in respect of the Debt Securities of that series and this Indenture may be served. Unless otherwise designated by the Partnership by written notice to the Trustee and the Subsidiary Guarantors, such office or agency shall be the office of the Trustee in The City of New York, which on the date hereof is located at One Penn Plaza, Suite 1414, New York, New York 10119, Attention: Corporate Trust Group. The Partnership will give prompt written notice to the Trustee and the Subsidiary Guarantors of the location, and any change in the location, of such office or agency. If at any time the Partnership shall fail to maintain any such required office or agency or shall fail to furnish the Trustee and the Subsidiary Guarantors with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Partnership may also from time to time designate one or more other offices or agencies where the Debt Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Partnership of its obligation to maintain an office or agency in each Place of Payment for Debt Securities of any series for such purposes. The Partnership will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 4.03 SEC Reports; Financial Statements.

(a) If the Partnership is subject to the requirements of Section 13 or 15(d) of the Exchange Act, the Partnership shall file with the Trustee, within 15 days after it is required to file the same with the SEC, copies of the annual reports and the information, documents and other reports (or copies of such portions of any of the foregoing as the SEC may by rules and regulations prescribe) that the Partnership is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act. If this Indenture is qualified under the TIA, but not otherwise, the Partnership and the Subsidiary Guarantors shall also comply with the provisions of TIA Section 314(a). If the Partnership is not subject to the requirements of Section 13 or 15(d) of the Exchange Act, the Partnership shall file with the Trustee, within 15 days after it would have been required to file with the SEC, financial statements (and with respect to annual reports, an auditor's report by a firm of established national reputation) and a Management's Discussion and Analysis of Financial Condition and Results of Operations, both comparable to what it would have been required to file with the SEC had it been subject to the requirements of Section 13 or 15(d) of the Exchange Act. If the Partnership is required to furnish annual or quarterly reports to its equity holders pursuant to the Exchange Act, it shall file these reports with the Trustee. Delivery of such reports, information and documents to the Trustee shall be for informational purposes only, and the Trustee's receipt thereof shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Partnership's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates or certificates delivered pursuant to Section 4.04).

(b) If the Partnership is not subject to the requirements of Section 13 or 15(d) of the Exchange Act, the Partnership shall furnish to all Holders of Rule 144A Securities and prospective purchasers of Rule 144A Securities designated by the Holders of Rule 144A Securities, promptly upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) promulgated under the Securities Act of 1933, as amended.

Section 4.04 Compliance Certificate.

(a) The Partnership shall deliver to the Trustee, within 120 days after the end of each fiscal year, a statement signed by an Officer of the General Partner, which need not constitute an Officers' Certificate, complying with TIA Section 314(a)(4) and stating that in the course of performance by the signing Officer of his or her duties as such Officer of the General Partner, he or she would normally obtain knowledge of the keeping, observing, performing and fulfilling by the Partnership and the Subsidiary Guarantors of their obligations under this Indenture, and further stating that to the best of his or her knowledge the Partnership and the Subsidiary Guarantors have observed, performed and fulfilled each and every covenant contained in this Indenture and are not in default in the performance or observance of any of the terms, provisions and conditions hereof (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which such Officer may have knowledge and what action the Partnership is taking or proposes to take with respect thereto).

(b) The Partnership shall, so long as Debt Securities of any series are outstanding, deliver to the Trustee, within 30 days after the occurrence of any Default or Event of Default under this Indenture, an Officers' Certificate specifying such Default or Event of Default and what action the Partnership is taking or proposes to take with respect thereto.

Section 4.05 Existence. Subject to Article V, each of the Partnership and the Subsidiary Guarantors shall do or cause to be done all things necessary to preserve and keep in full force and effect its existence.

Section 4.06 Waiver of Stay, Extension or Usury Laws. Each of the Partnership and the Subsidiary Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive it from paying all or any portion of the principal of or interest on the Debt Securities as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this Indenture; and (to the extent that it may lawfully do so) each of the Partnership and the Subsidiary Guarantors hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 4.07 Additional Amounts. If the Debt Securities of a series expressly provide for the payment of Additional Amounts, the Partnership will pay to the Holder of any Debt Security of such series Additional Amounts as expressly provided therein. Whenever in this Indenture there is mentioned, in any context, the payment of the principal of or any premium or interest on, or in respect of, any Debt Security of any series or the net proceeds received from the sale or exchange of any Debt Security of any series, such mention shall be deemed to include mention of the payment of Additional Amounts provided for in this Section 4.07 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof pursuant to the provisions of this Section 4.07 and express mention of the payment of Additional Amounts (if applicable) in any provisions hereof shall not be construed as excluding Additional Amounts in those provisions hereof where such express mention is not made.

ARTICLE V. SUCCESSORS

Section 5.01 Limitations on Mergers and Consolidations. The Partnership shall not, in any transaction or series of transactions, consolidate with or merge into any Person, or sell, lease, convey, transfer or otherwise dispose of all or substantially all of its assets to any Person, unless:

(1) the Person formed by or resulting from any such consolidation or merger or to which such sale, lease, conveyance, transfer or other disposition shall be made (collectively, the "Successor"), is either the Partnership or expressly assumes by supplemental indenture, the due and punctual payment of the principal of, premium (if any) and interest on and any Additional Amounts with respect to all the Debt Securities and the performance of the Partnership's covenants and obligations under this Indenture and the Debt Securities;

(2) the Successor is organized under the laws of the United States, any State thereof or the District of Columbia;

(3) immediately after giving effect to such transaction or series of transactions, no Default or Event of Default shall have occurred and be continuing or would result therefrom; and

(4) the Partnership, delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that the transaction and any such supplemental indenture comply with this Indenture.

Section 5.02 Successor Person Substituted. Upon any consolidation or merger of the Partnership, or any sale, lease, conveyance, transfer or other disposition of all or substantially all of the assets of the Partnership in accordance with Section 5.01, the Successor formed by such consolidation or merger or to which such sale, lease, conveyance, transfer or other disposition is made shall succeed to, and be substituted for, and may exercise every right and power of the Partnership under this Indenture and the Debt Securities with the same effect as if such Successor had been named as the Partnership herein and the predecessor Partnership shall be released from all obligations under this Indenture and the Debt Securities, except that no such release shall occur in the case of any lease of all or substantially all of the assets of the Partnership.

ARTICLE VI.
DEFAULTS AND REMEDIES

Section 6.01 Events of Default. Unless either inapplicable to a particular series or specifically deleted or modified in or pursuant to the supplemental indenture or Board Resolution establishing such series of Debt Securities or in the form of Debt Security for such series, an “Event of Default,” wherever used herein with respect to Debt Securities of any series, occurs if:

- (1) there is a default in the payment of interest on or any Additional Amounts with respect to any Debt Security of that series when the same becomes due and payable and such default continues for a period of 30 days;
- (2) there is a default in the payment of the principal of or premium, if any, on any Debt Securities of that series as and when the same shall become due and payable, whether at Stated Maturity, upon redemption, by declaration, upon required repurchase or otherwise;
- (3) there is a default in the payment of any sinking fund payment with respect to any Debt Securities of that series as and when the same shall become due and payable;
- (4) there is a failure on the part of the Partnership, or if any series of Debt Securities outstanding under this Indenture is entitled to the benefits of a Guarantee by the Subsidiary Guarantors, any of the Subsidiary Guarantors, duly to observe or perform any other of the covenants or agreements on the part of the Partnership, or if applicable, any of the Subsidiary Guarantors, in the Debt Securities of that series, in any resolution of the Board of Directors authorizing the issuance of that series of Debt Securities, in this Indenture with respect to such series or in any supplemental Indenture with respect to such series (other than a default in the performance of a covenant which is specifically dealt with elsewhere in this Section 6.01), continuing for a period of 60 days after the date on which written notice specifying such failure shall have been given to the Partnership, or if applicable, the Subsidiary Guarantors, by the Trustee or to the Partnership, or if applicable, the Subsidiary Guarantors, and the Trustee by the Holders of at least 25% in aggregate principal amount of the Debt Securities of that series at the time outstanding;
- (5) the Partnership, or if any series of Debt Securities outstanding under this Indenture is entitled to the benefits of a Guarantee by the Subsidiary Guarantors, any of the Subsidiary Guarantors, pursuant to or within the meaning of any Bankruptcy Law:
 - (A) commences a voluntary case,
 - (B) consents to the entry of an order for relief against it in an involuntary case,

(C) consents to the appointment of a Bankruptcy Custodian of it or for all or substantially all of its property, or

(D) makes a general assignment for the benefit of its creditors;

(6) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that remains unstayed and in effect for 60 days and that:

(A) is for relief against the Partnership or any Subsidiary Guarantor as debtor in an involuntary case,

(B) appoints a Bankruptcy Custodian of the Partnership or any Subsidiary Guarantor or a Bankruptcy Custodian for all or substantially all of the property of the Partnership or any Subsidiary Guarantor, or

(C) orders the liquidation of the Partnership or any Subsidiary Guarantor;

(7) if any series of Debt Securities outstanding under this Indenture is entitled to the benefits of a Guarantee by the Subsidiary Guarantors, any of the Subsidiary Guarantors ceases to be in full force and effect with respect to Debt Securities of that series (except as otherwise provided in this Indenture) or is declared null and void or is found to be invalid in a judicial proceeding or any of the Subsidiary Guarantors (if applicable) denies or disaffirms its obligations under this Indenture or such Guarantee; or

(8) any other Event of Default provided with respect to Debt Securities of that series occurs.

The term “Bankruptcy Custodian” means any receiver, trustee, assignee, liquidator or similar official under any Bankruptcy Law. The Trustee shall not be deemed to know or have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default or Event of Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Debt Securities and this Indenture.

When a Default is cured, it ceases.

Notwithstanding the foregoing provisions of this Section 6.01, if the principal of, premium (if any) or interest on or Additional Amounts with respect to any Debt Security is payable in a currency or currencies (including a composite currency) other than Dollars and such currency or currencies are not available to the Partnership or a Subsidiary Guarantor for making payment thereof due to the imposition of exchange controls or other circumstances beyond the control of the Partnership or such Subsidiary Guarantor (a “Conversion Event”), each of the Partnership and the Subsidiary Guarantors will be entitled to satisfy its obligations to Holders of the Debt Securities by making such payment in Dollars in an amount equal to the Dollar equivalent of the amount payable in such other currency, as determined by the Partnership or the Subsidiary Guarantor making such payment, as the case may be, by reference to the Exchange Rate on the date of such payment, or, if such rate is not then available, on the basis of the most recently available Exchange Rate. Notwithstanding the foregoing provisions of this Section 6.01, any payment made under such circumstances in Dollars where the required payment is in a currency other than Dollars will not constitute an Event of Default under this Indenture.

Promptly after the occurrence of a Conversion Event, the Partnership or a Subsidiary Guarantor shall give written notice thereof to the Trustee; and the Trustee, promptly after receipt of such notice, shall give notice thereof in the manner provided in Section 11.02 to the Holders. Promptly after the making of any payment in Dollars as a result of a Conversion Event, the Partnership or the Subsidiary Guarantor making such payment, as the case may be, shall give notice in the manner provided in Section 11.02 to the Holders, setting forth the applicable Exchange Rate and describing the calculation of such payments.

