Item 1.01. Entry into a Material Definitive Agreement.

On January 8, 2013, SemGroup Corporation (“SemGroup”) entered into a Contribution Agreement (the “Contribution Agreement”) with Rose Rock Midstream Holdings, LLC (“RRMH”), Rose Rock Midstream GP, LLC (the “General Partner” and, together with SemGroup and RRMH, the “Contributing Parties”), Rose Rock Midstream, L.P. (the “Partnership”) and Rose Rock Midstream Operating, LLC (together with the Partnership, the “Partnership Parties”). Pursuant to the terms of the Contribution Agreement, on January 11, 2013, the Partnership Parties acquired 33.33% of the outstanding membership interests in SemCrude Pipeline, L.L.C. (the “Subject Interest”) from the Contributing Parties in exchange for the Aggregate Consideration (as defined below) (the “Drop-Down Transaction”). SemCrude Pipeline, L.L.C. owns a 51% membership interest in White Cliffs Pipeline, L.L.C., which owns a 527-mile pipeline system that transports crude oil from Platteville, Colorado in the Denver-Julesburg Basin to Cushing, Oklahoma.

The aggregate consideration for the Subject Interest (the “Aggregate Consideration”) consisted of (i) cash of approximately \$189.5 million (the “Cash Consideration”), (ii) the issuance of 1,500,000 common units representing limited partner interests in the Partnership (“Common Units”), (iii) the issuance of 1,250,000 Class A Units of the Partnership and (iv) an increase of the capital account of the General Partner, the general partner of the Partnership, to allow it to maintain its 2% general partner interest in the Partnership and the issuance of 96,939 notional general partner units to the General Partner (such issued Common Units, Class A Units and notional general partner units are collectively referred to as the “Unit Consideration”). The Contribution Agreement also includes customary representations and warranties, indemnification obligations and covenants by the parties, subject to the limitations set forth therein.

The Partnership funded the Cash Consideration from the proceeds it received from the Borrowing (as defined below) and the issuance and sale of 2,000,000 of its Common Units to certain purchasers for aggregate consideration of approximately \$59.3 million (the “Private Placement”). The Private Placement closed on January 11, 2013, and the Private Placement and the issuance and sale of the Unit Consideration were each made in reliance upon an exemption from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”), pursuant to Section 4(2) thereof, as a transaction by an issuer not involving a public offering.

Each of the parties to the Contribution Agreement, other than SemGroup, is a direct or indirect subsidiary of SemGroup. As a result, certain individuals serve as officers and directors of both SemGroup and such other entities. In addition, SemGroup indirectly holds (i) an approximate 58% limited partner interest in the Partnership through its subsidiaries and (ii) a 2% general partner interest and incentive distribution rights in the Partnership through its indirect ownership of the General Partner.

The terms of the Contribution Agreement and the Drop-Down Transaction were approved by the Conflicts Committee of the Board of Directors of the General Partner (the “Conflicts Committee”). The Conflicts Committee, which is composed entirely of independent directors, retained independent legal and financial counsel to assist it in evaluating and negotiating the Contribution Agreement and the Drop-Down Transaction.

The foregoing description of the Contribution Agreement and the Drop-Down Transaction is not complete and is subject to and qualified in its entirety by reference to the full text of the Contribution Agreement, which is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated by reference herein.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On January 11, 2013, the Partnership made a borrowing of approximately \$133.5 million (the “Borrowing”) pursuant to the terms of its previously disclosed Credit Agreement, dated as of November 10, 2011 (as amended, the “Credit Agreement”), among the Partnership, certain subsidiaries of the Partnership, as guarantors, the lenders party thereto and The Royal Bank of Scotland plc, as administrative agent and collateral agent for the lenders. The net proceeds of the Borrowing were used to fund a portion of the Cash Consideration and to pay other costs and expenses related to the Drop-Down Transaction and the Private Placement.

As previously disclosed, in September 2012, the Partnership amended the Credit Agreement to provide, among other things, that the borrowing capacity under the revolving credit facility could be increased by \$400 million, subject to commitments from new lenders or additional commitments from existing lenders. In

connection with the Borrowing and the Drop-Down Transaction, effective on January 11, 2013, certain of the existing lenders increased their revolving facility commitments under the Credit Agreement and certain new lenders provided revolving facility commitments under the Credit Agreement, resulting in an increase in the aggregate revolving facility commitments under the Credit Agreement from \$150 million to \$385 million.

Item 7.01. Regulation FD Disclosure.

On January 9, 2013, SemGroup issued a press release announcing the Drop-Down Transaction. A copy of the press release is being furnished and is attached as Exhibit 99.1 hereto and is incorporated into this Item 7.01 by reference. In accordance with General Instruction B.2 of Form 8-K of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the press release shall not be deemed to be "filed" for purposes of Section 18 of the Exchange Act, or otherwise subject to the liabilities of that section, nor shall such information and such exhibit be deemed incorporated by reference into any filing under the Securities Act or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

BECOMING TAXABLE AS A CORPORATION OR OTHERWISE BECOMING TAXABLE AS AN ENTITY FOR U.S. FEDERAL INCOME TAX PURPOSES. THE RESTRICTIONS SET FORTH ABOVE SHALL NOT PRECLUDE THE SETTLEMENT OF ANY TRANSACTIONS INVOLVING THIS SECURITY ENTERED INTO THROUGH THE FACILITIES OF ANY NATIONAL SECURITIES EXCHANGE ON WHICH THIS SECURITY IS LISTED OR ADMITTED TO TRADING.

If required by applicable Law, the Partnership Parties shall, and shall cause their Affiliates to, join in the execution of any such Tax Returns and other documentation.

7.5 Survival.

Anything to the contrary in this Agreement notwithstanding, the representations, warranties, covenants, agreements, rights and obligations of the Parties with respect to any Tax matter covered by this Agreement shall survive the Closing and shall not terminate until thirty (30) days after the expiration of the applicable statutes of limitations (including all periods of extension and tolling) applicable to such Tax matter.

