Item 1.01. Entry into a Material Definitive Agreement.

SemCAMS Midstream ULC Amended and Restated Credit Agreement

On June 13, 2019, SemCAMS Midstream ULC (“SemCAMS Midstream”) entered into an Amended and Restated Credit Agreement (the “Credit Agreement”), together with the lenders named therein and The Toronto-Dominion Bank, as administrative agent. The Credit Agreement continues to provide for a C\$350.0 million senior secured term loan facility (the “SemCAMS Term Loan Facility”), provides for a C\$500.0 million senior secured revolving credit facility (the “SemCAMS Revolving Facility”) and provides for a C\$300 million senior secured construction loan facility (the “KAPS Facility”). The SemCAMS Term Loan Facility and SemCAMS Revolving Facility mature on February 25, 2024. The KAPS Facility matures on June 13, 2024. SemCAMS Midstream may incur additional term loans and revolving commitments under the SemCAMS Term Loan Facility or SemCAMS Revolving Facility, as applicable, provided that the total commitments under the Credit Agreement do not exceed C\$1.6 billion, subject to receiving commitments for such additional term loans or revolving commitments from either new lenders or increased commitments from existing lenders.

At SemCAMS Midstream’s option, the term loans and revolving loans under the Credit Agreement will bear interest at the LIBO rate, the prime rate or an alternate base rate plus, in each case, an applicable margin based on SemCAMS Midstream’s leverage ratio under the Credit Agreement.

The Credit Agreement includes customary representations and warranties and affirmative and negative covenants, which were made only for the purposes of the Credit Agreement and as of the specific date (or dates) set forth therein, and may be subject to certain limitations as agreed upon by the contracting parties, and apply only to SemCAMS Midstream and any restricted subsidiaries of SemCAMS Midstream. Such limitations include the creation of new liens, indebtedness, making of certain restricted payments and payments on indebtedness, making certain dispositions, making material changes in business activities, making fundamental changes including liquidations, mergers or consolidations, making certain investments, entering into certain transactions with affiliates, entering into sale and leaseback transactions, entering into certain hedging arrangements and funding or engaging in activities in violation of applicable sanctions, anti-money laundering legislation and applicable corruption statutes. In addition, upon the initial drawdown of loans under the KAPS Facility, certain covenants customary to a construction loan facility of this nature apply.

In addition, the Credit Agreement contains financial performance covenants as follows:

- Leverage ratio:
 - except during the period commencing on the initial drawdown of loans under the KAPS Facility and ending at the end of the tenth fiscal quarter thereafter (the “Covenant Adjustment Period”),
 - so long as no permitted junior debt is outstanding, SemCAMS Midstream’s leverage ratio may not exceed 4.50 to 1.00 as of the last date of any fiscal quarter; provided, that if SemCAMS Midstream consummates a material acquisition, the leverage ratio may not exceed 5.00 to 1.00 as of the last date of the fiscal quarter in which such material acquisition occurs, and as of the last date of the two fiscal quarters immediately following thereafter;

- if any permitted junior debt is outstanding, SemCAMS Midstream's leverage ratio may not exceed 5.00 to 1.00 as of the last date of any fiscal quarter; provided, that if SemCAMS Midstream consummates a material acquisition, the leverage ratio may not exceed 5.50 to 1.00 as of the last date of the fiscal quarter in which such material acquisition occurs, and as of the last date of the two fiscal quarters immediately following thereafter;
- during any Covenant Adjustment Period:
 - SemCAMS Midstream's leverage ratio may not exceed 5.00 to 1.00 as of the last date of any fiscal quarter (except during the last three quarters of the Covenant Adjustment Period);
 - SemCAMS Midstream's leverage ratio may not exceed 4.75 to 1.00 as of the last date of any of the three final fiscal quarters of the Covenant Adjustment Period;
- Minimum debt service coverage ratio: SemCAMS Midstream's debt service coverage ratio may not be less than 1.20 to 1.00 as of the last date of any fiscal quarter; and
- Senior leverage ratio: if any permitted junior debt is outstanding, SemCAMS Midstream's senior leverage ratio may not exceed 3.50 to 1.00 as of the last date of any fiscal quarter; provided, that if SemCAMS Midstream consummates a material acquisition, the senior leverage ratio may not exceed 4.00 to 1.00 as of the last date of the fiscal quarter in which such material acquisition occurs, and as of the last date of the two fiscal quarters immediately following thereafter.

The Credit Agreement includes customary events of default, including events of default relating to inaccuracy of representations and warranties in any material respect when made or when deemed made, non-payment of principal and other amounts owing under the Credit Agreement, including, in respect of, violation of covenants, cross acceleration to any material indebtedness of SemCAMS Midstream and its subsidiaries, bankruptcy and insolvency events, certain unsatisfied judgments, certain invalidities of loan documents and the occurrence of a change of control. In addition, after the initial drawdown of the KAPS Facility, additional events of default that are customary for a construction loan facility of this nature apply. A default under the Credit Agreement would permit the participating banks to require immediate repayment of any outstanding loans with interest and any unpaid accrued fees, and exercise other rights and remedies.

The foregoing description of the Credit Amendment does not purport to be complete and is qualified in its entirety by reference to the Credit Amendment, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated into this Item 1.01 by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under Item 1.01 of this Current Report on Form 8-K is incorporated into this Item 2.03 by reference.