A Default under clause (4) of this Section 6.01 is not an Event of Default until the Trustee notifies the Partnership, or the Holders of at least 25% in principal amount of the then outstanding Debt Securities of the series affected by such Default notify the Partnership and the Trustee, of the Default, and the Partnership or the applicable Subsidiary Guarantor, as the case may be, fails to cure the Default within 60 days after receipt of the notice. The notice must specify the Default, demand that it be remedied and state that the notice is a “Notice of Default.”

Section 6.02 Acceleration. If an Event of Default with respect to any Debt Securities of any series at the time outstanding (other than an Event of Default specified in clause (5) or (6) of Section 6.01) occurs and is continuing, the Trustee by notice to the Partnership, or the Holders of at least 25% in principal amount of the then outstanding Debt Securities of the series affected by such Event of Default (or, in the case of an Event of Default described in clause (4) of Section 6.01, if outstanding Debt Securities of other series are affected by such Event of Default, then at least 25% in principal amount of the then outstanding Debt Securities so affected) by notice to the Partnership and the Trustee, may, and the Trustee at the request of such Holders shall, declare the principal of (or, if any such Debt Securities are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series), premium, if any, on and all accrued and unpaid interest on all then outstanding Debt Securities of such series or of all series, as the case may be, to be due and payable. Upon any such declaration, the amounts due and payable on the Debt Securities shall be due and payable immediately. If an Event of Default specified in clause (5) or (6) of Section 6.01 hereof occurs, such amounts shall ipso facto become and be immediately due and payable without any declaration, notice or other act on the part of the Trustee or any Holder. The Holders of a majority in principal amount of the then outstanding Debt Securities of the series affected by such Event of Default by written notice to the Trustee may rescind an acceleration and its consequences (other than nonpayment of principal of or premium or interest on or any Additional Amounts with respect to the Debt Securities) if the rescission would not conflict with any judgment or decree of a court of competent jurisdiction and if all existing Events of Default with respect to Debt Securities of that series have been cured or waived, except nonpayment of principal, premium, interest or any Additional Amounts that has become due solely because of the acceleration.

Section 6.03 Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, or premium, if any, or interest on the Debt Securities or to enforce the performance of any provision of the Debt Securities or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Debt Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Defaults. Subject to Sections 6.07 and 9.02, the Holders of a majority in principal amount of the then outstanding Debt Securities of any series or of all series (acting as one class) by notice to the Trustee may waive an existing or past Default or Event of Default with respect to such series and its consequences (including waivers obtained in connection with a tender offer or exchange offer for Debt Securities of such series or all series or a solicitation of consents in respect of Debt Securities of such series or all series, provided that in each case such offer or solicitation is made to all Holders of then outstanding Debt Securities of such series or all series (but the terms of such offer or solicitation may vary from series to series)), except (1) a continuing Default or Event of Default in the payment of the principal

of, or premium, if any, or interest on or any Additional Amounts with respect to any Debt Security or (2) a continued Default in respect of a provision that under Section 9.02 cannot be amended or supplemented without the consent of each Holder affected. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 Control by Majority. With respect to Debt Securities of any series, the Holders of a majority in principal amount of the then outstanding Debt Securities of such series may direct in writing the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on it with respect to Debt Securities of such series. However, the Trustee may refuse to follow any direction that conflicts with applicable law or this Indenture, that the Trustee determines is unduly prejudicial to the rights of other Holders, or that would involve the Trustee in personal liability; provided, however, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action hereunder, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion from Holders directing the Trustee against all losses and expenses caused by taking or not taking such action.

Section 6.06 Limitations on Suits. Subject to Section 6.07 hereof, a Holder of a Debt Security of any series may pursue a remedy with respect to this Indenture or the Debt Securities of such series only if:

(1) the Holder has previously given to the Trustee written notice of a continuing Event of Default with respect to such series;

(2) the Holders of at least 25% in principal amount of the then outstanding Debt Securities of such series have made a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders have offered to the Trustee security or indemnity satisfactory to the Trustee against any cost, liability or expense;

(4) the Trustee has not complied with the request within 60 days after receipt of the request and the offer of security or indemnity; and

(5) during such 60-day period the Holders of a majority in principal amount of the Debt Securities of that series have not given the Trustee a direction that, in the opinion of the Trustee, is inconsistent with the request.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder of a Debt Security to receive payment of principal of and premium, if any, and interest on and any Additional Amounts with respect to the Debt Security, on or after the respective due dates expressed in the Debt Security, or to bring suit for the enforcement of any such payment on or after such respective dates, is absolute and unconditional and shall not be impaired or affected without the consent of the Holder.

Section 6.08 Collection Suit by Trustee. If an Event of Default specified in clause (1) or (2) of Section 6.01 hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Partnership or a Subsidiary Guarantor for the amount of

principal, premium (if any), interest and any Additional Amounts remaining unpaid on the Debt Securities of the series affected by the Event of Default, and interest on overdue principal and premium, if any, and, to the extent lawful, interest on overdue interest, and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents and to take such actions, including participating as a member, voting or otherwise, of any committee of creditors, as may be necessary or advisable to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Partnership or a Subsidiary Guarantor or their respective creditors or properties and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any Bankruptcy Custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties which the Holders of the Debt Securities may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Debt Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 Priorities. If the Trustee collects any money pursuant to this Article VI, it shall pay out the money in the following order:

First: to the Trustee for amounts due under Section 7.07;

Second: to Holders for amounts due and unpaid on the Debt Securities in respect of which or for the benefit of which such money has been collected, for principal, premium (if any), interest and any Additional Amounts ratably, without preference or priority of any kind, according to the amounts due and payable on such Debt Securities for principal, premium (if any), interest and any Additional Amounts, respectively; and Third: to the Partnership.

The Trustee, upon prior written notice to the Partnership, may fix record dates and payment dates for any payment to Holders pursuant to this Article VI.

To the fullest extent allowed under applicable law, if for the purpose of obtaining a judgment against the Partnership or a Subsidiary Guarantor in any court it is necessary to convert the sum due in respect of the principal of, premium (if any) or interest on or Additional Amounts with respect to the Debt Securities of any series (the "Required Currency") into a currency in which a judgment will be rendered (the "Judgment Currency"), the rate of exchange used shall be the rate at which in accordance with normal banking procedures the Trustee could purchase in The City of New York the Required Currency with the Judgment Currency on the Business Day in The City of New York next preceding that on which final judgment is given. Neither the Partnership, any Subsidiary Guarantor nor the Trustee shall be liable for any shortfall nor shall it benefit from any windfall in payments to Holders of Debt Securities under this

Section 6.10 caused by a change in exchange rates between the time the amount of a judgment against it is calculated as above and the time the Trustee converts the Judgment Currency into the Required Currency to make payments under this Section 6.10 to Holders of Debt Securities, but payment of such judgment shall discharge all amounts owed by the Partnership and the Subsidiary Guarantors on the claim or claims underlying such judgment.

Section 6.11 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by a Holder or Holders of more than 10% in principal amount of the then outstanding Debt Securities of any series.

ARTICLE VII. TRUSTEE

Section 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in such exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default with respect to the Debt Securities of any series:

(1) the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine such certificates and opinions to determine whether, on their face, they appear to conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of Section 7.01(b);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to the provisions of this Section 7.01.

(e) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee may refuse to perform any duty or exercise any right or power unless it receives security or indemnity satisfactory to the Trustee against any cost, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Partnership and the Subsidiary Guarantors. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law. All money received by the Trustee shall, until applied as herein provided, be held in trust for the payment of the principal of, premium (if any) and interest on and Additional Amounts with respect to the Debt Securities.

Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely on any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require instruction, an Officers' Certificate or an Opinion of Counsel or both to be provided. In the absence of bad faith on the part of the Trustee, the Trustee shall not be liable for any action it takes or omits to take in reliance on such instruction, Officers' Certificate or Opinion of Counsel. The Trustee may consult at the Partnership's expense with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may execute any of the trusts or powers hereunder, perform any duties hereunder or otherwise act through agents or attorneys and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Partnership or any Subsidiary Guarantor shall be sufficient if signed by an Officer of the General Partner.

(f) The Trustee shall not be obligated to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document.

(g) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(h) The Trustee may request that the Partnership deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

Section 7.03 May Hold Debt Securities. The Trustee in its individual or any other capacity may become the owner or pledgee of Debt Securities and may make loans to, accept deposits from, perform services for and otherwise deal with the Partnership, any Subsidiary Guarantor or any of their respective Affiliates with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights and duties. However, the Trustee is subject to Sections 7.10 and 7.11.

Section 7.04 Trustee's Disclaimer. The Trustee makes no representation as to the validity or adequacy of this Indenture or the Debt Securities, it shall not be accountable for the Partnership's use of the proceeds from the Debt Securities or any money paid to the Partnership or any Subsidiary Guarantor or upon the Partnership's or such Subsidiary Guarantor's direction under any provision hereof, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee and it shall not be responsible for any statement or recital herein or any statement in the Debt Securities other than its certificate of authentication.

Section 7.05 Notice of Defaults. If a Default or Event of Default with respect to the Debt Securities of any series occurs and is continuing and it is known to the Trustee, the Trustee shall mail to Holders of Debt Securities of such series a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium (if any) and interest on and Additional Amounts or any sinking fund installment with respect to the Debt Securities of such series, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Holders of Debt Securities of such series.

Section 7.06 Reports by Trustee to Holders. Within 60 days after each September 15 of each year after the execution of this Indenture, the Trustee shall mail to Holders of a series, the Subsidiary Guarantors and the Partnership a brief report dated as of such reporting date that complies with TIA Section 313(a); provided, however, that if no event described in TIA Section 313(a) has occurred within the twelve months preceding the reporting date with respect to a series, no report need be transmitted to Holders of such series. The Trustee also shall comply with TIA Section 313(b). The Trustee shall also transmit by mail all reports if and as required by TIA Sections 313(c) and 313(d).

A copy of each report at the time of its mailing to Holders of a series of Debt Securities shall be filed by the Partnership or a Subsidiary Guarantor with the SEC and each securities exchange, if any, on which the Debt Securities of such series are listed. The Partnership shall notify the Trustee if and when any series of Debt Securities is listed on any securities exchange.

Section 7.07 Compensation and Indemnity. The Partnership agrees to pay to the Trustee for its acceptance of this Indenture and services hereunder such compensation as the Partnership and the Trustee shall from time to time agree in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Partnership agrees to reimburse the Trustee upon request for all reasonable disbursements, advances and expenses incurred by it. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Partnership hereby indemnifies the Trustee and any predecessor Trustee against any and all loss, liability, damage, claim or expense, including taxes (other than taxes based upon, measured by or determined by the income of the Trustee), incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, except as set forth in the next following paragraph. The Trustee shall notify the Partnership and the Subsidiary Guarantors promptly of any claim for which it may seek indemnity. The Partnership shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel and the Partnership shall pay the reasonable fees and expenses of such counsel. The Partnership need not pay for any settlement made without its consent.

The Partnership shall not be obligated to reimburse any expense or indemnify against any loss or liability incurred by the Trustee through the Trustee's negligence or bad faith.