7.6 Conflict.

In the event of a conflict between the provisions of this Article VII and any other provisions of this Agreement, the provisions of this Article VII shall control.

7.7 Tax Characterization of Transaction.

Immediately prior to the Closing, the Partnership shall borrow approximately \$133.5 million under the Revolving Credit Agreement to fund a portion of the Cash Consideration (the "Partnership Debt"). The Parties intend that the Contributing Parties will be treated as receiving a distribution from the Partnership at Closing: (a) first out of the proceeds of the Partnership Debt as a "debt-financed transfer" within the meaning of Treasury Regulations Section 1.707-5(b)(1) to the extent of the Contributing Parties' allocable share of the indebtedness incurred under the Partnership Debt under Treasury Regulations Sections 1.707-5(a)(2) and 1.752-3(a)(3); (b) to the extent the amount distributed to the Contributing Parties exceeds the Contributing Parties' allocable share of the indebtedness incurred under the Partnership Debt as described in clause (a), as a reimbursement of the Contributing Parties' preformation expenditures with respect to the Subject Interest within the meaning of Treasury Regulations Section 1.707-4(d), to the extent applicable; and (c) to the extent the amount distributed exceeds the amounts described in clauses (a) and (b), in a transaction subject to treatment under Section 707(a)(2)(B) of the Code and the Treasury Regulations thereunder as in part a sale, and in part a contribution, of the Subject Interest to the Partnership to the extent that Treasury Regulations Sections 1.707-4(d) and 1.707-5(b)(1) are inapplicable. Unless otherwise required by a final determination of the Internal Revenue Service, the Parties agree to act at all times in a manner consistent with this intended treatment of the Cash Consideration and the Partnership Debt, including disclosing the distribution of the Cash Consideration in accordance with the requirements of Section 1.707-3(c)(2) of the Treasury Regulations.

**ARTICLE VIII
TERMINATION**

8.1 Events of Termination.

This Agreement may be terminated at any time prior to the Closing Date:

(a) by mutual written consent of the Parties;

(b) by either the Partnership Parties, on the one hand, or Contributing Parties, on the other hand, in writing after the sixtieth (60th) day following the date hereof, if the Closing has not occurred by such date, provided that as of such date the terminating Party or its Affiliates are not otherwise in material default or breach under this Agreement, or have not failed or refused to close without justification hereunder;

(c) by either the Partnership Parties, on the one hand, or the Contributing Parties, on the other hand, in writing without prejudice to other rights and remedies which the terminating Party or its Affiliates may have (provided the terminating Party or its Affiliates are not otherwise in material default or breach of this Agreement, or have not failed or refused to close without justification hereunder), if (i) the other Party has materially failed to perform its covenants or agreements contained herein required to be performed on or prior to the Closing Date, or (ii) there is one or more inaccuracies, violations or breaches of the representations or warranties of the other Party contained herein and such inaccuracies, violations and breaches would constitute a Material Adverse Effect or a Partnership Material Adverse Effect, as applicable; provided, however, that in the case of clause (i) or (ii), the defaulting Party shall have a period of ten (10) days following written notice from the non-defaulting Party to cure any breach of this Agreement, if such breach is curable;

(d) by either the Partnership Parties, on the one hand, or the Contributing Parties, on the other hand, in writing, without liability, if there shall be any non-appealable order, writ, injunction or decree of any Governmental Authority binding on any of the Parties, which prohibits or restrains them from consummating the transactions contemplated hereby (provided that the Parties shall have used their commercially reasonable efforts to have any such order, writ, injunction or decree lifted) and the same shall not have been lifted within thirty (30) days after entry by any such Governmental Authority;

(e) by the Contributing Parties if any of the conditions set forth in Section 6.2 have become incapable of fulfillment, and have not been waived in writing by the Contributing Parties; or

(f) by the Partnership Parties if any of the conditions set forth in Section 6.1 have become incapable of fulfillment, and have not been waived in writing by the Partnership Parties.

8.2 Effect of Termination.

If a Party terminates this Agreement as provided in Section 8.1 above, such termination shall be without liability and none of the provisions of this Agreement shall remain effective or enforceable, except for those contained in this Section 8.2 and Article X. Notwithstanding the foregoing, nothing in this Section 8.2 shall relieve any Party of any liability for any willful and material inaccuracy, violation or breach of any representation or warranty of such Party or any willful and material breach of any covenant or agreement of such Party under this Agreement or be deemed a waiver of any available remedy (including specific performance, if available) for any such breach.

ARTICLE IX INDEMNIFICATION UPON CLOSING

9.1 Indemnification of the Partnership Parties.

Subject to the limitations set forth in this Agreement, the Contributing Parties, from and after the Closing Date, shall, jointly and severally, indemnify, defend and hold the Partnership Parties, their subsidiaries and their respective securityholders, directors, officers and employees (and the officers, directors and employees of the General Partner but otherwise excluding any of the Contributing Parties and their Affiliates) (the "Partnership Indemnified Parties") harmless from and against any and all Damages suffered or incurred by any Partnership Indemnified Party as a result of or arising out of (a) any inaccuracy, violation or breach of a representation or warranty of the Contributing Parties in this Agreement or any Contributing Parties Ancillary Document, (b) any breach of any agreement or covenant on the part of the Contributing Parties made under Section 5.1, (c) any breach of any other agreement or covenant on the part of the Contributing Parties made under this Agreement or any Contributing Parties Ancillary Document or in connection with the transactions contemplated hereby or thereby or (d) Rocky Cliffs or the Rocky Cliffs Distribution.

9.2 Indemnification of the Contributing Parties.

Subject to the limitations set forth in this Agreement, from and after the Closing Date, the Partnership Parties shall, jointly and severally, indemnify, defend and hold the Contributing Parties and their Affiliates and their respective securityholders, directors, officers and employees (the "Contributing Indemnified Parties") harmless from and against any and all Damages suffered or incurred by the Contributing Indemnified Parties as a result of or arising out of (a) any inaccuracy, violation or breach of a representation or warranty of the Partnership Parties in this Agreement or any Partnership Ancillary Document, (b) any breach of any agreement or covenant on the part of the Partnership Parties made under Section 5.1 or (c) any breach of any other agreement or covenant on the part of the Partnership Parties made under this Agreement or any Partnership Ancillary Document or in connection with the transactions contemplated hereby or thereby.

