Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On December 31, 2018, the general partner of Energy Transfer Operating, L.P. (the “Partnership”) executed Amendment No. 1 to the Fifth Amended and Restated Agreement of Limited Partnership of the Partnership (as amended, the “Partnership Agreement” and such amendment, the “LPA Amendment”). The purpose of the LPA Amendment was to create a new class of limited partner interests titled Class L units (the “Class L Units”).

The Class L Units were issued to two wholly-owned subsidiaries of the Partnership when the Partnership’s outstanding Class E units and Class G units held by such subsidiaries were converted into Class L Units on December 31, 2018. As a result of the conversion, the Class E units and Class G units were cancelled and the LPA Amendment provides that the provisions relating to such units are deleted from the Partnership Agreement.

The conversion of the Class E units and Class G units to Class L Units was done, in part, to further simplify the capital structure of the Partnership and reduce the complexity of internal tax calculations performed by the Partnership. The terms of the Class L Units are substantially similar to the terms of the Partnership’s existing Class K units, currently held by wholly-owned subsidiaries of the Partnership. Except as required by Delaware law, the Class L Units will not be entitled to vote on any matters related to the Partnership other than any amendment to the Partnership Agreement that would adversely affect the Class L Units in any material respect.

The foregoing description of the LPA Amendment and the Partnership Agreement does not purport to be complete and is qualified in its entirety by reference to the complete text of such agreement, a copy of which is filed as Exhibit 3.1 to this Current Report and is incorporated by reference herein.

“**Section 5.9** [Reserved]”

(e) Article V of the Partnership Agreement is hereby amended by adding a new Section 5.15 at the end thereof as follows:

“**Section 5.15** Establishment of Class L Units.

(a) General. The General Partner designated and created a class of Partnership Securities designated as “Class L Units.” In accordance with Section 5.5, the General Partner shall have the power and authority to issue additional Class L Units in the future.

(b) Rights of Class L Units. The Class L Units shall have the following rights, preferences and privileges and shall be subject to the following duties and obligations:

(i) Initial Capital Account. The initial capital account with respect to each Class L Unit will be equal to the capital account of Heritage Holdings or ETC Sunoco, as the case may be, with respect its converted Units, divided by the number of Class L Units issued to such Unitholder.

(ii) Allocations.

(A) The holders of Class L Units shall not be entitled to receive (1) any allocations of ETP Holdco Items, and (2) except as otherwise provided in this Section 5.15(b)(ii), allocations of (a) Net Income pursuant to Section 6.1(a), (b) Net Loss pursuant to Section 6.1(b), or (c) Net Termination Gains or Net Termination Losses pursuant to Section 6.1(c).

(B) For each taxable period, before the application of Section 6.1(d)(iii)(A), the holders of the Class L Units shall be allocated, pro rata in proportion to the number of Class L Units of each such holder, items of Partnership gross income, gain, loss or deduction (other than from ETP Holdco Items and items of Partnership depreciation, amortization and cost recovery deductions) until the aggregate amount of such items allocated to the holders of the Class L Units pursuant to this Section 5.15(b)(ii)(B) for the current taxable period and all previous taxable periods is equal to the cumulative amount of all distributions made to the holders of the Class L Units pursuant to Section 5.15(b)(iii).

(C) Items of Partnership depreciation, amortization and cost recovery deductions (other than from ETP Holdco Items) for the taxable period shall be allocated to the holders of Class L Units to the extent such items would be allocated to the holders of Class L Units as if each Class L Unit were treated as a Common Unit.

(D) For each taxable period, after the application of Section 6.1(c)(i)(B) but before the application of Section 6.1(c)(i)(C), Net Termination Gain (other than from ETP Holdco Items) shall be allocated to the holders of the Class L Units, pro rata in proportion to the number of Class L Units of each such holder, until the Capital Account of each Class L Unit is equal to the Class L Unit Issue Price.

(E) For each taxable period, after the application of Section 6.1(c)(i)(B) but before the application of Section 6.1(c)(i)(C), and after making the allocations provided for in Section 5.15(b)(ii)(D), the holders of the Class L Units shall be allocated, pro rata in proportion to the number of Class L Units of each such holder, 1% of the remaining aggregate Net Termination Gain (other than from ETP Holdco Items), if any, that is to be allocated pursuant to Section 6.1(c)(i)(C); *provided, however*, that an allocation shall only be made to the holders of Class L Units pursuant to this Section 5.15(b)(ii)(E) if the Capital Account of each Common Unit is equal to or greater than the Class L Unit Issue Price immediately prior to making such allocation.

(F) For each taxable period, after the application of Section 6.1(c)(ii)(B), but before the application of Section 6.1(c)(ii)(C), the holders of the Class L Units shall be allocated Net Termination Loss (other than from ETP Holdco Items) until the Capital Account in respect of each Class L Unit has been reduced to zero.

(G) For the purposes of effectuating the intent of the foregoing allocation provisions, the General Partner shall have the sole discretion to make special allocations of items of Partnership gross income, gain, loss or deductions among the General Partner and the Unitholders as it deems reasonable.

(iii) Distributions.

(A) For each taxable period, no portion of any Partnership cash distribution attributable to ETP Holdco Distributions shall be distributed to the Class L Units.

(B) Commencing with the Class L Unit Issuance Date, the holders of the Class L Units as of an applicable Record Date shall be entitled to receive distributions (each, a “**Class L Unit Quarterly Distribution**”) prior to making any distributions pursuant to Section 6.3(e)(ii), in cash in an amount equal to the Class L Unit Distribution Rate on all Outstanding Class L Units. Distributions shall be paid Quarterly, in arrears, within forty-five (45) days after the end of each Quarter. Each Record Date established for paying a Class L Unit Quarterly Distribution in respect of any Quarter shall be the same Record Date established for any distribution to be made by the Partnership in respect of other Partnership Interests pursuant to Section 6.3. If the Partnership is unable to pay the Class L Unit Quarterly Distribution with respect to any Quarter, (1) the amount of such accrued and unpaid distributions will accumulate until paid in full in cash and (2) the balance of such accrued and unpaid distributions shall increase at a rate of 1.5% per annum, compounded quarterly, from the date such distribution was due until the date it is paid. For the avoidance of doubt, except as set forth in this Section 5.15(b)(iii)(B), the Class L Units will not be entitled to receive distributions.

(iv) Voting Rights. Except as set forth in this Section 5.15(b)(iv) and Section 13.3(c) and except to the extent the Delaware Act gives the Class L Units a vote as a class on any matter, the Class L Units shall not have any voting rights. With respect to any matter on which the Class L Units are entitled to vote, each Class L Unit will be entitled to one vote on such matter. The General Partner shall not, without the affirmative vote or written consent of

holders of a majority of the Class L Units then Outstanding, amend, alter, modify or change this Section 5.15 (or vote or consent or resolve to take such action).

(v) Redemption and Conversion Rights. The Class L Units will be perpetual and shall not have any rights of redemption or conversion.

(vi) Certificates; Book-Entry. Unless the General Partner shall determine otherwise, the Class L Units shall not be evidenced by certificates. Any certificates relating to the Class L Units that may be issued will be in such form as the General Partner may approve. The Class L Units, subject to the satisfaction of any applicable legal, regulatory and contractual requirements, may be assigned or transferred in a manner identical to the assignment and transfer of other Units.