To secure the payment obligations of the Partnership in this Section 7.07, the Trustee shall have a lien prior to the Debt Securities on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium (if any) and interest on and any Additional Amounts with respect to particular Debt Securities of any series. Such lien and the Partnership's obligations under this Section 7.07 shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(5) or (6) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.08 Replacement of Trustee. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

The Trustee may resign and be discharged at any time with respect to the Debt Securities of one or more series by so notifying the Partnership and the Subsidiary Guarantors. The Holders of a majority in principal amount of the then outstanding Debt Securities of any series may remove the Trustee with respect to the Debt Securities of such series by so notifying the Trustee, the Partnership and the Subsidiary Guarantors. The Partnership may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.10;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a Bankruptcy Custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, with respect to the Debt Securities of one or more series, the Partnership shall promptly appoint a successor Trustee or Trustees with respect to the Debt Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Debt Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Debt Securities of any particular series). Within one year after the successor Trustee with respect to the Debt Securities of any series takes office, the Holders of a majority in principal amount of the Debt Securities of such series then outstanding may appoint a successor Trustee to replace the successor Trustee appointed by the Partnership.

If a successor Trustee with respect to the Debt Securities of any series does not take office within 30 days after the retiring or removed Trustee resigns or is removed, the retiring or removed Trustee (at the expense of the Partnership), the Partnership, any Subsidiary Guarantor or the Holders of at least 10% in principal amount of the then outstanding Debt Securities of such series may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Debt Securities of such series.

If the Trustee with respect to the Debt Securities of a series fails to comply with Section 7.10, any Holder of Debt Securities of such series may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee with respect to the Debt Securities of such series.

In case of the appointment of a successor Trustee with respect to all Debt Securities, each such successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee, to the Partnership and to the Subsidiary Guarantors. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the retiring Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07.

In case of the appointment of a successor Trustee with respect to the Debt Securities of one or more (but not all) series, the Partnership, the Subsidiary Guarantors, the retiring Trustee and each successor Trustee with respect to the Debt Securities of one or more (but not all) series shall execute and deliver an indenture supplemental hereto in which each successor Trustee shall accept such appointment and that (1) shall confer to each successor Trustee all the rights, powers and duties of the retiring Trustee with respect to the Debt Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Debt Securities, shall confirm that all the rights, powers and duties of the retiring Trustee with respect to the Debt Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee. Nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust, and each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee. Upon the execution and delivery of such supplemental indenture, the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee shall have all the rights, powers and duties of the retiring Trustee with respect to the Debt Securities of that or those series to which the appointment of such successor Trustee relates. On request of the Partnership or any successor Trustee, such retiring Trustee shall transfer to such successor Trustee all property held by such retiring Trustee as Trustee with respect to the Debt Securities of that or those series to which the appointment of such successor Trustee relates. Such retiring Trustee shall, however, have the right to deduct its unpaid fees and expenses, including attorneys' fees.

Notwithstanding replacement of the Trustee or Trustees pursuant to this Section 7.08, the obligations of the Partnership under Section 7.07 shall continue for the benefit of the retiring Trustee or Trustees.

Section 7.09 Successor Trustee by Merger, etc. Subject to Section 7.10, if the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee; provided, however, that in the case of a transfer of all or substantially all of its corporate trust business to another corporation, the transferee corporation expressly assumes all of the Trustee's liabilities hereunder.

In case any Debt Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Debt Securities so authenticated; and in case at that time any of the Debt Securities shall not have been authenticated, any successor to the Trustee may authenticate such Debt Securities either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Debt Securities or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.10 Eligibility; Disqualification. There shall at all times be a Trustee hereunder which shall be a corporation or banking association organized and doing business under the laws of the United States, any State thereof or the District of Columbia and authorized under such laws to exercise corporate trust power, shall be subject to supervision or examination by federal or state (or the District of Columbia) authority and shall have, or be a subsidiary of a bank or bank holding company having, a combined capital and surplus of at least \$50 million as set forth in its most recent published annual report of condition.

The Indenture shall always have a Trustee who satisfies the requirements of TIA Sections 310(a)(1), 310(a)(2) and 310(a)(5). The Trustee is subject to and shall comply with the provisions of TIA Section 310(b) during the period of time required by this Indenture. Nothing in this Indenture shall prevent the Trustee from filing with the SEC the application referred to in the penultimate paragraph of TIA Section 310(b).

Section 7.11 Preferential Collection of Claims Against the Partnership or a Subsidiary Guarantor. The Trustee is subject to and shall comply with the provisions of TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b). A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated therein.

ARTICLE VIII.

DISCHARGE OF INDENTURE; DEFEASANCE

Section 8.01 Applicability of Article. The provisions of this Article VIII relating to either the satisfaction and discharge or the defeasance of Debt Securities shall be applicable to each series of Debt Securities except as otherwise specified pursuant to Section 2.01 for Debt Securities of such series.

Section 8.02 Satisfaction and Discharge of Indenture; Defeasance.

(a) If at any time the Partnership shall have delivered to the Trustee for cancellation all Debt Securities of any series theretofore authenticated and delivered (other than any Debt Securities of such series that shall have been destroyed, lost or stolen and which shall have been replaced or paid as provided in Section 2.09 and Debt Securities for whose payment money has theretofore been deposited in trust and thereafter repaid to the Partnership as provided in Section 8.05) or all Debt Securities of such series not theretofore delivered to the Trustee for cancellation shall have become due and payable, or are by their terms to become due and payable at their Stated Maturity within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption, and the Partnership shall deposit with the Trustee as trust funds the entire amount in the currency in which such Debt Securities are denominated (except as otherwise provided pursuant to Section 2.01) sufficient to pay at Stated Maturity or upon redemption all Debt Securities of such series not theretofore delivered to the Trustee for cancellation, including principal and premium, if any, and interest due or to become due on such date of Stated Maturity or Redemption Date, as the case may be, and if in either case the Partnership shall also pay or cause to be paid all other sums then due and payable hereunder by the Partnership with respect to the Debt Securities of such series, then this Indenture shall cease to be of further effect with respect to the Debt Securities of such series, and the Trustee, on demand of the Partnership accompanied by an Officers' Certificate and an Opinion of Counsel and at the cost and expense of the Partnership, shall execute proper instruments acknowledging satisfaction of and discharging this Indenture with respect to the Debt Securities of such series.

(b) Subject to Sections 8.02(c), 8.03 and 8.07, the Partnership at any time may terminate, with respect to Debt Securities of a particular series, all its obligations under the Debt Securities of such series and this Indenture with respect to the Debt Securities of such series ("legal defeasance option") or the operation of (x) any covenant made applicable to such Debt Securities pursuant to

Section 2.01, (y) Sections 6.01(4), (7) and (8) (except to the extent covenants or agreements referenced in Section 6.01(4) remain applicable) and (z) as they relate to the Subsidiary Guarantors only, Sections 6.01(5) and (6) (“covenant defeasance option”). If the Partnership exercises either its legal defeasance option or its covenant defeasance obligation, each Guarantee will terminate with respect to that series of Debt Securities and be automatically released and discharged and any security that may have been granted in respect of such series shall be automatically released. The Partnership may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. If the Partnership exercises its legal defeasance option, payment of the Debt Securities of the defeased series may not be accelerated because of an Event of Default. If the Partnership exercises its covenant defeasance option, payment of the Debt Securities of the defeased series may not be accelerated because of an Event of Default specified in Sections 6.01(4), (7) and (8) and, with respect to the Subsidiary Guarantors only, Sections 6.01(5) and (6) (except to the extent covenants or agreements referenced in Section 6.01(4) remain applicable). Upon satisfaction of the conditions set forth herein and upon request of the Partnership, the Trustee shall acknowledge in writing the discharge of those obligations that the Partnership terminates.

(c) Notwithstanding clauses (a) and (b) above, the Partnership’s obligations in Sections 2.05, 2.08, 2.09, 4.02, 4.07, 7.07, 8.05, 8.06 and 8.07 shall survive until the Debt Securities of the defeased series have been paid in full. Thereafter, the Partnership’s obligations in Sections 7.07, 8.05 and 8.06 shall survive.

Section 8.03 Conditions of Defeasance. The Partnership may exercise its legal defeasance option or its covenant defeasance option with respect to Debt Securities of a particular series only if:

(a) the Partnership irrevocably deposits in trust with the Trustee money, U.S. Government Obligations or a combination thereof for the payment of principal of, and premium, if any, and interest on, the Debt Securities of such series to Stated Maturity or redemption, as the case may be;

(b) the Partnership delivers to the Trustee a certificate from a nationally recognized firm of independent accountants expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations plus any deposited money without investment will provide cash at such times and in such amounts as will be sufficient to pay the principal, premium, if any, and interest when due on all the Debt Securities of such series to Stated Maturity or redemption, as the case may be;

(c) 91 days pass after the deposit is made and during the 91-day period no Default specified in Section 6.01(5) or (6) with respect to the Partnership occurs which is continuing at the end of the period;

(d) no Default has occurred and is continuing on the date of such deposit and after giving effect thereto;

(e) the deposit does not constitute a default under any other agreement binding on the Partnership;

(f) the Partnership delivers to the Trustee an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the Investment Company Act of 1940;

(g) in the event of the legal defeasance option, the Partnership shall have delivered to the Trustee an Opinion of Counsel stating that the Partnership has received from the Internal Revenue Service a ruling, or since the date of this Indenture there has been a change in the applicable Federal income

tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of Debt Securities of such series will not recognize income, gain or loss for Federal income tax purposes as a result of such defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(h) in the event of the covenant defeasance option, the Partnership shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of Debt Securities of such series will not recognize income, gain or loss for Federal income tax purposes as a result of such covenant defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred; and

(i) the Partnership delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Debt Securities of such series as contemplated by this Article VIII have been complied with.

Before or after a deposit, the Partnership may make arrangements satisfactory to the Trustee for the redemption of Debt Securities of such series at a future date in accordance with Article III.

Section 8.04 Application of Trust Money. Subject to Section 8.05, the Trustee shall hold in trust money or U.S. Government Obligations deposited with it pursuant to this Article VIII. It shall apply the deposited money and the money from U.S. Government Obligations through any paying agent and in accordance with this Indenture to the payment of principal of, and premium, if any, and interest on, the Debt Securities of the defeased series.

Section 8.05 Repayment to Partnership. The Trustee and any paying agent shall promptly turn over to the Partnership upon request any excess money or securities held by them at any time.

Subject to any applicable abandoned property law, the Trustee and any paying agent shall pay to the Partnership upon request any money held by them for the payment of principal, premium or interest that remains unclaimed for two years, and, thereafter, Holders entitled to such money must look to the Partnership for payment as general creditors.

Section 8.06 Indemnity for U.S. Government Obligations. The Partnership shall pay and shall indemnify the Trustee and the Holders against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

Section 8.07 Reinstatement. If the Trustee or any paying agent is unable to apply any money or U.S. Government Obligations in accordance with this Article VIII by reason of any legal proceeding or by reason of any order or judgment of any court or government authority enjoining, restraining or otherwise prohibiting such application, the Partnership's obligations under this Indenture and the Debt Securities of the defeased series shall be revived and reinstated as though no deposit had occurred pursuant to this Article VIII until such time as the Trustee or any paying agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article VIII.

ARTICLE IX.