9.3 Tax Indemnification.

With the exception of any inaccuracy, violation or breach of the representations and warranties of the Contributing Parties contained in Section 3.10, nothing in this Article IX shall apply to liability with respect to Taxes, the liability with respect to which shall be as set forth in Article VII.

9.4 Survival.

(a) All the provisions of this Agreement shall survive the Closing, notwithstanding any investigation at any time made by or on behalf of any Party hereto or any Knowledge any such Party may have, provided that the representations and warranties set forth in Article III and Article IV and in any certificate delivered in connection herewith with respect to any of those representations and warranties, and the covenants and agreements made under Section 5.1, shall terminate and expire at 12:01 a.m., Tulsa, Oklahoma time, on the one (1) year anniversary of the Closing Date, except (i) the representations and warranties of the Contributing Parties set forth in Section 3.10 shall survive until thirty (30) days after the expiration of the applicable statutes of limitations (including all periods of extension and tolling), (ii) the representations and warranties of the Contributing Parties set forth in Sections 3.1(a), 3.1(b), 3.2, 3.4 and 3.17 shall survive forever and (iii) the representations and warranties of the Partnership Parties set forth in Sections 4.1, 4.2, 4.4 and 4.6 shall survive forever. After a representation and warranty or agreement or covenant has terminated and expired, no indemnification shall or may be sought pursuant to Section 9.1(a), Section 9.1(b), Section 9.2(a) or Section 9.2(b) by any Person who would have been entitled pursuant to this Article IX to indemnification on the basis of such representation and warranty or agreement or covenant prior to its termination and expiration, provided that in the case of each representation and warranty or covenant or agreement that shall terminate and expire as provided in this Section 9.4, no claim presented in writing for indemnification pursuant to this Article IX on the basis of such representation and warranty or agreement or covenant prior to its termination and expiration shall be affected in any way by that termination and expiration. Except as otherwise provided in this Section 9.4, the covenants and agreements entered into pursuant to this Agreement or any Ancillary Document shall survive the Closing in accordance with their terms (or, in the absence of a stated term, in perpetuity).

(b) The indemnification obligations under this Article IX or elsewhere in this Agreement shall apply regardless of whether any suit or action results solely or in part from the active, passive or concurrent negligence or strict liability of the indemnified party.

9.5 Demands.

(a) Each indemnified party hereunder agrees that promptly upon its discovery of facts giving rise to a claim for indemnity under the provisions of this Agreement, including receipt by it of notice of any demand, assertion, claim, action or proceeding, judicial or otherwise, by any third party (such claims for indemnity involving third party claims being collectively referred to herein as the "Indemnity Claim"), with respect to any matter as to which it claims to be entitled to indemnity under the provisions of this Agreement, it will give prompt notice thereof in writing to the indemnifying party (a "Claim Notice"), together with a detailed statement of such information respecting any of the foregoing as it shall have and all supporting evidence,

including any Damages already incurred and its detailed estimate of any Damages to be incurred in the future. Such notice shall include a formal demand for indemnification under this Agreement.

(b) If the indemnified party knowingly failed to notify the indemnifying party thereof in accordance with the provisions of this Agreement in sufficient time to permit the indemnifying party or its counsel to defend against an Indemnity Claim and to make a timely response thereto, the indemnifying party's indemnity obligation relating to such Indemnity Claim shall be limited to the extent that such failure has actually prejudiced or damaged the indemnifying party with respect to that Indemnity Claim.

(c) With respect to any claim for indemnification not involving an Indemnity Claim, the indemnifying party shall be deemed to have agreed to indemnify the indemnified party pursuant to this Article IX with respect to the claims set forth in any Claim Notice if and to the extent the indemnifying party does not provide the indemnified party notice of its disagreement with respect to the contents of a Claim Notice within thirty (30) calendar days of receipt thereof.

9.6 Right to Contest and Defend.

(a) The indemnifying party shall be entitled, at its cost and expense, to contest and defend by all appropriate legal proceedings any Indemnity Claim for which it is called upon to indemnify by the indemnified party under the provisions of this Agreement; provided, that notice of the intention to so contest shall be delivered by the indemnifying party to the indemnified party within twenty (20) days from the date of receipt by the indemnifying party of notice by the indemnified party of the assertion of the Indemnity Claim. Any such contest may be conducted in the name and on behalf of the indemnifying party or the indemnified party as may be appropriate. Such contest shall be conducted by reputable counsel employed by the indemnifying party and not reasonably objected to by the indemnified party, but the indemnified party shall have the right but not the obligation to participate in such proceedings and to be represented by counsel of its own choosing at its sole cost and expense.

(b) The indemnifying party shall have full authority to determine all action to be taken with respect thereto; provided, however, that the indemnifying party will not have the authority to subject the indemnified party to any obligation whatsoever, other than the performance of purely ministerial tasks or obligations not involving material expense or injunctive relief. If the indemnifying party does not elect to contest any such Indemnity Claim, the indemnifying party shall be bound by the result obtained with respect thereto by the indemnified party. If the indemnifying party assumes the defense of an Indemnity Claim, the indemnified party shall agree to any settlement, compromise or discharge of an Indemnity Claim that the indemnifying party may recommend and that by its terms obligates the indemnifying party to pay the full amount of the liability in connection with such Indemnity Claim, which releases the indemnified party completely in connection with such Indemnity Claim and which would not otherwise adversely affect the indemnified party as reasonably determined by the indemnified party.

(c) Notwithstanding the foregoing, the indemnifying party shall not be entitled to assume the defense of any Indemnity Claim (and shall be liable for the reasonable fees and

expenses of counsel incurred by the indemnified party in defending such Indemnity Claim) if the Indemnity Claim seeks an order, injunction or other equitable relief or relief for other than money damages against the indemnified party which the indemnified party reasonably determines, after conferring with its outside counsel, cannot be separated from any related claim for money damages. If such equitable relief or other relief portion of the Indemnity Claim can be so separated from that for money damages, the indemnifying party shall be entitled to assume the defense of the portion relating to money damages.