- (ii) The Revolving Facility shall, subject to this Agreement, be available on a revolving basis from the Closing Date until the Revolving Facility Maturity Date, and the Borrower may borrow, repay and reborrow Cdn. Dollars or US Dollars, may issue, repay and re-issue Bankers' Acceptances or BA Equivalent Advances and may obtain, cancel and re-obtain Letters of Credit thereunder, subject always to the proviso in Section 2.1(e).
- (iii) The KAPS Facility shall, subject to this Agreement, be available on a non-revolving basis from the Amendment Effective Date until the KAPS Facility Maturity Date by way of multiple Drawdowns. All principal repayments of the Outstanding Principal under the KAPS Facility shall permanently reduce the Total KAPS Facility Commitment by the amount of each such repayment (and each KAPS Facility Lender's KAPS Facility Commitment shall automatically be permanently reduced by its Applicable Percentage thereof) without the requirement for further action by any party hereto and may not be reborrowed.
- (iv) The Operating Facility shall, subject to this Agreement, be available on a revolving basis from the Closing Date until the Operating Facility Maturity Date, and the Borrower may borrow, repay and reborrow Cdn. Dollars or US Dollars, may issue, repay and re-issue Bankers' Acceptances or BA Equivalent Advances and may obtain, cancel and re-obtain Letters of Credit thereunder, subject always to the proviso in Section 2.1(e).

- (g) **Purpose.** All Drawdowns under:
- (i) the Term Loan Facility shall only be used to (A) partially finance the Purchase Transaction and repay the SemGroup Note on the Closing Date, and (B) at the option of the Borrower, finance costs, fees and expenses related to the Purchase Transaction and costs, fees and expenses related to the Credit Facilities and the Loan Documents;
 - (ii) the KAPS Facility shall only be used to partially finance the construction of the KAPS Project by the KAPS JV; and
 - (iii) each of the Revolving Facility and the Operating Facility shall be used to partially finance the Purchase Transaction (including costs and fees related thereto and costs, fees and expenses (including in connection with any original issue discount) related to the Credit Facilities and the Loan Documents), the repayment of the SemGroup Note on the Closing Date and for the general corporate purposes of the Borrower (including, for certainty, to fund the working capital requirements of the Borrower, issue Letters of Credit and to fund capital expenditures, Investments, and Permitted Distributions, but not to fund the acquisition of any assets, or equity interests of Persons which own assets, located outside of Canada).
- (h) **Several Obligations of Lenders.** No Lender shall be responsible for the Commitments of any other Lenders. The failure of a Lender to make available its share of any Advance in accordance with this Agreement shall not release any other Lender from its obligations hereunder. Notwithstanding anything to the contrary in this Agreement, no Lender shall be obligated to make Advances under any Credit Facility (based, in the case of the Revolving Facility and the Operating Facility, on the Equivalent Amount thereof in Cdn. Dollars) in excess of its applicable Commitment thereunder. The obligation of each Lender to make its Commitment available to the Borrower under a Credit Facility is a separate obligation between that Lender and the Borrower and such obligation is not the joint or the joint and several obligation of any other Lender.

- (a) The Borrower may request Rollovers and Conversions upon the following terms and conditions:
 - (i) the Borrower may request a Rollover or Conversion by delivering a Conversion/Rollover/Repayment Notice with the same prior notice period that would apply if it were obtaining a Drawdown of the relevant type of Loan resulting from such Rollover or Conversion;
 - (ii) the Borrower may request a Rollover or Conversion of part only of a Loan, provided that:
 - (A) each Loan resulting from such Rollover or Conversion is not less than the relevant Drawdown minimum specified in Section 2.2(d);
 - (B) any portion of an existing LIBO Rate Loan or Bankers' Acceptances which is not rolled over or converted shall be repaid in accordance with the provisions hereof; and
 - (C) the Borrower may not convert a portion only of an outstanding Loan unless both the unconverted portion and converted portion of such Loan are equal to or exceed, in the relevant currency of each such portion, the minimum amounts required for Drawdowns of Loans of the same type as that portion as set forth in Section 2.2(d);
 - (iii) in respect of Conversions of a Loan denominated in one currency to a Loan denominated in another currency, the Borrower shall at the time of the Conversion repay the Loan or portion thereof being converted in the currency in which it was denominated and each Lender may make a further Advance to the Borrower in the Other Currency;
 - (iv) a Rollover/Conversion shall not result in an increase in Outstanding Principal as increases in Outstanding Principal may only be effected by Drawdowns;
 - (v) a Rollover or Conversion of a LIBO Rate Loan may occur only on the last day of the relevant Interest Period for such LIBO Rate Loan (unless the Borrower pays the breakage costs to the Lenders in accordance with Section 7.4(a));

If and to the extent that the Borrower fails to so notify the Agent, or to so pay the relevant LIBO Rate Loan in accordance with the foregoing, the Borrower, in the case of a LIBO Rate Loan, shall be deemed to have requested a Conversion into a USBR Loan, in each case in an amount equal to that portion of the LIBO Rate Loan which is not rolled over, converted or repaid.

- (c) In anticipation of the maturity of any Bankers' Acceptances, the Borrower shall, subject to and in accordance with the requirements hereof, do one or a combination of the following with respect to the aggregate face amount at maturity of all such Bankers' Acceptances:
 - (i) (A) request a Rollover of the maturing Bankers' Acceptances in accordance with Section 2.3(a), and (B) on the maturity date of the maturing Bankers' Acceptances, pay to the Agent for the account of the Lenders any amount that the Borrower is required to pay under Section 5.4;
 - (ii) (A) request a Conversion of the maturing Bankers' Acceptances to another type of Loan in accordance with Section 2.3(a), and (B) on the maturity date of the maturing Bankers' Acceptances pay to the Agent for the account of the Lenders an amount equal to the aggregate face amount of such Bankers' Acceptances; or

If and to the extent that the Borrower fails to notify the Agent or pay the relevant Bankers' Acceptances in accordance with the foregoing, the Borrower shall be deemed to have requested a Conversion into a Prime Loan in an amount equal to that portion of the Bankers' Acceptances which is not rolled over, converted or repaid.

2.4 Optional Reduction of Commitments

The Borrower may, at its option, permanently reduce the Commitments under any Credit Facility by cancelling all or any part of the undrawn portion of such Credit Facility, provided that:

- (a) the Borrower shall provide the Agent with at least three (3) Banking Days' prior written notice of any such cancellation (or such shorter period as the Agent may agree);
- (b) each such cancellation shall be a minimum of Cdn.\$5,000,000 and in whole multiples of Cdn.\$1,000,000 thereafter;
- (c) any such cancellation shall be allocated among the Lenders based on their respective Applicable Percentages under the applicable Credit Facility at the time of cancellation; and
- (d) any cancellation notice shall be irrevocable and shall be in a form reasonably satisfactory to the Agent, acting reasonably; provided, that such cancellation notice may be conditioned on the effectiveness of one or more transactions, including the effectiveness of one or more credit facilities.