SUPPLEMENTAL INDENTURES AND AMENDMENTS

Section 9.01 Without Consent of Holders. The Partnership, the Subsidiary Guarantors and the Trustee may amend or supplement this Indenture or the Debt Securities or waive any provision hereof or thereof without the consent of any Holder:

- (1) to cure any ambiguity, omission, defect or inconsistency;

(2) to comply with Section 5.01;

(3) to provide for uncertificated Debt Securities in addition to or in place of certificated Debt Securities, or to provide for the issuance of bearer Debt Securities (with or without coupons);

(4) to provide for the addition of any Subsidiary as a Subsidiary Guarantor, or to reflect the release of any Subsidiary Guarantor, in either case as provided in this Indenture;

(5) to provide any security for any series of Debt Securities or the related Guarantees;

(6) to comply with any requirement in order to effect or maintain the qualification of this Indenture under the TIA;

(7) to add to the covenants of the Partnership or any Subsidiary Guarantor for the benefit of the Holders of all or any series of Debt Securities (and if such covenants are to be for the benefit of less than all series of Debt Securities, stating that such covenants are expressly being included solely for the benefit of such series), or to surrender any right or power herein conferred upon the Partnership or any Subsidiary Guarantor;

(8) to add any additional Events of Default with respect to all or any series of the Debt Securities (and, if any Event of Default is applicable to less than all series of Debt Securities, specifying the series to which such Event of Default is applicable);

(9) to change or eliminate any of the provisions of this Indenture; provided that any such change or elimination shall become effective only when there is no outstanding Debt Security of any series created prior to the execution of such amendment or supplemental indenture that is adversely affected by such change in or elimination of such provision;

(10) to establish the form or terms of Debt Securities of any series as permitted by Section 2.01;

(11) to supplement any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the defeasance and discharge of any series of Debt Securities pursuant to Article VIII; provided, however, that any such action shall not adversely affect the rights of the Holders of Debt Securities of such series or any other series of Debt Securities in any material respect; or

(12) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Debt Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 7.08.

Upon the request of the Partnership, accompanied by a Board Resolution, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee shall, subject to Section 9.06, join with the Partnership and the Subsidiary Guarantors in the execution of any supplemental indenture authorized or permitted by the terms of this Indenture and make any further appropriate agreements and stipulations that may be therein contained.

Section 9.02 With Consent of Holders. Except as provided below in this Section 9.02, the Partnership, the Subsidiary Guarantors and the Trustee may amend or supplement this Indenture with the written consent (including consents obtained in connection with a tender offer or exchange offer for Debt Securities of any one or more series or all series or a solicitation of consents in respect of Debt Securities of any one or more series or all series, provided that in each case such offer or solicitation is made to all Holders of then outstanding Debt Securities of each such series (but the terms of such offer or solicitation may vary from series to series)) of the Holders of at least a majority in principal amount of the then outstanding Debt Securities of each series affected by such amendment or supplement.

Upon the request of the Partnership, accompanied by a Board Resolution, and upon the filing with the Trustee of evidence of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee shall, subject to Section 9.06, join with the Partnership and the Subsidiary Guarantors in the execution of such amendment or supplemental indenture. It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

The Holders of a majority in principal amount of the then outstanding Debt Securities of one or more series or of all series may waive compliance in a particular instance by the Partnership or any Subsidiary Guarantor with any provision of this Indenture with respect to Debt Securities of such series (including waivers obtained in connection with a tender offer or exchange offer for Debt Securities of such series or a solicitation of consents in respect of Debt Securities of such series, provided that in each case such offer or solicitation is made to all Holders of then outstanding Debt Securities of such series (but the terms of such offer or solicitation may vary from series to series)).

However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not:

- (1) reduce the percentage in principal amount of Debt Securities whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the rate of or extend the time for payment of interest, including default interest, on any Debt Security;
- (3) reduce the principal of, any premium on or any mandatory sinking fund payment with respect to, or change the Stated Maturity of, any Debt Security or reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 6.02;
- (4) reduce the premium, if any, payable upon the redemption of any Debt Security or change the time at which any Debt Security may or shall be redeemed;
- (5) change any obligation of the Partnership or any Subsidiary Guarantor to pay Additional Amounts with respect to any Debt Security;
- (6) change the coin or currency or currencies (including composite currencies) in which any Debt Security or any premium, interest or Additional Amounts with respect thereto are payable;
- (7) impair the right of any Holder to receive payment of principal of and premium, if any, and interest on or any Additional Amounts with respect to such Holder's Debt Securities or to institute suit for the enforcement of any payment of principal of, premium (if any) or interest on or any Additional Amounts with respect to such Holder's Debt Securities pursuant to Sections 6.07 and 6.08, except as limited by Section 6.06;

(8) make any change in the percentage of principal amount of Debt Securities necessary to waive compliance with certain provisions of this Indenture pursuant to Section 6.04 or 6.07 or make any change in this sentence of Section 9.02;

(9) waive a continuing Default or Event of Default in the payment of principal of, premium (if any) or interest on or Additional Amounts with respect to the Debt Securities;

(10) release any security that may have been granted in respect of any Debt Securities other than in accordance with this Indenture; or

(11) release the Guarantee of any Subsidiary Guarantor other than in accordance with this Indenture or modify the Guarantee in any manner adverse to the Holders.

A supplemental indenture that changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Debt Securities, or which modifies the rights of the Holders of Debt Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Debt Securities of any other series.

The right of any Holder to participate in any consent required or sought pursuant to any provision of this Indenture (and the obligation of the Partnership or any Subsidiary Guarantor to obtain any such consent otherwise required from such Holder) may be subject to the requirement that such Holder shall have been the Holder of record of any Debt Securities with respect to which such consent is required or sought as of a date identified by the Partnership or such Subsidiary Guarantor in a notice furnished to Holders in accordance with the terms of this Indenture.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Partnership shall mail to the Holders of each Debt Security affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Partnership to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or waiver.

Section 9.03 Compliance with Trust Indenture Act. Every amendment or supplement to this Indenture or the Debt Securities shall comply in form and substance with the TIA as then in effect.

Section 9.04 Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Debt Security or portion of a Debt Security that evidences the same debt as the consenting Holder's Debt Security, even if notation of the consent is not made on any Debt Security. However, any such Holder or subsequent Holder may revoke the consent as to his or her Debt Security or portion of a Debt Security if the Trustee receives written notice of revocation before a date and time therefor identified by the Partnership or any Subsidiary Guarantor in a notice furnished to such Holder in accordance with the terms of this Indenture or, if no such date and time shall be identified, the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Partnership or any Subsidiary Guarantor may, but shall not be obligated to, fix a record date (which need not comply with TIA Section 316(c)) for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver or to take any other action under this Indenture. If a record date is fixed, then notwithstanding the provisions of the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to consent to such amendment, supplement or waiver or to revoke any consent previously

given, whether or not such Persons continue to be Holders after such record date. No consent shall be valid or effective for more than 90 days after such record date unless consents from Holders of the principal amount of Debt Securities required hereunder for such amendment or waiver to be effective shall have also been given and not revoked within such 90-day period.

After an amendment, supplement or waiver becomes effective, it shall bind every Holder, unless it is of the type described in any of clauses (1) through (10) of Section 9.02 hereof. In such case, the amendment, supplement or waiver shall bind each Holder who has consented to it and every subsequent Holder that evidences the same debt as the consenting Holder's Debt Security.

Section 9.05 Notation on or Exchange of Debt Securities. If an amendment or supplement changes the terms of an outstanding Debt Security, the Partnership may require the Holder of the Debt Security to deliver it to the Trustee. The Trustee may place an appropriate notation on the Debt Security at the request of the Partnership regarding the changed terms and return it to the Holder. Alternatively, if the Partnership so determines, the Partnership in exchange for the Debt Security shall issue, and the Subsidiary Guarantors shall execute and the Trustee shall authenticate, a new Debt Security that reflects the changed terms. Failure to make the appropriate notation or to issue a new Debt Security shall not affect the validity of such amendment or supplement.

Debt Securities of any series authenticated and delivered after the execution of any amendment or supplement may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such amendment or supplement.

Section 9.06 Trustee to Sign Amendments, etc. The Trustee shall sign any amendment or supplement authorized pursuant to this Article if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may, but need not, sign it. In signing or refusing to sign such amendment or supplement, the Trustee shall be entitled to receive indemnity satisfactory to it, and, subject to Section 7.01 hereof, shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel provided at the expense of the Partnership or a Subsidiary Guarantor as conclusive evidence that such amendment or supplement is authorized or permitted by this Indenture, that it is not inconsistent herewith, and that it will be valid and binding upon the Partnership and the Subsidiary Guarantors in accordance with its terms.

ARTICLE X. GUARANTEE

Section 10.01 Guarantee.

(a) Notwithstanding any provision of this Article X to the contrary, the provisions of this Article X relating to the Subsidiary Guarantors shall be applicable only to, and inure solely to the benefit of, the Debt Securities of any series designated, pursuant to Section 2.01, as entitled to the benefits of the Guarantee of each of the Subsidiary Guarantors.

(b) For value received, each of the Subsidiary Guarantors hereby fully, unconditionally and absolutely guarantees (the "Guarantee") to the Holders and to the Trustee the due and punctual payment of the principal of, and premium, if any, and interest on the Debt Securities and all other amounts due and payable under this Indenture and the Debt Securities by the Partnership, when and as such principal, premium, if any, and interest shall become due and payable, whether at the Stated Maturity or by declaration of acceleration, call for redemption or otherwise, according to the terms of the Debt Securities and this Indenture, subject to the limitations set forth in Section 10.03.

(c) Failing payment when due of any amount guaranteed pursuant to the Guarantee, for whatever reason, each of the Subsidiary Guarantors will be jointly and severally obligated to pay the same immediately. The Guarantee hereunder is intended to be a general, unsecured, senior obligation of each of the Subsidiary Guarantors and will rank pari passu in right of payment with all Debt of such Subsidiary Guarantor that is not, by its terms, expressly subordinated in right of payment to the Guarantee. Each of the Subsidiary Guarantors hereby agrees that its obligations hereunder shall be full, unconditional and absolute, irrespective of the validity, regularity or enforceability of the Debt Securities, the Guarantee (including the Guarantee of any Subsidiary Guarantor) or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Debt Securities with respect to any provisions hereof or thereof, the recovery of any judgment against the Partnership or any Subsidiary Guarantor, or any action to enforce the same or any other circumstances which might otherwise constitute a legal or equitable discharge or defense of the Subsidiary Guarantors. Each of the Subsidiary Guarantors hereby agrees that in the event of a default in payment of the principal of, or premium, if any, or interest on the Debt Securities, whether at the Stated Maturity or by declaration of acceleration, call for redemption or otherwise, legal proceedings may be instituted by the Trustee on behalf of the Holders or, subject to Section 6.06, by the Holders, on the terms and conditions set forth in this Indenture, directly against such Subsidiary Guarantor to enforce the Guarantee without first proceeding against the Partnership or any other Subsidiary Guarantor.