9.7 Cooperation.

If requested by the indemnifying party, the indemnified party agrees to cooperate with the indemnifying party and its counsel in contesting any Indemnity Claim that the indemnifying party elects to contest or, if appropriate, in making any counterclaim against the Person asserting the Indemnity Claim, or any cross-complaint against any Person, and the indemnifying party will reimburse the indemnified party for any expenses incurred by it in so cooperating without regard to any limitations set forth in Section 9.10. At no cost or expense to the indemnified party, the indemnifying party shall cooperate with the indemnified party and its counsel in contesting any Indemnity Claim.

9.8 Right to Participate.

The indemnified party agrees to afford the indemnifying party and its counsel the opportunity to be present at, and to participate in, conferences with all Persons, including Governmental Authorities, asserting any Indemnity Claim against the indemnified party or conferences with representatives of or counsel for such Persons.

9.9 Payment of Damages.

The indemnification required hereunder shall be made by periodic payments of the amount thereof during the course of the investigation or defense, within ten (10) days as and when reasonably specific bills are received or Damages are incurred and reasonable evidence thereof is delivered. In calculating any amount to be paid by an indemnifying party by reason of the provisions of this Agreement, the amount shall be reduced by all insurance proceeds received and any indemnification reimbursement proceeds received from third parties.

9.10 Limitations on Indemnification.

(a) To the extent that the Partnership Indemnified Parties are entitled to indemnification for Damages pursuant to Section 9.1(a) or Section 9.1(b), the Contributing Parties shall not be liable for such Damages until the aggregate amount of all such Damages exceeds 1.0% of the dollar value of the Aggregate Consideration as of the Closing Date (the "Threshold Amount"), and then, subject to the following sentence, the Contributing Parties shall be liable for all such Damages, whether incurred before or after the Threshold Amount was exceeded. In no event shall the Contributing Parties' aggregate liability to the Partnership Indemnified Parties under Section 9.1(a) exceed 15.0% of the dollar value of the Aggregate Consideration as of the Closing Date (the "Ceiling Amount"). Notwithstanding the foregoing, (i) the Threshold Amount shall not apply to inaccuracies, violations or breaches of

representations and warranties contained in Sections 3.1, 3.2, 3.4 and 3.17 (collectively, the “Contributing Parties Fundamental Representations”) and (ii) the Ceiling Amount shall not apply to inaccuracies, violations or breaches of any of the Contributing Parties Fundamental Representations, provided the Contributing Parties’ aggregate liability for a breach of the Contributing Parties Fundamental Representations shall not exceed an amount equal to the dollar value of the Aggregate Consideration as of the Closing Date.

(b) To the extent the Contributing Indemnified Parties are entitled to indemnification for Damages pursuant to Section 9.2(a) or Section 9.2(b), the Partnership Parties shall not be liable for such Damages until the aggregate amount of all such Damages exceeds the Threshold Amount, and then, subject to the following sentence, the Contributing Parties shall be liable for all such Damages, whether incurred before or after the Threshold Amount was exceeded. In no event shall the Partnership Parties’ aggregate liability to the Contributing Indemnified Parties under Section 9.2(a) exceed the Ceiling Amount. Notwithstanding the foregoing, (i) the Threshold Amount shall not apply to inaccuracies, violations or breaches of representations and warranties contained in Sections 4.1, 4.2, 4.4 and 4.6 (the “Partnership Fundamental Representations”) and (ii) the Ceiling Amount shall not apply to inaccuracies, violations or breaches of any of the Partnership Fundamental Representations, provided the Partnership Parties’ aggregate liability for a breach of the Partnership Fundamental Representations shall not exceed an amount equal to the dollar value of the Aggregate Consideration as of the Closing Date.

(c) [Intentionally Omitted.]

(d) The Parties agree that any indemnification or payment obligation of the Contributing Parties under Section 9.1(a) (to the extent relating to any inaccuracy, violation or breach of a representation or warranty in Sections 3.1(b), 3.1(c), 3.4(b) or 3.4(c) or in Sections 3.5 through 3.16) relating to Damages suffered or incurred by the Partnership Indemnified Parties, attributable to SemCrude Pipeline or White Cliffs Pipeline or their respective assets, businesses or operations, shall be limited to Damages actually suffered or incurred by the Partnership Indemnified Parties. For purposes of illustration (and without limiting the generality of the foregoing), in the event any Damages are suffered or incurred by SemCrude Pipeline or White Cliffs Pipeline, the Damages suffered or incurred by the Partnership Parties would be 33.33% and 17% thereof, respectively.

9.11 Sole Remedy.

Should the Closing occur, no Party shall have any liability under this Agreement, any of the Ancillary Documents or the transactions contemplated hereby or thereby except as is provided in Article VII or this Article IX (other than claims or causes of action arising from actual fraud).

**ARTICLE X
MISCELLANEOUS**

10.3 Governing Law; Jurisdiction.

This Agreement shall be governed and construed in accordance with the substantive Laws of the State of Delaware without reference to the Delaware conflicts of law principles. The Parties hereto irrevocably submit to the jurisdiction of the courts of the State of Oklahoma and the federal courts of the United States of America located in Tulsa County, Oklahoma over any dispute between the Parties arising out of this Agreement or the transactions contemplated hereby, and each Party irrevocably agrees that all such claims in respect of such dispute shall be heard and determined in such courts. The Parties hereto irrevocably waive, to the fullest extent permitted by Law, any objection which they may now or hereafter have to the venue of any dispute arising out of this Agreement or the transaction contemplated hereby being brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each Party agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law.

10.4 Public Statements.

The Parties shall consult with each other and no Party shall issue any public announcement or statement with respect to this Agreement or the transactions contemplated hereby without the consent of the other Parties, unless the Party desiring to make such announcement or statement, after seeking such consent from the other Parties, obtains advice from legal counsel that a public announcement or statement is required by applicable Law or stock exchange rules or regulations.