2.5 Loans – General

- (a) Loans shall be made in such currency and at the time and in the manner requested by the Borrower, subject to this Agreement and upon fulfilment of all conditions precedent to the making of such Loans.
- (b) No Loans shall be made except on a Banking Day.
- (c) All payments by the Lenders hereunder shall be made to the Agent at the Agent's Branch in immediately available freely transferable funds in the applicable currency by no later than 2:00 p.m. (Toronto time) on the relevant Drawdown Date. All payments by the Borrower hereunder shall be made to the Agent at the Agent's Branch in immediately freely transferable funds by no later than 12:00 noon (Toronto time) on the relevant Drawdown Date. The Borrower shall open and maintain the Borrower's Accounts for the purpose of receiving Advances and making payments, repayments and prepayments under this Agreement.
- (d) The Agent shall open and maintain books of account or electronically stored records evidencing all Advances and all other amounts owing by the Borrower to the Lenders hereunder. The Agent shall enter in the foregoing books of account details of all applicable amounts from time to time owing, paid or repaid by the Borrower hereunder. The information entered in the foregoing books of account shall constitute prima facie evidence of the Outstandings owing from time to time by the Borrower to the Agent and the Lenders hereunder, absent manifest error.
- (e) The Operating Lender shall open and maintain separate books of account or electronically stored records evidencing all Operating Loans and all other amounts owing by the Borrower to the Operating Lender hereunder. The Operating Lender shall enter in the foregoing books of account details of all applicable amounts from time to time owing, paid or repaid by the Borrower hereunder. The information entered in the foregoing books of account shall constitute prima facie evidence of the Outstandings owing from time to time by the Borrower to the Operating Lender hereunder, absent manifest error.

2.6 Loans – Inter-Lender Arrangements

- (a) Upon receipt by the Agent of a Drawdown Notice or Conversion/Rollover/Repayment Notice from the Borrower under the Term Loan Facility, the Revolving Facility or the KAPS Facility, the Agent shall promptly advise each Applicable Lender of the date, amount and other particulars with respect to such Drawdown, Conversion or Rollover and the amount of each Lender's Applicable Percentage thereof.
- (b) Subject to prior satisfaction of the applicable conditions precedent set forth in Article 3, each Term Lender, Revolving Lender or KAPS Facility Lender shall remit its Applicable Percentage of each requested Advance under the Term Loan Facility, the Revolving Facility or the KAPS Facility to the Agent's Accounts on the relevant Drawdown Date, Rollover Date or Conversion Date for same day value. Subject to Section 15.11, the Agent shall make such funds available to the Borrower by crediting the Borrower's Accounts for same day value on such Drawdown Date, Rollover Date or Conversion Date.
- (c) Subject to prior satisfaction of the applicable conditions precedent set forth in Article 3, the Operating Lender shall make each requested Advance (other than by way of Overdraft) under the Operating Facility available to the Borrower on the relevant Drawdown Date, Rollover Date or Conversion Date by crediting the Borrower's Accounts for same day value on such Drawdown Date, Rollover Date or Conversion Date.

2.7 Extension of Applicable Maturity Date

- (a) The Borrower may, at its option, by delivering to the Agent a written extension request (in this Section 2.7, an “**Extension Request**”) within 90 days to 45 days prior to the anniversary of the Closing Date in each year, request that the Lenders extend the Applicable Maturity Date of any Credit Facility; provided that the new Applicable Maturity Date of such Credit Facility cannot be more than five (5) years after the effective date of such extension; and provided further that this request cannot be made more than once in each calendar year following the Closing Date.
- (b) Promptly after receipt from the Borrower of an executed Extension Request in respect of a Credit Facility, the Agent shall deliver to each Applicable Lender a copy of such Extension Request, and each such Lender may, on or before the date (the “**Election Date**”) that is thirty (30) days after the date on which the Agent received the Extension Request, advise the Agent in writing: (i) whether such Lender will agree to extend the Applicable Maturity Date; and (ii) if such Lender will agree to extend the Applicable Maturity Date, the amount, if any, by which such Lender is prepared to increase its Commitment in the event the Borrower proposes to cause the Commitment of a Non-Extending Lender (as defined below) to be assigned; provided that if any such Lender fails to so advise the Agent by the Election Date, then such Lender shall be deemed to have advised the Agent that it will not agree to extend the Applicable Maturity Date. The Agent shall promptly notify the Borrower if any such Lender advises (or is deemed to advise) that it will not agree to extend the Applicable Maturity Date. Subject to the provisions of Section 2.7(d), the Agent shall only extend the Applicable Maturity Date upon the agreement of the Applicable Lenders holding at least 50% of the aggregate Commitments of all of the Applicable Lenders under such Credit Facility at such time and such extension shall apply only to those Applicable Lenders which provided their agreement to such extension (the “**Extending Lenders**”). The determination of each such Lender whether or not to agree to extend the Applicable Maturity Date shall be made by each individual Lender in its sole discretion.
- (c) As soon as all the Applicable Lenders have advised, or are deemed to have advised, the Agent as to whether or not they agree to extend the Applicable Maturity Date of a Credit Facility, but in any event within two (2) Banking Days after the Election Date, the Agent shall either:
- (i) deliver to the Borrower (with a copy to each Lender) a written extension (an “**Extension Notice**”) signed by the Agent setting forth the new Applicable Maturity Date for each Applicable Lender that is an Extending Lender in respect of the most recent Extension Request resulting from that extension; or
 - (ii) notify the Borrower that the Extension Request has been denied.