(d) The obligations of each of the Subsidiary Guarantors under this Article X shall be as aforesaid full, unconditional and absolute and shall not be impaired, modified, released or limited by any occurrence or condition whatsoever, including, without limitation, (i) any compromise, settlement, release, waiver, renewal, extension, indulgence or modification of, or any change in, any of the obligations and liabilities of the Partnership or any of the Subsidiary Guarantors contained in the Debt Securities or this Indenture, (ii) any impairment, modification, release or limitation of the liability of the Partnership, any of the Subsidiary Guarantors or any of their estates in bankruptcy, or any remedy for the enforcement thereof, resulting from the operation of any present or future provision of any applicable Bankruptcy Law, as amended, or other statute or from the decision of any court, (iii) the assertion or exercise by the Partnership, any of the Subsidiary Guarantors or the Trustee of any rights or remedies under the Debt Securities or this Indenture or their delay in or failure to assert or exercise any such rights or remedies, (iv) the assignment or the purported assignment of any property as security for the Debt Securities, including all or any part of the rights of the Partnership or any of the Subsidiary Guarantors under this Indenture, (v) the extension of the time for payment by the Partnership or any of the Subsidiary Guarantors of any payments or other sums or any part thereof owing or payable under any of the terms and provisions of the Debt Securities or this Indenture or of the time for performance by the Partnership or any of the Subsidiary Guarantors of any other obligations under or arising out of any such terms and provisions or the extension or the renewal of any thereof, (vi) the modification or amendment (whether material or otherwise) of any duty, agreement or obligation of the Partnership or any of the Subsidiary Guarantors set forth in this Indenture, (vii) the voluntary or involuntary liquidation, dissolution, sale or other disposition of all or substantially all of the assets, marshaling of assets and liabilities, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization, arrangement, composition or readjustment of, or other similar proceeding affecting, the Partnership or any of the Subsidiary Guarantors or any of their respective assets, or the disaffirmance of the Debt Securities, the Guarantee or this Indenture in any such proceeding, (viii) the release or discharge of the Partnership or any of the Subsidiary Guarantors from the performance or observance of any agreement, covenant, term or condition contained in any of such instruments by operation of law, (ix) the unenforceability of the Debt Securities, the Guarantee or this Indenture or (x) any other circumstances (other than payment in full or discharge of all amounts guaranteed pursuant to the Guarantee) which might otherwise constitute a legal or equitable discharge of a surety or guarantor.

(e) Each of the Subsidiary Guarantors hereby (i) waives diligence, presentment, demand of payment, filing of claims with a court in the event of the merger, insolvency or bankruptcy of the Partnership or any of the Subsidiary Guarantors, and all demands whatsoever, (ii) acknowledges that any agreement, instrument or document evidencing the Guarantee may be transferred and that the benefit of its obligations hereunder shall extend to each holder of any agreement, instrument or document evidencing the Guarantee without notice to it and (iii) covenants that the Guarantee will not be discharged except by complete performance of the Guarantee. Each of the Subsidiary Guarantors further agrees that if at any time all or any part of any payment theretofore applied by any Person to the Guarantee is, or must be, rescinded or returned for any reason whatsoever, including without limitation, the insolvency, bankruptcy or reorganization of the Partnership or any of the Subsidiary Guarantors, the Guarantee shall, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence notwithstanding such application, and the Guarantee shall continue to be effective or be reinstated, as the case may be, as though such application had not been made.

(f) Each of the Subsidiary Guarantors shall be subrogated to all rights of the Holders and the Trustee against the Partnership in respect of any amounts paid by such Subsidiary Guarantor pursuant to the provisions of this Indenture, provided, however, that such Subsidiary Guarantor, shall not be entitled to enforce or to receive any payments arising out of, or based upon, such right of subrogation until all of the Debt Securities and the Guarantee shall have been paid in full or discharged.

Section 10.02 Execution and Delivery of Guarantee. To further evidence the Guarantee set forth in Section 10.01, each of the Subsidiary Guarantors hereby agrees that a notation relating to such Guarantee, substantially in the form attached hereto as Annex A, shall be endorsed on each Debt Security entitled to the benefits of the Guarantee authenticated and delivered by the Trustee and executed by either manual or facsimile signature of an Officer of each Subsidiary Guarantor. Each of the Subsidiary Guarantors hereby agrees that the Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding any failure to endorse on each Debt Security a notation relating to the Guarantee. If any Officer of any Subsidiary Guarantor whose signature is on this Indenture or a Debt Security no longer holds that office at the time the Trustee authenticates such Debt Security or at any time thereafter, the Guarantee of such Debt Security shall be valid nevertheless. The delivery of any Debt Security by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Subsidiary Guarantors.

The Trustee hereby accepts the trusts in this Indenture upon the terms and conditions herein set forth.

Section 10.03 Limitation on Liability of the Subsidiary Guarantors. Each Subsidiary Guarantor and by its acceptance hereof each Holder of a Debt Security entitled to the benefits of the Guarantee hereby confirm that it is the intention of all such parties that the guarantee by such Subsidiary Guarantor pursuant to its Guarantee not constitute a fraudulent transfer or conveyance for purposes of any federal or state law. To effectuate the foregoing intention, the Holders of a Debt Security entitled to the benefits of the Guarantee and the Subsidiary Guarantors hereby irrevocably agree that the obligations of each Subsidiary Guarantor under its Guarantee shall be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Subsidiary Guarantor and to any collections from or payments made by or on behalf of any other Subsidiary Guarantor in respect of the obligations of such other Subsidiary Guarantor under its Guarantee, result in the obligations of such Subsidiary Guarantor under the Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law.

Section 10.04 Release of Subsidiary Guarantors from Guarantee.

(a) Notwithstanding any other provisions of this Indenture, the Guarantee of any Subsidiary Guarantor may be released upon the terms and subject to the conditions set forth in this Section 10.04. Provided that no Default shall have occurred and shall be continuing under this Indenture, any Guarantee incurred by a Subsidiary Guarantor pursuant to this Article X shall be unconditionally

released and discharged automatically upon (i) any sale, exchange or transfer, whether by way of merger or otherwise, to any Person that is not an Affiliate of the Partnership, of all of the Partnership's direct or indirect equity interests in such Subsidiary Guarantor (provided such sale, exchange or transfer is not prohibited by this Indenture) or (ii) the merger of such Subsidiary Guarantor into the Partnership or any other Subsidiary Guarantor or the liquidation and dissolution of such Subsidiary Guarantor (in each case to the extent not prohibited by this Indenture).

(b) The Trustee shall deliver an appropriate instrument evidencing any release of a Subsidiary Guarantor from the Guarantee upon receipt of a written request of the Partnership accompanied by an Officers' Certificate and an Opinion of Counsel that the Subsidiary Guarantor is entitled to such release in accordance with the provisions of this Indenture. Any Subsidiary Guarantor not so released remains liable for the full amount of principal of (and premium, if any, on) and interest on the Debt Securities entitled to the benefits of such Guarantee as provided in this Indenture, subject to the limitations of Section 10.03.

Section 10.05 Contribution. In order to provide for just and equitable contribution among the Subsidiary Guarantors, the Subsidiary Guarantors hereby agree, inter se, that in the event any payment or distribution is made by any Subsidiary Guarantor (a "Funding Guarantor") under its Guarantee, such Funding Guarantor shall be entitled to a contribution from each other Subsidiary Guarantor (as applicable) in a pro rata amount based on the net assets of each Subsidiary Guarantor (including the Funding Guarantor) for all payments, damages and expenses incurred by that Funding Guarantor in discharging the Partnership's obligations with respect to the Debt Securities or any other Subsidiary Guarantor's obligations with respect to its Guarantee.

THIS FIRST SUPPLEMENTAL INDENTURE, dated as of December 14, 2022 (the “First Supplemental Indenture”), is between Energy Transfer LP, a Delaware limited partnership (the “Partnership”), and U.S. Bank Trust Company, National Association, a national banking association, as trustee (the “Trustee”).

WHEREAS, the Partnership and the Trustee have executed and delivered an Indenture, dated as of December 14, 2022 (the “Base Indenture” and, as supplemented by this First Supplemental Indenture, the “Indenture”), providing for the issuance by the Partnership from time to time of its debentures, notes, bonds or other evidences of indebtedness to be issued in one or more series unlimited as to principal amount (the “Debt Securities”), and the guarantee of the Debt Securities (a “Guarantee”) by one or more Subsidiary Guarantors;

WHEREAS, the Partnership has duly authorized and desires to cause to be established pursuant to the Base Indenture and this First Supplemental Indenture two new series of Debt Securities designated as follows: the “5.550% Senior Notes due 2028” (the “2028 Notes”) and the “5.750% Senior Notes due 2033” (the “2033 Notes” and, together with the 2028 Notes, the “Notes”);

WHEREAS, all things necessary have been done to make the Notes, when executed and delivered by the Partnership and authenticated and delivered by the Trustee hereunder and under the Base Indenture and duly issued by the Partnership, and when the Notes are duly issued by the Partnership, the valid obligations of the Partnership, and to make this First Supplemental Indenture a valid agreement of the Partnership enforceable in accordance with its terms.

NOW, THEREFORE, the Partnership and the Trustee hereby agree that the following provisions shall supplement the Base Indenture:

ARTICLE I DEFINITIONS

SECTION 1.1 *Generally.*

- (a) Capitalized terms used herein and not otherwise defined herein shall have the respective meanings ascribed thereto in the Base Indenture.
- (b) The rules of interpretation set forth in the Base Indenture shall be applied hereto as if set forth in full herein.

SECTION 1.2 *Definition of Certain Terms.*

For all purposes of this First Supplemental Indenture, except as otherwise expressly provided or unless the context otherwise requires, the following terms shall have the following respective meanings:

“2028 Notes Par Call Date” means January 15, 2028.

“2033 Notes Par Call Date” means November 15, 2032.

“Attributable Indebtedness,” when used with respect to any Sale-Leaseback Transaction (as defined in Section 5.2 hereof), means, as at the time of determination, the present value (discounted at the rate set forth or implicit in the terms of the lease included in such transaction) of the total obligations of the lessee for rental payments (other than amounts required to be paid on account of property taxes, maintenance, repairs, insurance, assessments, utilities, operating and labor costs and other items that do not constitute payments for property rights) during the remaining term of the lease included in such Sale-Leaseback Transaction (including any period for which such lease has been extended). In the case of any lease that is terminable by the lessee upon the payment of a penalty or other termination payment, such amount shall be the lesser of the amount determined assuming termination upon the first date such lease may be terminated (in which case the amount shall also include the amount of the penalty or termination payment, but no rent shall be considered as required to be paid under such lease subsequent to the first date upon which it may be so terminated) or the amount determined assuming no such termination.

“Consolidated Net Tangible Assets” means, at any date of determination, the total amount of assets of the Partnership and its consolidated Subsidiaries after deducting therefrom:

(1) all current liabilities (excluding (A) any current liabilities that by their terms are extendable or renewable at the option of the obligor thereon to a time more than twelve months after the time as of which the amount thereof is being computed, and (B) current maturities of long-term debt); and

(2) the value (net of any applicable reserves) of all goodwill, trade names, trademarks, patents and other like intangible assets, all as set forth, or on a pro forma basis would be set forth, on the consolidated balance sheet of the Partnership and its consolidated Subsidiaries for the Partnership’s most recently completed fiscal quarter for which financial statements have been filed with the SEC, prepared in accordance with generally accepted accounting principles.

“Credit Agreement” means the Amended and Restated Credit Agreement, dated as of April 11, 2022, among the Partnership, Wells Fargo Bank, National Association, as Administrative Agent, and the other agents and lenders party thereto, and as further amended, restated, refinanced, replaced or refunded from time to time.

“General Partner” means LE GP, LLC, a Delaware limited liability company, and its successors as general partner of the Partnership.