10.5 Entire Agreement; Amendments and Waivers.

(a) This Agreement and the Ancillary Documents constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, among the Parties with respect to the subject matter hereof. Each Party to this Agreement agrees that no other Party to this Agreement (including through its agents and representatives) has made any representation, warranty, covenant or agreement to or with such Party relating to this Agreement or the transactions contemplated hereby, other than those expressly set forth herein and in the Ancillary Documents.

(b) No supplement, modification or waiver of this Agreement shall be binding unless executed in writing by each Party to be bound thereby. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision hereof (regardless of whether similar), nor shall any such waiver constitute a continuing waiver unless otherwise expressly provided.

10.6 Conflicting Provisions.

This Agreement and the other Ancillary Documents, read as a whole, set forth the Parties' rights, responsibilities and liabilities with respect to the transactions contemplated by this Agreement. In the Agreement and the Ancillary Documents, and as between them, specific provisions prevail over general provisions. In the event of a conflict between this Agreement and the Ancillary Documents, this Agreement shall control.

10.7 Binding Effect; Assignment; Parties in Interest.

This Agreement shall be binding upon and inure to the benefit of the Parties and their respective permitted successors and assigns, but neither this Agreement nor any of the rights, benefits or obligations hereunder shall be assigned or transferred, by operation of law or otherwise, by any Party hereto without the prior written consent of each other Party. Notwithstanding anything in this Section 10.7, any Party may (without seeking the consent of the other Parties) transfer or otherwise alienate any of its rights, title, interest or obligations under this Agreement in connection with (a) a transfer to an Affiliate which remains an Affiliate, (b) the granting of a pledge, mortgage, hypothecation, Lien or other security interest, (c) the foreclosure (judicial or non-judicial) or other settlement or rearrangement pursuant to or in connection with any transfer made pursuant to (b) above, (d) a transfer in connection with the sale of all or substantially all of the assets of such Party, if applicable, or (e) a merger, consolidation, share exchange or other form of statutory reorganization with another Person if such Party is the sole surviving Person. Except as otherwise provided in Article VII and Article IX with respect to the Contributing Indemnified Parties and the Partnership Indemnified Parties, nothing in this Agreement, express or implied, is intended to confer upon any Person other than the Parties and their respective permitted successors and assigns, any rights, benefits or obligations hereunder.

10.8 Severability.

If any provision of the Agreement is rendered or declared illegal or unenforceable by reason of any existing or subsequently enacted legislation, by decree of a court of last resort or any other Law, the Partnership Parties and the Contributing Parties shall promptly meet and negotiate in good faith substitute provisions for those rendered or declared illegal or unenforceable, but all of the remaining provisions of this Agreement shall remain in full force and effect.

10.9 Interpretation.

It is expressly agreed by the Parties that neither this Agreement nor any of the Ancillary Documents shall be construed against any Party, and no consideration shall be given or presumption made, on the basis of who drafted this Agreement, any Ancillary Document or any provision hereof or thereof or who supplied the form of this Agreement or any of the Ancillary Documents. Each Party agrees that this Agreement has been purposefully drawn and correctly reflects its understanding of the transactions contemplated by this Agreement and, therefore, waives the application of any Law or rule of construction providing that ambiguities in an agreement or other document will be construed against the Party drafting such agreement or document.

10.10 Headings and Disclosure Schedules.

(a) The headings of the several Articles and Sections herein are inserted for convenience of reference only and are not intended to be a part of or to affect the meaning or interpretation of this Agreement.

(b) The Disclosure Schedules and the Exhibits referred to herein are attached hereto and incorporated herein by this reference, and unless the context expressly requires otherwise, the Disclosure Schedules and such Exhibits are incorporated in the definition of "Agreement."

(c) Any matter disclosed in the Disclosure Schedules pursuant to any section of this Agreement shall be deemed to have been disclosed by such disclosing Parties for purposes of each other representation and warranty of this Agreement to which the relevance of such disclosure is reasonably apparent on its face. The listing (or inclusion of a copy) of a document or other item in the Disclosure Schedules shall be adequate to disclose an exception to a representation or warranty made herein if the nature and relevance of such exception is reasonably apparent on its face from the listing (or inclusion of a copy) of such document. The inclusion of any information in the Disclosure Schedules shall not be deemed to be an admission or evidence of the materiality of such item, nor shall it establish a standard of materiality for any purpose whatsoever.

10.11 Multiple Counterparts.

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

10.12 Action by Partnership Parties.

With respect to any action, notice, consent, approval or waiver that is required to be taken or given or that may be taken or given by the Partnership Parties prior to the Closing Date, such action, notice, consent, approval or waiver shall be taken or given (a) if material, by the Conflicts Committee on behalf of the Partnership Parties, and (b) if immaterial, by the Partnership Parties directly.

WHEREAS, Section 5.6 of the Partnership Agreement provides that the Partnership may issue additional Partnership Interests for any partnership purpose, at any time and from time to time and for such consideration and on such terms and conditions as the General Partner shall determine, all without the approval of any Limited Partners; and

WHEREAS, Section 13.1(g) of the Partnership Agreement provides that the General Partner, without the approval of any Partner, may amend any provision of the Partnership Agreement to reflect an amendment that the General Partner determines to be necessary or appropriate in connection with the creation, authorization or issuance of any class or series of Partnership Interests pursuant to Section 5.6 of the Partnership Agreement; and

WHEREAS, Section 13.1(d)(i) of the Partnership Agreement provides that the General Partner, without the approval of any Partner, may amend any provision of the Partnership Agreement to reflect a change that the General Partner determines does not adversely affect the Limited Partners considered as a whole (or any particular class of Partnership Interests as compared to other classes of Partnership Interests) in any material respect; and

WHEREAS, the issuance of the Class A Units complies with the requirements of the Partnership Agreement; and

WHEREAS, the General Partner has determined, that the amendments to the Partnership Agreement set forth herein (i) do not adversely affect the Limited Partners considered as a whole in any material respect and (ii) are necessary or appropriate in connection with the creation, authorization and issuance of the Class A Units;

NOW, THEREFORE, the General Partner does hereby amend the Partnership Agreement as follows:

Section 1. **AMENDMENTS.**

(a) **Section 1.1.** Section 1.1 is hereby amended to add or to amend and restate, as applicable, the following definitions:

“Class A Conversion Effective Date” means the first day of the month immediately following the first month for which average daily throughput volumes on the White Cliffs Pipeline for such month are 125 mbpd or greater (the **“Class A Conversion Effective Date”**).