If the Extension Request in respect of a Credit Facility is approved by Applicable Lenders holding at least 50% of the aggregate Commitments of all of the Applicable Lenders but by less than all of the Applicable Lenders, then the Agent shall also advise the Borrower of which Applicable Lender(s) did not agree to the Extension Request (each, a “**Non-Extending Lender**”), the amount of each Non-Extending Lender’s Commitment and the amount, if any, by which each Extending Lender is prepared to increase its Commitment in the event the Borrower proposes to cause the Commitment of a Non-Extending Lender to be assigned.

- (d) The failure of the Agent to deliver an Extension Notice or to notify the Borrower of the denial of the Extension Request within two (2) Banking Days after the Election Date, as provided in Section 2.7(c)(i), shall be conclusively deemed to be notification by the Agent of the denial of the Extension Request.

- (e) Upon the delivery by the Agent to the Borrower of an Extension Notice in respect of a Credit Facility in accordance with Section 2.7(c)(i), the Applicable Maturity Date for each of the Extending Lenders shall be extended, with effect from the date specified in the Extension Notice, to a date that is one (1) or more years, as applicable, later than the then current Applicable Maturity Date for each of those Extending Lenders, as specified in such Extension Notice.
- (f) If an Extension Request in respect of a Credit Facility is approved by Applicable Lenders holding at least 50% of the aggregate Commitments of all of the Lenders whose Applicable Maturity Date is to be extended but there are Non-Extending Lenders, then the Borrower may, on or prior to the earlier of the next anniversary of the date hereof and the Applicable Maturity Date of the applicable Non-Extending Lender (failing which the Extension Request shall be deemed to be denied), either:
- (i) advise the Agent in writing of its determination to not extend the Applicable Maturity Date;
 - (ii) elect to extend the then current Applicable Maturity Date for the requested additional period, such extension applying only to the Extending Lenders;
 - (iii) require a Non-Extending Lender to assign all of its rights, benefits and interests under the Loan Documents relating to its Commitment thereunder, its Commitment thereunder and the related share of all Outstandings which are then outstanding (collectively, the “**Assigned Interests**”) to (A) any Extending Lenders which have agreed to increase their Commitments and purchase Assigned Interests, and (B) to the extent the Assigned Interests are not transferred to Extending Lenders, financial institutions selected by the Borrower and acceptable to the Agent and the Fronting Lender(s), each acting reasonably. Such assignments shall be effective upon the earlier of the next anniversary of the date hereof and the Applicable Maturity Date in respect of such Non-Extending Lender; provided, however, that prior to such effective date the applicable parties shall execute Assignment and Assumption and the relevant assignee shall pay to the relevant Non-Extending Lender (in immediately available funds) an amount equal to its share of all Outstandings being assigned. The relevant Non-Extending Lender shall not be required to pay to the Agent the transfer fee contemplated in Section 16.2(b)(v) in connection with an assignment of Assigned Interests pursuant to this Section 2.7(f). Upon such assignment and transfer, the Non-Extending Lender shall have no further right, interest or obligation in respect of such Credit Facility and the assignee thereof shall succeed to the position of such Non-Extending Lender (X) to the extent of such assignment as if the same was an original party hereto in the place and stead of such Non-Extending Lender; and (Y) as if such assignee had agreed to extend the Applicable Maturity Date in accordance with this Section 2.7; or
 - (iv) to the extent that the Borrower has not caused any Non-Extending Lender to assign its rights and interests to an Extending Lender or other financial institution as provided above, the Borrower may, notwithstanding any other provision hereof, repay to such Non-Extending Lender its share of all Outstandings then outstanding under the applicable Credit Facility, without making corresponding repayment to the Extending Lenders and, upon provision satisfactory to the relevant Non-Extending Lender (acting reasonably) being made for payment at maturity of all outstanding Bankers’ Acceptances accepted by such Lender and all outstanding LIBO Rate Loans made by such Lender, the Borrower may cancel such Lender’s Commitment under such Credit Facility. Upon completion of the foregoing, such Non-Extending Lender shall have no further right, interest, benefit or obligation in respect of such Credit Facility and the total Commitments under such Credit Facility shall be reduced by the amount of such Non-Extending Lender’s cancelled Commitment.

- (g) The extension of the Applicable Maturity Date in respect of any Applicable Lender under a Credit Facility is subject to the conditions that:
- (i) on the date that the extension occurs, the Extending Lenders are satisfied that no Default or Event of Default has occurred and is continuing and each extension of the Applicable Maturity Date shall be deemed to constitute a representation and warranty by the Borrower to the Lenders as to the matters described above; and
 - (ii) Schedule A hereto is revised, as required, to reflect the applicable Commitments of the Extending Lenders under such Credit Facility and, if applicable, any new Lenders, and this Credit Agreement is otherwise amended as required to reflect any applicable reductions or changes in the Commitments of the Applicable Lenders.
- (h) Subject to Section 7.1 and Section 12.2, all Outstandings owing under or in respect of a Credit Facility for each Applicable Lender shall be repaid or paid, as the case may be, in full by the Borrower to that Lender and shall be reduced to zero on the Applicable Maturity Date applicable to such Commitment.

2.8 Hedging and Bilateral LCs With Lenders

- (a) Subject to the hedging restrictions in Section 9.3(i), each Hedge Lender may elect to enter into Hedge Agreements with the Borrower or any other Obligors, and all Lender Hedge Obligations shall at all times be secured on a pari passu basis with the other Lender Secured Obligations; provided that any Lender that enters into a Hedge Agreement in good faith and without actual knowledge of a contravention of the hedging restrictions in Section 9.3(i) shall be entitled to the benefit of any Obligor Guarantee and Security Documents on a pari passu basis regardless of any contravention of such negative covenant (and any Hedge Lender shall be conclusively entitled to rely upon a certificate of the Borrower which certifies that any Hedge Agreement will not contravene the hedging restrictions in Section 9.3(i)).
- (b) Subject to the proviso in clause (h) of the definition of 'Permitted Debt', each Bilateral LC Facility Lender may elect to enter into Bilateral LC Facility Agreements with the Borrower or any other Obligors, and all Bilateral LC Facility Obligations in respect of Bilateral LCs issued while such Bilateral LC Facility Lender is a Lender hereunder (and extensions thereof) shall at all times be secured on a pari passu basis with the other Lender Secured Obligations; provided that any Lender that enters into a Bilateral LC Facility Agreement in good faith and without actual knowledge of a contravention of the proviso in clause (h) of the definition of 'Permitted Debt' shall be entitled to the benefit of any Obligor Guarantee and Security Documents on a pari passu basis regardless of any contravention of such restrictions (and any Bilateral LC Facility Lender shall be conclusively entitled to rely upon a certificate of the Borrower which certifies that any Bilateral LC Facility Agreement will not contravene the proviso in clause (h) of the definition of 'Permitted Debt').