(2) easements, rights-of-way, restrictions and other similar encumbrances incurred in the ordinary course of business and encumbrances consisting of zoning restrictions, easements, licenses, restrictions on the use of real property or minor imperfections in title thereto and which do not in the aggregate materially adversely affect the value of the properties encumbered thereby or materially impair their use in the operation of the business of the Partnership and its Subsidiaries;

(3) rights reserved to or vested by any provision of law in any municipality or public authority to control or regulate any of the properties of the Partnership or any Subsidiary or the use thereof or the rights and interests of the Partnership or any Subsidiary therein, in any manner under any and all laws;

(13) any lien upon any property or assets created at the time of acquisition of such property or assets by the Partnership or any of its Subsidiaries or within one year after such time to secure all or a portion of the purchase price for such property or assets or debt incurred to finance such purchase price, whether such debt was incurred prior to, at the time of or within one year after the date of such acquisition;

(18) any lien resulting from the deposit of moneys or evidence of indebtedness in trust for the purpose of defeasing Indebtedness of the Partnership or any of its Subsidiaries.

“Person” means any individual, corporation, partnership, limited liability company, joint venture, incorporated or unincorporated association, joint-stock company, trust, unincorporated organization, government or any agency or political subdivision thereof or any other entity.

“Principal Property” means, whether owned or leased on the date hereof or thereafter acquired:

(1) any pipeline assets of the Partnership or any of its Subsidiaries, including any related facilities employed in the gathering, transportation, distribution, storage or marketing of natural gas, refined petroleum products, natural gas liquids and petrochemicals, that are located in the United States of America or any territory or political subdivision thereof; and

(b) any such assets which, in the opinion of the board of directors of the General Partner are not material in relation to the activities of the Partnership and its Subsidiaries taken as a whole.

“Restricted Subsidiary” means any Subsidiary owning or leasing, directly or indirectly through ownership in another Subsidiary, any Principal Property.

“Subsidiary Guarantor” means each Subsidiary of the Partnership that guarantees the Notes pursuant to the terms of the Indenture but only so long as such Subsidiary is a guarantor with respect to the Notes on the terms provided for in the Indenture.

“Treasury Rate” means, with respect to any Redemption Date with respect to either series of the Notes, the yield determined by the Partnership in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Partnership after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third business day preceding the notice of the Redemption Date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily)—H.15” (or any successor designation or publication) (“H.15”) under the caption “U.S. government securities—Treasury constant maturities—Nominal” (or any successor caption or heading) (“H.15 TCM”). In determining the Treasury Rate, the Partnership shall select, as applicable: (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period (the “Remaining Life”) from the Redemption Date to the 2028 Notes Par Call Date (in the case of the 2028 Notes) or the 2033 Notes Par Call Date (in the case of the 2033 Notes); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields – one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life – and shall interpolate to the 2028 Notes Par Call Date (in the case of the 2028 Notes) or the 2033 Notes Par

Call Date (in the case of the 2033 Notes) on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the Redemption Date.

If on the third business day preceding the notice of the Redemption Date, H.15 TCM or any successor designation or publication is no longer published, the Partnership shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second business day preceding the notice of such Redemption Date of the United States Treasury security maturing on, or with a maturity that is closest to, the 2028 Notes Par Call Date (in the case of the 2028 Notes) or the 2033 Notes Par Call Date (in the case of the 2033 Notes), as applicable. If there is no United States Treasury security maturing on the 2028 Notes Par Call Date (in the case of the 2028 Notes) or the 2033 Notes Par Call Date (in the case of the 2033 Notes) but there are two or more United States Treasury securities with a maturity date equally distant from the 2028 Notes Par Call Date (in the case of the 2028 Notes) or the 2033 Notes Par Call Date (in the case of the 2033 Notes), one with a maturity date preceding the 2028 Notes Par Call Date (in the case of the 2028 Notes) or the 2033 Notes Par Call Date (in the case of the 2033 Notes) and one with a maturity date following the 2028 Notes Par Call Date (in the case of the 2028 Notes) or the 2033 Notes Par Call Date (in the case of the 2033 Notes), the Partnership shall select the United States Treasury security with a maturity date preceding the 2028 Notes Par Call Date (in the case of the 2028 Notes) or the 2033 Notes Par Call Date (in the case of the 2033 Notes). If there are two or more United States Treasury securities maturing on the 2028 Notes Par Call Date (in the case of the 2028 Notes) or the 2033 Notes Par Call Date (in the case of the 2033 Notes) or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Partnership shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

ARTICLE II GENERAL TERMS OF THE NOTES

SECTION 2.1 *Form.*

The 2028 Notes and the 2033 Notes and the Trustee's certificates of authentication shall be substantially in the form of Exhibit A-1 and Exhibit A-2, respectively, to this First Supplemental Indenture, which are hereby incorporated into this First Supplemental Indenture. The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this First Supplemental Indenture and, to the extent applicable, the Partnership and the Trustee, by their execution and delivery of this First Supplemental Indenture, expressly agree to such terms and provisions and to be bound thereby.

Each series of the Notes shall be issued upon original issuance in whole in the form of one or more Global Securities (the “Book-Entry Notes”). Each Book-Entry Note shall represent such of the outstanding Notes as shall be specified therein and shall provide that it shall represent the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions.

The Partnership initially appoints The Depository Trust Company to act as Depository with respect to the Book-Entry Notes.

SECTION 2.2 Title, Amount and Payment of Principal and Interest.

(a) The 2028 Notes shall be entitled the “5.550% Senior Notes due 2028”. The Trustee shall authenticate and deliver (i) the 2028 Notes for original issue on the date hereof (the “Original 2028 Notes”) in the aggregate principal amount of \$1,000,000,000, and (ii) additional 2028 Notes for original issue from time to time after the date hereof in such principal amounts as may be specified in a Partnership Order described in this sentence, in each case upon a Partnership Order for the authentication and delivery thereof and satisfaction of the other provisions of Section 2.04 of the Base Indenture. Such Partnership Order shall specify the amount of the 2028 Notes to be authenticated, the date on which the original issue of 2028 Notes is to be authenticated, and the name or names of the initial Holder or Holders. The aggregate principal amount of 2028 Notes that may be outstanding at any time may not exceed \$1,000,000,000 plus such additional principal amounts as may be issued and authenticated pursuant to clause (ii) of this paragraph (except as provided in Section 2.09 of the Base Indenture). The Original 2028 Notes and any additional 2028 Notes issued and authenticated pursuant to clause (ii) of this paragraph shall constitute a single series of Debt Securities for all purposes under the Indenture.

The principal amount of each 2028 Note shall be payable on February 15, 2028. Each 2028 Note shall bear interest from the date of original issuance, or the most recent date to which interest has been paid, at the fixed rate of 5.550% per annum. The dates on which interest on the 2028 Notes shall be payable shall be February 15 and August 15 of each year (the “2028 Notes Interest Payment Dates”), commencing August 15, 2023. The regular record date for interest payable on the 2028 Notes on any 2028 Notes Interest Payment Date shall be February 1 or August 1, as the case may be, next preceding such 2028 Notes Interest Payment Date.

Payments of principal of, premium, if any, on, and interest due on the 2028 Notes representing Book-Entry Notes on any 2028 Notes Interest Payment Date or at maturity will be made available to the Trustee by 10:00 a.m., New York City time, on such date, unless such date falls on a day that is not a Business Day, in which case (x) such payments will be made available to the Trustee by 10:00 a.m., New York City time, on the next Business Day, and (y) for so long as clause (x) is satisfied, no interest shall accrue on the amount of interest due on such 2028 Notes Interest Payment Date for the period from and after such 2028 Notes Interest Payment Date and the date of payment. As soon as possible thereafter, the Trustee will make such payments to the Depository.

(b) The 2033 Notes shall be entitled the “5.750% Senior Notes due 2033”. The Trustee shall authenticate and deliver (i) the 2033 Notes for original issue on the date hereof (the “Original 2033 Notes”) in the aggregate principal amount of \$1,500,000,000, and (ii) additional 2033 Notes for original issue from time to time after the date hereof in such principal amounts as may be specified in a Partnership Order described in this sentence, in each case upon a Partnership Order for the authentication and delivery thereof and satisfaction of the other provisions of Section 2.04 of the Base Indenture. Such Partnership Order shall specify the amount of the 2033 Notes to be authenticated, the date on which the original issue of 2033 Notes is to be authenticated, and the name or names of the initial Holder or Holders. The aggregate principal amount of 2033 Notes that may be outstanding at any time may not exceed \$1,500,000,000 plus such additional principal amounts as may be issued and authenticated pursuant to clause (ii) of this paragraph (except as provided in Section 2.09 of the Base Indenture). The Original 2033 Notes and any additional 2033 Notes issued and authenticated pursuant to clause (ii) of this paragraph shall constitute a single series of Debt Securities for all purposes under the Indenture.

The principal amount of each 2033 Note shall be payable on February 15, 2033. Each 2033 Note shall bear interest from the date of original issuance, or the most recent date to which interest has been paid, at the fixed rate of 5.750% per annum. The dates on which interest on the 2033 Notes shall be payable shall be February 15 and August 15 of each year (the “2033 Notes Interest Payment Dates”), commencing August 15, 2023. The regular record date for interest payable on the 2033 Notes on any 2033 Notes Interest Payment Date shall be February 1 or August 1, as the case may be, next preceding such 2033 Notes Interest Payment Date.

Payments of principal of, premium, if any, on, and interest due on the 2033 Notes representing Book-Entry Notes on any 2033 Notes Interest Payment Date or at maturity will be made available to the Trustee by 10:00 a.m., New York City time, on such date, unless such date falls on a day that is not a Business Day, in which case (x) such payments will be made available to the Trustee by 10:00 a.m., New York City time, on the next Business Day, and (y) for so long as clause (x) is satisfied, no interest shall accrue on the amount of interest due on such 2033 Notes Interest Payment Date for the period from and after such 2033 Notes Interest Payment Date and the date of payment. As soon as possible thereafter, the Trustee will make such payments to the Depository.

SECTION 2.3 *Transfer and Exchange.*

The transfer and exchange of Book-Entry Notes or beneficial interests therein shall be effected through the Depository, in accordance with Section 2.17 of the Base Indenture and Article II of this First Supplemental Indenture (including the restrictions on transfer set forth therein and herein) and the rules and procedures of the Depository therefor, which shall include restrictions on transfer comparable to those set forth therein and herein to the extent required by the Securities Act of 1933, as amended.

**ARTICLE III
GUARANTY; FUTURE SUBSIDIARY GUARANTEES**

SECTION 3.1 *Guarantee.*

In accordance with Article X of the Base Indenture, the Notes may be fully, unconditionally and absolutely guaranteed on an unsecured, unsubordinated basis by one or more Subsidiary Guarantors; *provided, however* that initially (on the date of this First Supplemental Indenture), there will not be any Subsidiary Guarantors and the Notes will not be guaranteed by any Person.

SECTION 3.2 *Future Subsidiary Guarantors.*

If any Subsidiary of the Partnership that is not then a Subsidiary Guarantor, guarantees, becomes a co-obligor with respect to or otherwise provides direct credit support for any obligations of the Partnership or any of its other Subsidiaries under the Credit Agreement, then the Partnership shall cause such Subsidiary to promptly execute and deliver to the Trustee a supplemental indenture in substantially the form attached hereto as Exhibit B, pursuant to which such Subsidiary guarantees the Partnership's obligations with respect to the Notes on the terms provided for in this Indenture.