“Class A Unit” means a Partnership Interest representing a fractional part of the Partnership Interests of all Limited Partners, and having the rights and obligations specified with respect to Class A Units in this Agreement. The term “Class A Unit” does not refer to a Common Unit.

“Common Unit” means a Partnership Interest representing a fractional part of the Partnership Interests of all Limited Partners, and having the rights and obligations specified with respect to Common Units in this Agreement. The term “Common Unit” does not include a Subordinated Unit or a Class A Unit prior to its conversion into a Common Unit pursuant to the terms hereof.

“Holdings” has the meaning assigned to such term in the recitals to Amendment No. 1 to the Partnership Agreement.

“Limited Partner Interest” means the ownership interest of a Limited Partner in the Partnership, which may be evidenced by Common Units, Subordinated Units, Incentive Distribution Rights, Class A Units or other Partnership Interests or a combination thereof or interest therein, and includes any and all rights and benefits to which such Limited Partner is entitled as provided in this Agreement, together with all obligations of such Limited Partner to comply with the terms and provisions of this Agreement; *provided, however*, that when the term **“Limited Partner Interest”** is used herein in the context of any vote or other approval, including Article XIII and Article XIV, such term shall not, solely for such purpose, include any Incentive Distribution Right except as may be required by law.

“mbpd” means thousand barrels per day.

“Unit” means a Partnership Interest that is designated as a “Unit” and shall include Common Units, Subordinated Units and Class A Units but shall not include (a) Notional General Partner Units (or the General Partner Interest represented thereby) or (b) Incentive Distribution Rights.

“White Cliffs” has the meaning assigned to such term in the recitals to Amendment No. 1 to the Partnership Agreement.

“**White Cliffs Pipeline**” means the interstate pipeline that transports crude oil from Platteville, Colorado to Cushing, Oklahoma owned by White Cliffs.

(b) **Article IV; Section 4.8(c)**. Article IV of the Partnership Agreement is hereby amended to add the following sentence to the end of **Section 4.8(c)**:

“(c) The transfer of a Common Unit that was issued upon conversion of a Class A Unit shall be subject to the restrictions imposed by **Section 6.10**.”

(c) **Article V; Section 5.5(c)**. **Section 5.5(c)** of the Partnership Agreement is hereby amended to add a new **Section 5.5(c)(iv)** as follows:

“(iv) Subject to **Section 6.10**, immediately prior to the transfer of a Class A Unit or of a Common Unit that was issued upon conversion of a Class A Unit pursuant to **Section 5.12(f)** by a holder thereof (other than a transfer to an Affiliate unless the General Partner elects to have this **Section 5.5(c)(iv)** apply), (A) first, the Capital Account maintained for such Person with respect to its Class A Units or Common Units issued upon conversion of Class A Units will be allocated to the Class A Units or Common Units issued upon conversion of Class A Units to be transferred in an amount equal to the product of (x) the number of such Class A Units or Common Units issued upon conversion of Class A Units to be transferred and (y) the Per Unit Capital Amount for a Common Unit, and (B) second, any remaining balance in such Capital Account will be retained by the transferor, regardless of whether it has retained any Class A Units or Common Units issued upon conversion of Class A Units (“**Retained Converted Class A Units**”). Following any such allocation, the transferor’s Capital Account, if any, maintained with respect to the retained Class A Units or Retained Converted Class A Units, if any, will have a balance equal to the amount allocated under clause (B) hereinabove, and the transferee’s Capital Account established with respect to the transferred Class A Units or Common Units issued upon conversion of Class A Units will have a balance equal to the amount allocated under clause (A) hereinabove.”

(d) **Article V; Section 5.12**. Article V of the Partnership Agreement is hereby amended to add a new **Section 5.12** creating a new series of Partnership Interests as follows:

“**Section 5.12 Establishment of Class A Units**.”

(a) *General*. The General Partner hereby designates and creates a class of Partnership Interest to be designated as “Class A Units” and consisting of a total of 1,250,000 Class A Units, and fixes the designations, preferences and relative, participating, optional or other special rights, powers and duties of holders of the Class A Units as set forth in this **Section 5.12**.

(b) *Rights of Class A Units*. During the period commencing upon issuance of the Class A Units and ending on the Class A Conversion Effective Date:

(i) *Allocations*. Except as otherwise provided in this Agreement, all items of Partnership income, gain, loss, deduction and credit, including Unrealized Gain or Unrealized Loss to be allocated to Partners pursuant to **Section 6.1(c)**, shall be allocated to the Class A Units to the same extent as such items would be so allocated if such Class A Units were Common Units that were then Outstanding.

(ii) *Distributions.* Prior to the Class A Conversion Effective Date, the Class A Units shall not be entitled to receive distributions of Available Cash pursuant to Section 6.3.

(c) *Voting Rights.* Prior to the Class A Conversion Effective Date, the Class A Units shall be entitled to vote with the Common Units as a single class on any matters on which Unitholders are entitled to vote, except that the Class A Units shall be entitled to vote as a separate class on any matter that adversely affects the rights or preferences of the Class A Units in relation to other classes of Partnership Interests (including as a result of a merger or consolidation) or as required by law. The approval of a majority of the Class A Units shall be required to approve any matter for which the holders of the Class A Units are entitled to vote as a separate class. Each Class A Unit will be entitled to the number of votes equal to the number of Common Units into which a Class A Unit is convertible at the time of the Record Date for the vote or written consent on the matter.