2.9 Increase in Credit Facilities

The Borrower may at any time and from time to time add additional financial institutions hereunder as Revolving Lenders or Term Lenders or, with the consent of the Applicable Lender, increase the Revolving Commitment or the Term Commitment of a Lender and, in each case, thereby increase the Total Revolving Commitment or Total Term Commitment, provided that, at the time of any such addition or increase:

- (a) no Default or Event of Default has occurred and is continuing;
- (b) the Borrower shall have delivered to the Agent an Officer's Certificate confirming the accuracy of clause (a) above and confirming (i) the corporate authorization of the Borrower to make such increase, (ii) the truth and accuracy of the representations and warranties of the Borrower contained in this Agreement as of such date, and (iii) that no consents, approvals or authorizations from any Person are required for such increase (except as have been unconditionally obtained and are in full force and effect, unamended), each as at the effective date of such increase in the maximum principal amount of the applicable Credit Facility, and attaching a certified copy of a directors' resolution of the Borrower authorizing any such increase (which authorization may be contained in an existing directors' resolution authorizing this Agreement);
- (c) after giving effect to each such increase, the Total Commitment shall not exceed Cdn.\$1,600,000,000; and
- (d) the Agent and, if applicable, each Fronting Lender have each consented to such financial institution becoming a Lender or, in the case of an existing Lender, increasing its Commitment, such consents not to be unreasonably withheld; and

concurrently with the addition of a financial institution as an additional Lender or the increase of a Lender's Commitment pursuant to this Section 2.9, such financial institution or Lender, as the case may be, shall purchase from each Lender, such portion of the Outstanding Principal owed to each Lender under the applicable Credit Facility as may be required by the Agent, acting reasonably, and as is necessary to ensure that the Outstanding Principal owed to all Lenders under the applicable Credit Facility and including therein such additional financial institution and the increased Commitment of any Lender under such Credit Facility, are in accordance with the Lender's Applicable Percentage of all such Lenders (including the new financial institution and the increased Commitment of any Lender) and such financial institution shall execute such documentation as is required by the Agent, acting reasonably, to novate such financial institution as a Lender hereunder; provided that with respect to any portion of such Outstanding Principal which is outstanding by way of Bankers' Acceptances, the new financial institution or such Lender shall provide an indemnity to the other Lenders in order to ensure such Bankers' Acceptances are outstanding in accordance with the new Applicable Percentage. In addition to and without limiting the foregoing, the Agent shall (and is hereby authorized by all parties to) amend Schedule A hereto from time to time to reflect and give effect to the foregoing.

2.10 Hostile Acquisitions

- (a) In the event the Borrower wishes to utilize proceeds of one or more Loans under the Revolving Facility or the Operating Facility after the Closing Date to, or to provide funds to any Subsidiary to, finance an offer to acquire (which shall include an offer to purchase securities, solicitation of an offer to sell securities, an acceptance of an offer to sell securities, whether or not the offer to sell was solicited, or any combination of the foregoing) outstanding securities of any Person (the "**Target**") which constitutes a "**take-over bid**" pursuant to applicable securities legislation, including the Canada Business Corporations Act if the Target is governed thereby, and the board of directors of that Person, or other body serving similar functions, has not approved the offer or recommended to the equityholders of the Target that they sell their equity interests pursuant to the proposed offer (in any case, a "**Take-over**"), then either:
 - (i) prior to or concurrently with delivery to the Agent or the Operating Lender of any Drawdown Notice pursuant to Section 2.2 requesting one or more Loans under the Revolving Facility or the Operating Facility, the proceeds of which are to be used to finance such Take-over, the Borrower shall provide to the Agent evidence satisfactory to the Agent (acting reasonably) that the board of directors or like body of the Target, or the holders of all of the securities of the Target, has or have approved, accepted, or recommended to security holders acceptance of, the Take-over; or

- (ii) the following steps shall be followed:
- (A) at least five (5) Banking Days prior to the delivery to the Agent or the Operating Lender of any Drawdown Notice pursuant to Section 2.2 requesting one or more Loans intended to be used to finance such Take-over, the Borrower shall advise the Agent, who shall promptly advise an appropriate officer of each Revolving Lender under the Revolving Facility or Operating Lender under the Operating Facility, as applicable, of the particulars of such Take-over in sufficient detail to enable each such Lender (the “**Notified Lender**”) to determine whether it has a conflict of interest if Loans from such Lender are used by the Borrower to finance such Take-over;
 - (B) within three (3) Banking Days of being so advised, each Notified Lender shall notify the Agent of such Notified Lender’s determination as to whether such a conflict of interest exists (such determination to be made by such Notified Lender in the exercise of its sole discretion, having regard to such considerations as it deems appropriate); provided that in the event such Notified Lender does not so notify the Agent within such three (3) Banking Day period, such Notified Lender shall be deemed to have notified the Agent that it has no such conflict of interest; and
 - (C) the Agent shall promptly notify the President or Chief Financial Officer of the Borrower of each Notified Lender’s determination;

and in the event that any Notified Lender has such a conflict of interest (an “**Affected Lender**”), then upon the Agent so notifying the Borrower, the Affected Lender shall have no obligation to provide Loans to finance such Take-over, notwithstanding any other provision of this Credit Agreement to the contrary; provided however that each other Notified Lender (a “**Non-Affected Lender**”) which has, or is deemed to have, no such conflict of interest shall have an obligation, up to the amount of its Commitment under the Revolving Facility, to provide Loans to finance such Take-over, and Loans to finance such Take-over shall be provided by each Non-Affected Lender in accordance with the ratio, determined prior to the provision of any Loans to finance such Take-over, that the Commitment of such Non-Affected Lender under the Revolving Facility bears to the aggregate of the Commitments of all the Non-Affected Lenders under the Revolving Facility.