SECTION 3.3 *Release of Guarantees.*

In addition to the provisions of Section 10.04(a) of the Base Indenture, if no Default shall have occurred and shall be continuing under the Indenture, and to the extent not otherwise prohibited by the Indenture, any Guarantee incurred by a Subsidiary Guarantor shall be unconditionally released and discharged following delivery of a written notice by the Partnership to the Trustee, upon the release of all guarantees or other obligations of such Subsidiary Guarantor with respect to the obligations of the Partnership or any of its Subsidiaries under the Credit Agreement.

**ARTICLE IV
REDEMPTION**

SECTION 4.1 *Optional Redemption of 2028 Notes.*

(a) Prior to the 2028 Notes Par Call Date, the Partnership may redeem the 2028 Notes, in each case at its option, in whole or in part, at any time and from time to time, at a Redemption Price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of:

(i) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (assuming the 2028 Notes matured on the 2028 Notes Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 30 basis points less (b) interest accrued to the date of redemption, and

(ii) 100% of the principal amount of the 2028 Notes to be redeemed,

plus, in either case, accrued and unpaid interest thereon to the Redemption Date.

(b) On or after the 2028 Notes Par Call Date, the Partnership may redeem the 2028 Notes, in whole or in part, at any time and from time to time, at a Redemption Price equal to 100% of the principal amount of the 2028 Notes being redeemed plus accrued and unpaid interest thereon to the Redemption Date.

SECTION 4.2 Optional Redemption of 2033 Notes.

(a) Prior to the 2033 Notes Par Call Date, the Partnership may redeem the 2033 Notes, in each case at its option, in whole or in part, at any time and from time to time, at a Redemption Price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of:

(i) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (assuming the 2033 Notes matured on the 2033 Notes Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 35 basis points less (b) interest accrued to the date of redemption, and

(ii) 100% of the principal amount of the 2033 Notes to be redeemed,

plus, in either case, accrued and unpaid interest thereon to the Redemption Date.

(b) On or after the 2033 Notes Par Call Date, the Partnership may redeem the 2033 Notes, in whole or in part, at any time and from time to time, at a Redemption Price equal to 100% of the principal amount of the 2033 Notes being redeemed plus accrued and unpaid interest thereon to the Redemption Date.

SECTION 4.3 Optional Redemption Generally.

The actual Redemption Price, determined as provided in Sections 4.1 and 4.2 shall be calculated and certified to the Trustee by the Partnership. The Partnership's actions and determinations in determining the redemption price shall be conclusive and binding for all purposes, absent manifest error.

SECTION 4.4 No Sinking Fund; Mandatory Redemption.

The Partnership is not required to make any mandatory redemption, mandatory repurchase or sinking fund payments with respect to the Notes or to repurchase the Notes at the option of Holders.

ARTICLE V
ADDITIONAL COVENANTS

In addition to the covenants set forth in the Base Indenture, the Notes shall be entitled to the benefit of the following covenants:

SECTION 5.1 *Limitations on Liens.*

The Partnership shall not, nor shall it permit any of its Subsidiaries to, create, assume, incur or suffer to exist any mortgage, lien, security interest, pledge, charge or other encumbrance (“liens”) upon any Principal Property or upon any capital stock of any Restricted Subsidiary, whether owned on the date hereof or thereafter acquired, to secure any Indebtedness of the Partnership or any other Person (other than the Notes), without in any such case making effective provisions whereby all of the outstanding Notes are secured equally and ratably with, or prior to, such Indebtedness so long as such Indebtedness is so secured.

Notwithstanding the foregoing, the Partnership may, and may permit any of its Subsidiaries to, create, assume, incur, or suffer to exist without securing the Notes (a) any Permitted Lien, (b) any lien upon any Principal Property or capital stock of a Restricted Subsidiary to secure Indebtedness of the Partnership or any other Person, provided that the aggregate principal amount of all Indebtedness then outstanding secured by such lien and all similar liens under this clause (b), together with all Attributable Indebtedness from Sale-Leaseback Transactions (excluding Sale-Leaseback Transactions permitted by clauses (1) through (4), inclusive, of Section 5.2(a) hereof), does not exceed 10% of Consolidated Net Tangible Assets or (c) any lien upon (i) any Principal Property that was not owned by the Partnership or any of its Subsidiaries on the date hereof or (ii) the capital stock of any Restricted Subsidiary that owns no Principal Property that was owned by the Partnership or any of its Subsidiaries on the date hereof, in each case owned by a Subsidiary of the Partnership (an “Excluded Subsidiary”) that (A) is not, and is not required to be, a Subsidiary Guarantor and (B) has not granted any liens on any of its property securing Indebtedness with recourse to the Partnership or any Subsidiary of the Partnership other than such Excluded Subsidiary or any other Excluded Subsidiary.

SECTION 5.2 *Restriction on Sale-Leasebacks.*

(a) The Partnership shall not, and shall not permit any Subsidiary to, engage in the sale or transfer by the Partnership or any of its Subsidiaries of any Principal Property to a Person (other than the Partnership or a Subsidiary) and the taking back by the Partnership or its Subsidiary, as the case may be, of a lease of such Principal Property (a “Sale-Leaseback Transaction”), unless:

(1) such Sale-Leaseback Transaction occurs within one year from the date of completion of the acquisition of the Principal Property subject thereto or the date of the completion of construction, development or substantial repair or improvement, or commencement of full operations on such Principal Property, whichever is later;

(2) the Sale-Leaseback Transaction involves a lease for a period, including renewals, of not more than three years;

(3) the Partnership or such Subsidiary would be entitled to incur Indebtedness secured by a lien on the Principal Property subject thereto in a principal amount equal to or exceeding the Attributable Indebtedness from such Sale-Leaseback Transaction without equally and ratably securing the Notes; or

(4) the Partnership or such Subsidiary, within a one-year period after such Sale-Leaseback Transaction, applies or causes to be applied an amount not less than the Attributable Indebtedness from such Sale-Leaseback Transaction to (a) the prepayment, repayment, redemption, reduction or retirement of any Indebtedness of the Partnership or any of its Subsidiaries that is not subordinated to the Notes or any Guarantee, or (b) the expenditure or expenditures for Principal Property used or to be used in the ordinary course of business of Partnership or its Subsidiaries.

(b) Notwithstanding Section 5.2(a) hereof, the Partnership may, and may permit any Subsidiary to, effect any Sale-Leaseback Transaction that is not excepted by clauses (1) through (4), inclusive, of Section 5.2(a) hereof provided that the Attributable Indebtedness from such Sale-Leaseback Transaction, together with the aggregate principal amount of outstanding Indebtedness (other than the Notes) secured by liens other than Permitted Liens upon Principal Properties, does not exceed 10% of Consolidated Net Tangible Assets.

ARTICLE VI EVENTS OF DEFAULT

SECTION 6.1 Additional Event of Default.

In addition to the Events of Default specified in Section 6.01 of the Base Indenture, the following shall be an Event of Default with respect to each series of the Notes: any Indebtedness of the Partnership or any Subsidiary Guarantor is not paid within any applicable grace period after final maturity or is accelerated by the holders thereof because of a default and the total amount of such Indebtedness unpaid or accelerated exceeds \$25,000,000.

ARTICLE VII AMENDMENTS

SECTION 7.1 Amendments without Consent of Holders.

Clause (12) of Section 9.01 of the Base Indenture is hereby amended so as to be renumbered as new clause (13), the “or” at the end of Clause (11) of Section 9.01 of the Base Indenture is hereby deleted, and new clause (12) is hereby added sequentially as follows:

SECTION 7.2 *Notice of Redemption.*

The first paragraph of Section 3.04 of the Base Indenture shall be amended and restated in its entirety to read as follows:

SECTION 7.3 *Notices.*

Section 11.02 of the Base Indenture is hereby amended to add the following sentence as the last paragraph of Section 11.02 of the Base Indenture:

“Where this Indenture provides for notice or other communication with respect to any event to a Holder of a Global Security, such notice or other communication shall be sufficiently given if given to the Depository for such Global Security (or its designee), pursuant to its applicable procedures of the Depository, not later than the latest day (if any), and not earlier than the earliest date (if any), prescribed for the giving of such notice or other communication.”

5.550% Senior Notes due 2028

This Security is one of a duly authorized issue of debentures, notes or other evidences of indebtedness of the Partnership (the "Debt Securities") of the series hereinafter specified, all issued or to be issued under and pursuant to the Indenture, to which Indenture reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Partnership and the Holders of the Debt Securities. The Debt Securities may be issued in one or more series, which different series may be issued in various aggregate principal amounts, may mature at different times, may bear interest (if any) at different rates, may be subject to different sinking, purchase or analogous funds (if any) and may otherwise vary as provided in the Indenture. This Security is one of a series designated as the 5.550% Senior Notes due 2028 of the Partnership, in an initial aggregate principal amount of \$1,000,000,000 (the "Securities").

1. Interest.

The Partnership promises to pay interest on the principal amount of this Security at the rate of 5.550% per annum.

The Partnership will pay interest semi-annually on February 15 and August 15 of each year (each such date, an "Interest Payment Date"), commencing August 15, 2023. Interest on the Securities will accrue from the most recent date to which interest has been paid, or, if no interest has been paid on the Securities, from December 14, 2022. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months. The Partnership shall pay interest (including post-petition interest in any proceeding under any applicable bankruptcy laws) on overdue installments of interest (without regard to any applicable grace period) and on overdue principal and premium, if any, from time to time on demand at the same rate per annum, in each case to the extent lawful.

2. Method of Payment.

The Partnership shall pay interest on the Securities (except Defaulted Interest) to the persons who are the registered Holders at the close of business on the Regular Record Date immediately preceding the Interest Payment Date. Any such interest not so punctually paid or duly provided for ("Defaulted Interest") may be paid to the persons who are registered Holders at the close of business on a special record date for the payment of such Defaulted Interest, or in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may then be listed if such manner of payment shall be deemed practicable by the Trustee, as more fully provided in the Indenture. The Partnership shall pay principal, premium, if any, and interest in such coin or currency of the United States of America as at the time of payment shall be legal tender for payment of public and private debts. Payments in respect of a Global Security (including principal, premium, if any, and interest) will be made by wire transfer of immediately available funds to the accounts specified by the Depositary. Payments in respect of Securities in definitive form (including principal, premium, if any, and interest) will be made at the office or agency of the Partnership maintained for such purpose within The City of New York, which initially will be at the corporate trust office of the Trustee located at 100 Wall Street, Suite

1600, New York, New York 10005, Mail Station: EX-NY-WALL, or, at the option of the Partnership, payment of interest may be made by check mailed to the Holders on the relevant record date at their addresses set forth in the register of Holders maintained by the Registrar or at the option of the Holder, payment of interest on Securities in definitive form will be made by wire transfer of immediately available funds to any account maintained in the United States, provided such Holder has requested such method of payment and provided timely wire transfer instructions to the Paying Agent. The Holder must surrender this Security to a Paying Agent to collect payment of principal.

3. *Paying Agent and Registrar.*

Initially, U.S. Bank Trust Company, National Association will act as Paying Agent and Registrar. The Partnership may change any Paying Agent or Registrar at any time upon notice to the Trustee and the Holders. The Partnership may act as Paying Agent.

4. *Indenture.*

This Security is one of a duly authorized issue of Debt Securities of the Partnership issued and to be issued in one or more series under the Indenture.