(d) *Certificates.* The Class A Units will be evidenced by certificates in substantially the form of Exhibit A to Amendment No. 1 to this Agreement and, subject to Section 6.10 and the satisfaction of any applicable legal and regulatory requirements, may be assigned or transferred in a manner identical to the assignment and transfer of Common Units. The certificates will initially include a restrictive legend to the effect that the Class A Units have not been registered under the Securities Act or any state securities laws.

(e) *Registrar and Transfer Agent.* The General Partner will act as registrar and transfer agent of the Class A Units.

(f) *Conversion.* Each Class A Unit shall automatically convert into one Common Unit (subject to appropriate adjustment pursuant to Section 5.9 in the event of any split-up, combination or similar event affecting the Common Units or other Units that occurs prior to the Class A Conversion Effective Date) on the Class A Conversion Effective Date without any further action by the holders thereof. The terms of the Class A Units will be changed, automatically and without further action, on the Class A Conversion Effective Date so that each Class A Unit is converted into one Common Unit and, immediately thereafter, none of the Class A Units shall be Outstanding; *provided, however*, that such converted Class A Units will remain subject to the provisions of Sections 6.1(d)(xiv) and 6.10.

(g) *Surrender of Certificates.* Subject to the requirements of Section 6.10, on or after the Class A Conversion Effective Date, each holder of Class A Units shall promptly surrender the Class A Unit Certificates therefor, duly endorsed, at the office of the General Partner or of any transfer agent for the Class A Units. In the case of any such conversion, the Partnership shall, as soon as practicable thereafter, issue and deliver at such office to such holder of Class A Units one or more Common Unit Certificates, registered in the name of such holder, or other evidence of the issuance of uncertificated certificates, for the number of Common Units to which such holder shall be entitled. Such conversion shall be deemed to have been made as of the Class A Conversion Effective Date whether or not the Class A Unit Certificate has been surrendered as of such date, and the Person entitled to receive the Common Units issuable upon such conversion shall be treated for all purposes as the record holder of such Common Units as of such date.

(e) **Article VI; Section 6.1(d)(iii)(A).** Section 6.1(d)(iii)(A) of the Partnership Agreement is hereby amended and restated to read in its entirety:

“(A) If the amount of cash or the Net Agreed Value of any property distributed (except cash or property distributed pursuant to Section 12.4) with respect to a Unit exceeds the amount of cash or the Net Agreed Value of property distributed with respect to another Unit (except a Class A Unit with respect to any Record Date prior to the Class A Conversion Effective Date) (the amount of the excess, an “**Excess Distribution**” and the Unit with respect to which the greater distribution is paid, an “**Excess Distribution Unit**”), then (1) there shall be allocated gross income and gain to each Unitholder receiving an Excess Distribution with respect to the Excess Distribution Unit until the aggregate amount of such items allocated with respect to such Excess Distribution Unit pursuant to this Section 6.1(d)(iii)(A) for the current taxable period and all previous taxable periods is equal to the amount of the Excess Distribution; and (2) the General Partner shall be allocated gross income and gain with respect to each such Excess Distribution in an amount equal to the product obtained by multiplying (aa) the quotient determined by dividing (x) the General Partner’s Percentage Interest at the time when the Excess Distribution occurs by (y) a percentage equal to 100% less the General Partner’s Percentage Interest at the time when the Excess Distribution occurs, times (bb) the total amount allocated in clause (1) above with respect to such Excess Distribution.

(f) **Article VI; Section 6.1(d)(xiv).** Section 6.1(d) is hereby amended to add a new Section 6.1(d)(xiv) as follows:

“(xiv) *Class A Economic Uniformity.* With respect to any taxable period in which the Class A Conversion Effective Date occurs (and, if necessary, any subsequent taxable period), items of Partnership gross income, gain, deduction or loss for the taxable period shall be allocated 100% to each Limited Partner with respect to such Limited Partner’s Class A Units that are Outstanding immediately before the Class A Conversion Effective Date in the proportion that the respective number of Class A Units held by such Partner bears to the total number of Class A Units then Outstanding, until each such Partner has been allocated the amount of gross income, gain, deduction or loss with respect to such Partner’s Class A Units that causes the Capital Account attributable to each Class A Unit, on a per Unit basis, to equal the Per Unit Capital Amount for a Common Unit on the Class A Conversion Effective Date. The purpose for this allocation is to establish uniformity between the Capital Accounts underlying converted Class A Units and the Capital Accounts underlying Common Units immediately prior to the conversion of Class A Units into Common Units.

(g) **Article VI; Section 6.10.** Article VI is hereby amended to add a new Section 6.10 as follows:

“Section 6.10 Special Provisions Relating to the Holders of Class A Units. A Unitholder holding a Common Unit issued upon conversion of a Class A Unit pursuant to Section 5.12 shall not be issued a Common Unit Certificate pursuant to Section 4.1, and shall not be permitted to transfer such Common Units until such time as the General Partner determines, based on advice of counsel, that the Common Unit issued upon conversion of such Class A Unit should have, as a substantive matter, like intrinsic economic and federal income tax characteristics of an Initial Common Unit. In connection with the condition imposed by this Section 6.10, the General

Partner shall take whatever steps are required to provide economic uniformity to the Common Units issued upon conversion of Class A Units in preparation for a transfer of such Common Units, including the application of Sections 5.5(c)(iv) and 6.1(d)(xiv); *provided, however*, that no such steps may be taken that would have a material adverse effect on the Unitholders holding Common Units represented by Common Unit Certificates.”

Section 2. **RATIFICATION OF PARTNERSHIP AGREEMENT**. Except as expressly modified and amended herein, all of the terms and conditions of the Partnership Agreement shall remain in full force and effect.

Section 3. **GOVERNING LAW**. This Amendment will be governed by and construed in accordance with the laws of the State of Delaware.

IN WITNESS WHEREOF, the General Partner has executed this Amendment as of the date first written above.