- (b) If Loans are used after the Closing Date to finance a Take-over and there are Affected Lenders under the Revolving Facility, subsequent Loans under the Revolving Facility shall be funded firstly by such Affected Lenders, and subsequent repayments under the Revolving Facility shall be applied firstly to Non-Affected Lenders, in each case, until such time as the proportion that the amount of each Lender’s Outstanding Principal under the Revolving Facility bears to the amount of the total Outstanding Principal under the Revolving Facility of all Lenders is equal to such proportion which would have been in effect but for the application of this Section 2.10.

Article 4 PAYMENTS OF INTEREST AND FEES

4.1 Interest on Prime Loans

The Borrower shall pay interest to the Agent on behalf of each Applicable Lender on each Prime Loan outstanding from time to time under the Term Loan Facility, the Revolving Facility or the KAPS Facility, at a rate per annum equal to the Prime Rate in effect from time to time plus the Applicable Margin. The Borrower shall pay interest to the Operating Lender on each Prime Loan outstanding from time to time under the Operating Facility at a rate per annum equal to the Prime Rate in effect from time to time plus the Applicable Margin. Such interest shall accrue daily and shall be payable quarterly in arrears on each Interest Payment Date for such Loan for the period from and including

the Drawdown Date or the preceding Conversion Date or Interest Payment Date, as the case may be, for such Loan to and including the day preceding such Interest Payment Date and shall be calculated on the principal amount of the Prime Loan outstanding during such period and on the basis of the actual number of days elapsed in a year of 365 days. Changes in the Prime Rate shall cause an immediate adjustment of the interest rate applicable to such Loans without the necessity of any notice to the Borrower.

4.2 Interest on USBR Loans

The Borrower shall pay interest in US Dollars to the Agent on behalf of each Revolving Lender on each USBR Loan outstanding from time to time under the Revolving Facility at a rate per annum equal to the US Base Rate in effect from time to time plus the Applicable Margin. The Borrower shall pay interest to the Operating Lender on each USBR Loan outstanding from time to time under the Operating Facility at a rate per annum equal to the US Base Rate in effect from time to time plus the Applicable Margin. Such interest shall accrue daily and shall be payable quarterly in arrears on each Interest Payment Date for such Loan for the period from and including the Drawdown Date or the preceding Conversion Date or Interest Payment Date, as the case may be, for such Loan to and including the day preceding such Interest Payment Date and shall be calculated on the principal amount of the USBR Loan outstanding during such period and on the basis of the actual number of days elapsed in a year of 365 days. Changes in the US Base Rate shall cause an immediate adjustment of the interest rate applicable to such Loans without the necessity of any notice to the Borrower.

4.3 Interest on LIBO Rate Loans

The Borrower shall pay interest to the Agent on behalf of each Revolving Lender on each LIBO Rate Loan outstanding under the Revolving Facility during each Interest Period applicable thereto at a rate per annum, calculated on the basis of a 360 day year, equal to the LIBO Rate with respect to such Interest Period plus the Applicable Margin. The Borrower shall pay interest to the Operating Lender on each LIBO Rate Loan outstanding under the Operating Facility during each Interest Period applicable thereto at a rate per annum, calculated on the basis of a 360 day year, equal to the LIBO Rate with respect to such Interest Period plus the Applicable Margin. Such interest shall accrue daily and shall be payable in arrears on each Interest Payment Date for such Loan for the period from and including the Drawdown Date or the preceding Rollover Date, Conversion Date or Interest Payment Date, as the case may be, for such Loan to and including the day preceding such Interest Payment Date and shall be calculated on the principal amount of the LIBO Rate Loan outstanding during such period and on the basis of the actual number of days elapsed divided by 360.

4.4 Stamping Fees

Upon the acceptance by an Applicable Lender of a Bankers' Acceptance, the Borrower shall pay to the Agent for the account of such Applicable Lender a stamping fee in Cdn. Dollars equal to the Applicable Margin calculated on the principal amount at maturity of such Bankers' Acceptance and for the period of time from and including the date of acceptance to but excluding the maturity date of such Bankers' Acceptance and calculated on the basis of the actual number of days elapsed in a year of 365 days.

4.5 LC and Related Fees

- (a) The Borrower shall pay to the Agent for the account of the Revolving Lenders, pro rata in accordance with their respective Applicable Percentages, the LC Fee for each Revolving Letter of Credit issued at the request of the Borrower equal to the Applicable Margin multiplied by the daily maximum amount then available to be drawn under such Revolving Letter of Credit (whether or not such maximum amount is then in effect under such Revolving Letter of Credit if such maximum amount increases periodically pursuant to the

terms of such Revolving Letter of Credit); provided, however, that any LC Fees otherwise payable for the account of a Defaulting Lender with respect to any Revolving Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the Fronting Lender pursuant to Section 16.11(d) shall be payable, to the maximum extent permitted by Applicable Law, to the other Revolving Lenders in accordance with the upward adjustments in their respective Applicable Percentages allocable to such Revolving Letter of Credit pursuant to Section 16.11(d), with the balance of such LC Fee, if any, payable to the Fronting Lender for its own account. The LC Fee for each Revolving Letter of Credit shall be payable quarterly in arrears, on the basis of the number of days such Revolving Letter of Credit was outstanding in a year of 365 days, on the fifth Banking Day of each Fiscal Quarter following the issuance of such Revolving Letter of Credit and upon termination or cancellation of the Total Revolving Commitment and following receipt of a written notice from the Agent setting out the amount of such fee.