Capitalized terms herein are used as defined in the Indenture unless otherwise defined herein. The terms of the Securities include those stated in the Base Indenture, those made part of the Indenture by reference to the TIA, as in effect on the date of the Base Indenture, and those terms stated in the First Supplemental Indenture. The Securities are subject to all such terms, and Holders of Securities are referred to the Base Indenture, the First Supplemental Indenture and the TIA for a statement of them. The Securities of this series are general unsecured obligations of the Partnership limited to an initial aggregate principal amount of \$1,000,000,000; *provided, however*, that the authorized aggregate principal amount of such series may be increased from time to time as provided in the First Supplemental Indenture.

5. *Optional Redemption.*

(a) Prior to the 2028 Notes Par Call Date, the Partnership may redeem the 2028 Notes at its option, in whole or in part, at any time and from time to time, at a Redemption Price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of:

(i) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (assuming the 2028 Notes matured on the 2028 Notes Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 30 basis points less (b) interest accrued to the date of redemption, and

(ii) 100% of the principal amount of the 2028 Notes to be redeemed,

plus, in either case, accrued and unpaid interest thereon to the Redemption Date.

(b) On or after the 2028 Notes Par Call Date, the Partnership may redeem the 2028 Notes, in whole or in part, at any time and from time to time, at a Redemption Price equal to 100% of the principal amount of the 2028 Notes being redeemed plus accrued and unpaid interest thereon to the Redemption Date.

(c) The actual Redemption Price, calculated as provided above, shall be calculated and certified to the Trustee by the Partnership. The Partnership's actions and determinations in determining the redemption price shall be conclusive and binding for all purposes, absent manifest error.

6. No Sinking Fund; Mandatory Redemption.

The Partnership is not required to make any mandatory redemption, mandatory repurchase or sinking fund payments with respect to the Securities or to repurchase the Securities at the option of Holders.

7. Denominations; Transfer; Exchange.

The Securities are to be issued in registered form, without coupons, in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. A Holder may register the transfer of, or exchange, Securities in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture.

8. Person Deemed Owners.

The registered Holder of a Security may be treated as the owner of it for all purposes.

9. Amendment; Supplement; Waiver.

Subject to certain exceptions, the Indenture may be amended or supplemented, and any existing Event of Default or compliance with any provision may be waived, with the consent of the Holders of a majority in principal amount of the then outstanding notes of the affected series. Without consent of any Holder of a Security, the parties thereto may amend or supplement the Indenture to, among other things, cure any ambiguity or omission, to correct any defect or inconsistency, or to make any other change that does not adversely affect the rights of any Holder of a Security. Any such consent or waiver by the Holder of this Security (unless revoked as provided in the Indenture) shall be conclusive and binding upon such Holder and upon all future Holders and owners of this Security and any Securities which may be issued in exchange or substitution herefor, regardless of whether any notation thereof is made upon this Security or such other Securities.

10. Defaults and Remedies.

Certain events of bankruptcy or insolvency are Events of Default that will result in the principal amount of the Securities, together with premium, if any, and accrued and unpaid interest thereon, becoming due and payable immediately upon the occurrence of such Events of Default. If any other Event of Default with respect to the Securities occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in aggregate principal amount of the Securities then outstanding may declare the principal amount of all the Securities, together with premium, if any, and accrued and unpaid interest thereon, to be due and payable immediately in

the manner and with the effect provided in the Indenture. Notwithstanding the preceding sentence, however, if at any time after such a declaration of acceleration has been made, the Holders of a majority in principal amount of the outstanding Securities, by written notice to the Trustee, may rescind such declaration and annul its consequences if the rescission would not conflict with any judgment or decree of a court of competent jurisdiction and if all existing Events of Default with respect to the Securities, other than the nonpayment of the principal, premium, if any, or interest which has become due solely by such declaration acceleration, shall have been cured or shall have been waived. No such rescission shall affect any subsequent default or shall impair any right consequent thereon. Holders of Securities may not enforce the Indenture or the Securities except as provided in the Indenture. The Trustee may require indemnity or security satisfactory to it before it enforces the Indenture or the Securities. Subject to certain limitations, Holders of a majority in aggregate principal amount of the Securities then outstanding may direct the Trustee in its exercise of any trust or power.

11. *Trustee Dealings with Partnership.*

The Trustee under the Indenture, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Partnership or its Affiliates, and may otherwise deal with the Partnership or its Affiliates as if it were not the Trustee.

12. *Authentication.*

This Security shall not be valid until the Trustee signs the certificate of authentication on the other side of this Security.

13. *Abbreviations and Defined Terms.*

Customary abbreviations may be used in the name of a Holder of a Security or an assignee, such as: TEN COM (tenant in common), TEN ENT (tenants by the entireties), JT TEN (joint tenants with right of survivorship and not as tenants in common), CUST (Custodian), and U/G/M/A (Uniform Gifts to Minors Act).

14. *CUSIP Numbers.*

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Partnership has caused CUSIP numbers to be printed on the Securities as a convenience to the Holders of the Securities. No representation is made as to the accuracy of such number as printed on the Securities and reliance may be placed only on the other identification numbers printed hereon.

15. *Absolute Obligation.*

No reference herein to the Indenture and no provision of this Security or the Indenture shall alter or impair the obligation of the Partnership, which is absolute and unconditional, to pay the principal of, premium, if any, and interest on this Security in the manner, at the respective times, at the rate and in the coin or currency herein prescribed.

16. *No Recourse.*

No director, officer, employee, limited partner or member, as such, of the Partnership or the General Partner shall have any personal liability in respect of the obligations of the Partnership under the Securities or the Indenture by reason of his, her or its status. Each Holder, by accepting the Securities, waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Securities.

17. *Governing Law.*

This Security shall be construed in accordance with and governed by the laws of the State of New York.

18. *Guarantee.*

Under certain circumstances set forth in the First Supplemental Indenture one or more Subsidiaries of the Partnership may be required to Guarantee the Securities as set forth in Article X of the Base Indenture.

Re: Registration Statement No. 333-256668

To the addressee set forth above:

We have acted as special counsel to Energy Transfer LP, a Delaware limited partnership (the "**Partnership**"), in connection with the issuance by the Partnership of \$1,000,000,000 aggregate principal amount of its 5.550% Senior Notes due 2028 (the "**2028 Notes**") and \$1,500,000,000 aggregate principal amount of its 5.750% Senior Notes due 2033 (together with the 2028 Notes, the "**Notes**"), under the Base Indenture dated as of December 14, 2022 (the "**Base Indenture**"), by and between the Partnership and U.S. Bank Trust Company, National Association, as trustee (the "**Trustee**"), as supplemented by the First Supplemental Indenture, dated as of December 14, 2022, setting forth the terms of the Notes (the "**Supplemental Indenture**" and, the Base Indenture as so supplemented, the "**Indenture**"), and pursuant to a registration statement on Form S-3 under the Securities Act of 1933, as amended (the "**Act**"), filed with the Securities and Exchange Commission (the "**Commission**") on June 1, 2021 (Registration No. 333-256668) (the "**Registration Statement**"). This opinion is being furnished in connection with the requirements of Item 601(b)(5) of Regulation S-K under the Act, and no opinion is expressed herein as to any matter pertaining to the contents of the Registration Statement or related prospectus, other than as expressly stated herein with respect to the issuance of the Notes.

As such counsel, we have examined such matters of fact and questions of law as we have considered appropriate for purposes of this letter. With your consent, we have relied upon certificates and other assurances of officers of the general partner of the Partnership and others as to factual matters without having independently verified such factual matters. We are opining herein as to the internal laws of the State of New York and the Delaware Revised Uniform Limited Partnership Act, and we express no opinion with respect to the applicability thereto, or the effect thereon, of the laws of any other jurisdiction or, in the case of Delaware, any other laws, or as to any matters of municipal law or the laws of any local agencies within any state.

Subject to the foregoing and the other matters set forth herein, it is our opinion that, as of the date hereof, when the Notes have been duly executed, issued, and authenticated in accordance with the terms of the Indenture and delivered against payment therefor in the circumstances contemplated by the underwriting agreement, dated December 5, 2022, among the Partnership and Barclays Capital Inc., BofA Securities, Inc., Deutsche Bank Securities Inc. and Wells Fargo Securities, LLC, as representatives of the several underwriters named therein, the Notes will have been duly authorized by all necessary limited partnership action of the Partnership, and will be legally valid and binding obligations of the Partnership, enforceable against the Partnership in accordance with their terms.

Our opinion is subject to:

- (a) the effects of bankruptcy, insolvency, reorganization, preference, fraudulent transfer, moratorium or other similar laws relating to or affecting the rights and remedies of creditors;
- (b) the effects of general principles of equity, whether considered in a proceeding in equity or at law (including the possible unavailability of specific performance or injunctive relief), concepts of materiality, reasonableness, good faith, fair dealing and the discretion of the court before which a proceeding is brought;
- (c) the invalidity under certain circumstances under law or court decisions of provisions for the indemnification of or contribution to a party with respect to a liability where such indemnification or contribution is contrary to public policy; and
- (d) we express no opinion with respect to (i) consents to, or restrictions upon, governing law, jurisdiction, venue, service of process, arbitration, remedies or judicial relief; (ii) advance waivers of claims, defenses, rights granted by law, or notice, opportunity for hearing, evidentiary requirements, statutes of limitation, trial by jury or at law, or other procedural rights; (iii) waivers of rights or defenses contained in Section 4.06 of the Base Indenture and waivers of broadly or vaguely stated rights; (iv) covenants not to compete; (v) provisions for exclusivity, election or cumulation of rights or remedies; (vi) provisions authorizing or validating conclusive or discretionary determinations; (vii) grants of setoff rights; (viii) provisions to the effect that a guarantor is liable as a primary obligor, and not as a surety and provisions purporting to waive modifications of any guaranteed obligation to the extent such modification constitutes a novation; (ix) provisions for the payment of attorneys' fees where such payment is contrary to law or public policy; (x) proxies, powers and trusts; (xi) provisions prohibiting, restricting, or requiring consent to assignment or transfer of any right or property; (xii) provisions for liquidated damages, default interest, late charges, monetary penalties, prepayment or make-whole premiums or other economic remedies to the extent such provisions are deemed to constitute a penalty; (xiii) provisions permitting, upon acceleration of any indebtedness (including the Notes), collection of that portion of the stated principal amount thereof which might be determined to constitute unearned interest thereon; and (xiv) the severability, if invalid, of provisions to the foregoing effect.

With your consent, we have assumed (a) that the Indenture and the Notes (collectively, the “**Documents**”) have been duly authorized, executed and delivered by the parties thereto other than the Partnership, (b) that the Documents constitute legally valid and binding obligations of the parties thereto other than the Partnership, enforceable against each of them in accordance with their respective terms and (c) that the status of the Documents as legally valid and binding obligations of the parties is not affected by any (i) breaches of, or defaults under, agreements or instruments, (ii) violations of statutes, rules, regulations or court or governmental orders or (iii) failures to obtain required consents, approvals or authorizations from, or make required registrations, declarations or filings with, governmental authorities.

This opinion is for your benefit in connection with the Registration Statement and may be relied upon by you and by persons entitled to rely upon it pursuant to the applicable provisions of the Act. We consent to your filing this opinion as an exhibit to the Partnership’s Form 8-K dated December 14, 2022 and to the reference to our firm contained in the Prospectus under the heading “Legal.” In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission thereunder.

Sincerely,

/s/ Latham & Watkins LLP