Rose Rock Midstream Agrees to Acquire Interest in White Cliffs Pipeline From SemGroup Corporation

Acquisition Will Provide Immediate Accretion

Company Release - 01/09/2013 08:40

TULSA, Okla., Jan. 9, 2013 (GLOBE NEWSWIRE) — Rose Rock Midstream, L.P. (NYSE:RRMS) and SemGroup® Corporation (NYSE:SEMG) (SemGroup) announced today that Rose Rock Midstream has agreed to acquire a 33.3 percent interest in SemCrude Pipeline, L.L.C., which owns 51 percent of the White Cliffs Pipeline, from SemGroup for \$273.9 million. Following the acquisition, Rose Rock Midstream will effectively own 17 percent of White Cliffs Pipeline.

The White Cliffs Pipeline is a 527-mile common carrier, crude oil pipeline system that originates in Colorado and terminates in Cushing, Oklahoma. It has a current capacity of 70,000 barrels per day and has announced an expansion project for an additional 80,000 barrels per day resulting in total capacity of 150,000 barrels per day. This expansion is expected to be completed in the first half of 2014.

“We are excited to announce our first drop down transaction for Rose Rock Midstream, which will be immediately accretive to the partnership’s common unit holders,” said Norm Szydlowski, president and CEO of Rose Rock Midstream. “This acquisition supports our strategic plan and is complementary to our existing crude-based business. The White Cliffs Pipeline is a very strategic asset and the only pipeline that directly transports crude oil from the DJ Basin to Cushing, OK.”

The acquisition, which is expected to close by January 14, 2013, will be immediately accretive to distributable cash flow on a per unit basis and will be funded with approximately:

- \$130.3 million of cash borrowings under Rose Rock Midstream’s revolving credit facility,
- \$59.3 million of equity from the private placement of common units,
- \$44.4 million of equity from the issuance of common units to SemGroup, and
- \$37.0 million of equity from the issuance of Class A units to SemGroup. The Class A units will not receive any distributions, but are convertible into common units on a one-for-one basis once the White Cliffs Pipeline achieves an average monthly volume of 125,000 barrels per day.

SemGroup will maintain its two percent general partner interest in Rose Rock Midstream.

In connection with the transaction, Rose Rock Midstream exercised the accordion on its revolving credit agreement which increased the total borrowing capacity from \$150 million to \$385 million.

The terms of the acquisition were approved by the Conflicts Committee of the Board of Directors of Rose Rock Midstream’s general partner. The Conflicts Committee engaged Evercore Partners to act as its independent financial advisor and to render a fairness opinion, and Akin Gump Strauss Hauer & Feld, LLP to act as its legal advisor. LCT Capital, LLC and Citi acted as financial advisors to SemGroup on the transaction.

2013 Adjusted EBITDA and Capex Guidance

Rose Rock Midstream expects 2013 Adjusted EBITDA of \$56 million to \$60 million; capital expenditures of \$60 million, including \$4 million for maintenance; and a target distribution growth rate of 10 to 15 percent year-over-year.

Non-GAAP Financial Measures

This Press Release and the accompanying schedules include the non-GAAP financial measure of Adjusted EBITDA, which may be used periodically by management when discussing our financial results with investors and analysts. The accompanying schedule of this Press Release provides a reconciliation of this non-GAAP financial measure to its most directly comparable financial measures calculated and presented in accordance with generally accepted accounting principles in the United States of America (GAAP). Adjusted EBITDA is presented as management believes it provides additional information and metric relative to the performance of our business.

Net income is the GAAP measure most directly comparable to Adjusted EBITDA. Our non-GAAP financial measure should not be considered as an alternative to the most directly comparable GAAP financial measure. This non-GAAP financial measure has important limitations as an analytical tool because it excludes some, but not all, items that affect the most directly comparable GAAP financial measure. You should not consider Adjusted EBITDA in isolation or as a substitute for analysis of our results as reported under GAAP. Because Adjusted EBITDA may be defined differently by other companies in our industry, our definitions of this non-GAAP financial measure may not be comparable to a similarly titled measure of other companies, thereby diminishing its utility.

Management compensates for the limitation of Adjusted EBITDA as an analytical tool by reviewing the comparable GAAP measure, understanding the differences between Adjusted EBITDA, on the one hand, and net income (loss), on the other hand, and incorporating this knowledge into its decision-making processes. We believe that investors benefit from having access to the same financial measures that our management uses in evaluating our operating results.

Forward-Looking Statements

Certain matters contained in this Press Release include “forward-looking statements.” All statements, other than statements of historical fact, included in this Press Release including the timing of the closing of the acquisition, accretion expectations as a result of the acquisition, the prospects of our industry, our anticipated financial performance, including distributable cash flow, management’s plans and objectives for future operations, business prospects, market conditions and other matters, may constitute forward-looking statements. Although we believe that the expectations reflected in these forward-looking statements are reasonable, we cannot assure you that these expectations will prove to be correct. These forward-looking statements are subject to certain known and unknown risks and uncertainties, as well as assumptions that could cause actual results to differ materially from those reflected in these forward-looking statements. Factors that might cause actual results to differ include, but are not limited to, delays in the closing of the acquisition, the failure to satisfy conditions to closing of the acquisition of the private placement, insufficient cash from operations following the establishment of cash reserves and payment of fees and expenses to pay the minimum quarterly distribution; any sustained reduction in demand for crude oil in markets served by our midstream assets; our ability to obtain new sources of supply of crude oil; competition from other midstream energy companies; our ability to comply with the covenants contained in and maintain certain financial ratios required by our credit facility; our ability to access credit markets; our ability to renew or replace expiring storage contracts; the loss of or a material nonpayment or nonperformance by any of our key customers; the overall forward market for crude oil; the possibility that our hedging activities may result in losses or may have a negative impact on our financial results; hazards or operating risks incidental to the gathering, transporting or storing of crude oil; our failure to comply with new or existing environmental laws or regulations; the possibility that the construction of the expansion of the White Cliffs Pipeline, as well as the construction or acquisition of new assets may not result in the corresponding anticipated revenue increases; as well as other risk factors discussed from time to time in each of our documents and reports filed with the SEC.

Readers are cautioned not to place undue reliance on any forward-looking statements contained in this Press Release, which reflect management's opinions only as of the date hereof.