- (b) The Borrower shall pay to the Operating Lender the LC Fee for each Operating Letter of Credit issued at the request of the Borrower equal to the Applicable Margin multiplied by the daily maximum amount then available to be drawn under such Operating Letter of Credit (whether or not such maximum amount is then in effect under such Operating Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Operating Letter of Credit). The LC Fee for each Operating Letter of Credit shall be payable quarterly in arrears, on the basis of the number of days such Operating Letter of Credit was outstanding in a year of 365 days, on the fifth Banking Day of each Fiscal Quarter following the issuance of such Operating Letter of Credit and upon termination or cancellation of the Operating Commitment and following receipt of a written notice from the Operating Lender setting out the amount of such fee.
- (c) In addition to the LC Fee, the Borrower shall pay directly to the Fronting Lender for its own account a Fronting Fee calculated at a rate per 365 day period equal to the rate to be agreed upon in writing by the Borrower and the Fronting Lender on or before each anniversary of the Closing Date, which shall be computed on the daily amount available to be drawn under such Letter of Credit and paid on a quarterly basis in arrears. Such Fronting Fee shall be due and payable on the fifth Banking Day of each April, July, October and January in respect of the immediately preceding Fiscal Quarter (or portion thereof, in the case of the first payment) and following receipt of a written notice from the Agent setting out the amount of such fee, commencing with the first such date to occur after the issuance of such Letter of Credit. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.8.
- (d) In addition to the above fees, the Borrower shall pay directly to the Issuing Bank for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of the Issuing Bank relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within five (5) Banking Days of demand and are non-refundable, except as otherwise agreed by the Issuing Bank.

4.6 Standby Fees

- (a) **Revolving Facility.** The Borrower shall pay to the Agent for the account of each Revolving Lender a standby fee in Cdn. Dollars calculated at a rate per annum equal to the Applicable Margin (based on a year of 365 days) on the amount, if any, for each day by which the amount of the Outstanding Principal owing to such Revolving Lender under the Revolving Facility is less than the Revolving Commitment of such Revolving Lender. Fees determined in accordance with this Section 4.6(a) shall accrue daily from the first day of each Fiscal Quarter until the last day of each Fiscal Quarter and be payable quarterly in arrears on the fifth Banking Day of each Fiscal Quarter and following receipt of a written notice from the

Agent setting out the amount of such fee, until the earlier of (i) cancellation in full of the undrawn portion of the Revolving Facility and (ii) the Revolving Facility Maturity Date. In order to calculate the daily Outstanding Principal under this Section 4.6(a) for any day in a calendar quarter, the Agent shall convert any Revolving Loans in US Dollars into the Equivalent Amount of Cdn. Dollars.

- (b) **Operating Facility.** The Borrower shall pay to the Operating Lender a standby fee in Cdn. Dollars calculated at a rate per annum equal to the Applicable Margin (based on a year of 365 days) on the amount, if any, for each day by which the amount of the Outstanding Principal under the Operating Facility is less than the Operating Commitment. Fees determined in accordance with this Section 4.6(b) shall accrue daily from the first day of each Fiscal Quarter until the last day of each Fiscal Quarter and be payable quarterly in arrears on the fifth Banking Day of each Fiscal Quarter and following receipt of a written notice from the Agent setting out the amount of such fee, until the earlier of (i) cancellation in full of the undrawn portion of the Operating Facility and (ii) the Operating Facility Maturity Date. In order to calculate the daily Outstanding Principal under this Section 4.6(b) for any day in a calendar quarter, the Operating Lender shall convert any Operating Loans in US Dollars into the Equivalent Amount of Cdn. Dollars.
- (c) **KAPS Facility.** The Borrower shall pay to the Agent for the account of each KAPS Facility Lender a standby fee in Cdn. Dollars calculated at a rate per annum equal to the Applicable Margin (based on a year of 365 days) on the amount, if any, for each day by which the amount of the Outstanding Principal owing to such KAPS Facility Lender under the KAPS Facility is less than the KAPS Facility Commitment of such KAPS Facility Lender. Fees determined in accordance with this Section 4.6(c) shall accrue daily from the first day of each Fiscal Quarter until the last day of each Fiscal Quarter and be payable quarterly in arrears on the fifth Banking Day of each Fiscal Quarter and following receipt of a written notice from the Agent setting out the amount of such fee, until the earlier of (i) cancellation in full of the undrawn portion of the KAPS Facility and (ii) the KAPS Facility Maturity Date. For certainty, the standby fee provided for in this Section 4.6(b) shall cease to accrue once the KAPS Facility is fully drawn.

4.7 Default Interest

Notwithstanding any other provision hereof, if at any time an Event of Default has occurred and is continuing, the Borrower shall pay interest on the principal amount of all Outstandings hereunder (including but not limited to Letters of Credit) at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent not prohibited by Applicable Law. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

4.8 Agent's Fees

The Borrower shall pay to the Agent, for its own account, all agency fees payable from time to time pursuant to the separate written agreement between such parties. Any unpaid agency fees shall be deemed to form part of the Outstandings.

4.9 General Interest Provisions

- (a) Each determination by the Agent of the Prime Rate, US Base Rate, CDOR Rate or LIBO Rate in effect at any time shall be prima facie evidence thereof for all purposes of this Agreement, absent manifest error.

- (b) Each determination by the Agent of the amount of interest, fees or other amounts due from the Borrower hereunder shall be prima facie evidence of the accuracy of such determination, absent manifest error.
- (c) All interest, fees and other amounts payable by the Borrower hereunder shall accrue daily, be computed as described herein, and be payable both before and after demand, maturity, default and judgment.
- (d) To the extent permitted by Applicable Law, the covenant of the Borrower to pay interest at the rates provided herein shall not merge in any judgment relating to any obligation of the Borrower to the Lenders or the Agent and any provision of the *Interest Act* (Canada) or *Judgment Interest Act* (Alberta) which restricts any rate of interest set forth herein shall be inapplicable to this Agreement and is hereby waived by the Borrower.
- (e) No interest or fee to be paid hereunder shall be paid at a rate exceeding the maximum rate permitted by Applicable Law. In the event that such interest or fee exceeds such maximum rate, such interest or fees shall be reduced or refunded, as the case may be, so as to be payable at the highest rate recoverable under Applicable Law.
- (f) Whenever a rate of interest hereunder is calculated on the basis of a year (the “**deemed year**”) which contains fewer days than the actual number of days in the calendar year of calculation, such rate of interest shall be expressed as a yearly rate for purposes of the *Interest Act* (Canada) by multiplying such rate of interest by the actual number of days in the calendar year of calculation and dividing it by the number of days in the deemed year.
- (g) The principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement; all interest payments to be made hereunder shall be paid without allowance or deduction for deemed reinvestment or otherwise, before and after maturity, default and judgment. The rates of interest specified in this Agreement are intended to be nominal rates and not effective rates. Interest calculated hereunder shall be calculated using the nominal rate method and not the effective rate method of calculation.
- (h) The Borrower confirms that each of the Obligors and the Parent Pledgors understands and is able to calculate the rate of interest applicable to Loans based on the methodology for calculating *per annum* rates provided in this Agreement. The Borrower irrevocably agrees not to plead or assert (and to cause each other Obligor and each Parent Pledgor to not plead or assert), whether by way of defence or otherwise, in any proceeding relating to this Agreement or any other Loan Document, that the interest payable under this Agreement or any other Loan Document and the calculation thereof has not been adequately disclosed to the Borrower, the other Obligors and the Parent Pledgors as required pursuant to Section 4 of the *Interest Act* (Canada) or any other Applicable Law.

4.10 Defaulting Lender Fees

Each Defaulting Lender shall be entitled to receive any fees payable under this Article 4 for any period during which such Lender is a Defaulting Lender only to the extent allocable to the sum of the Outstanding Principal of any Loans funded by it. With respect to any fees not required to be paid to any Defaulting Lender pursuant to the preceding sentence, the Borrower shall pay to each Lender that is not a Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender’s participation in the Loans that has been reallocated to the other Lenders as provided for in Section 16.11(b) or Section 16.11(d).

Article 5
BANKERS' ACCEPTANCES

5.1 Form and Execution of Bankers' Acceptances

The following provisions shall apply to each Bankers' Acceptance under any Credit Facility:

- (a) the face amount at maturity of each draft drawn by the Borrower to be accepted as a Bankers' Acceptance shall be a whole number multiple of Cdn.\$1,000;
- (b) the term to maturity of each draft drawn by the Borrower to be accepted as a Bankers' Acceptance shall, subject to market availability as determined by the Applicable Lenders, be one (1), two (2), three (3) or six (6) months (or such other longer or shorter term as agreed by the Applicable Lenders), as selected by the Borrower in the relevant Drawdown Notice or Conversion/Rollover/Repayment Notice, and each Bankers' Acceptance shall be payable and mature on the last day of the Interest Period selected by the Borrower for such Bankers' Acceptance;
- (c) each draft drawn by the Borrower and presented for acceptance by an Applicable Lender shall be drawn on the standard form of such Lender in effect at the time; provided however, that the Agent may require the Applicable Lenders to use a generic form of Bankers' Acceptance, in a form satisfactory to each Lender, acting reasonably, provided by the Agent for such purpose in place of such Lenders' own forms;
- (d) subject to Section 5.1(e), Bankers' Acceptances shall be signed by duly Authorized Officers of the Borrower or, in the alternative, the signatures of such officers may be mechanically reproduced in facsimile thereon and Bankers' Acceptances bearing such facsimile signatures shall be binding on the Borrower as if they had been manually executed and delivered by such officers on behalf of the Borrower; notwithstanding that any person whose manual or facsimile signature appears on any Bankers' Acceptance may no longer be an authorized signatory for the Borrower on the date of issuance of a Bankers' Acceptance, such signature shall nevertheless be valid and sufficient for all purposes as if such authority had remained in force at the time of such issuance and any such Bankers' Acceptance shall be binding on the Borrower; and
- (e) in lieu of the Borrower signing Bankers' Acceptances in accordance with Section 5.1(d) and, for so long as the power of attorney in Section 5.2(a) is in force with respect to a given Lender, such Lender shall execute and deliver Bankers' Acceptances on behalf of the Borrower in accordance with the provisions thereof and, for certainty, all references herein to drafts drawn by the Borrower, Bankers' Acceptances executed by the Borrower or similar expressions shall be deemed to include Bankers' Acceptances executed in accordance with such power of attorney, unless the context otherwise requires.

If and for so long as the power of attorney referred to in Section 5.2(a) is in force with respect to each of the Lenders, it is intended that pursuant to the DBNA, all Bankers' Acceptances accepted by the Lenders under this Agreement will be issued in the form of a "depository bill" (as defined in the DBNA), deposited with a "clearing house" (as defined in the DBNA including The Canadian Depository for Securities Ltd. or its nominee CDS & Co.). In order to give effect to the foregoing, the Agent will, subject to the approval of the Borrower and the Applicable Lenders, establish and notify the Borrower and the Applicable Lenders of any additional procedures, consistent with the terms of this Agreement and the DBNA, as are reasonably necessary to accomplish such intention, including:

- (a) any instrument held by the Agent for the purposes of Bankers' Acceptances will have marked prominently and legibly on its face and within its text, at or before the time of issue, the words "This is a depository bill subject to the Depository Bills and Notes Act (Canada)";
- (b) any reference to the authentication of the Bankers' Acceptance will be removed; and
- (c) any reference to the "bearer" will be removed and such Bankers' Acceptances will not be marked with any words prohibiting negotiation, transfer or assignment of it or of an interest in it.

5.2 Power of Attorney; Provision of Bankers' Acceptances to Lenders

- (a) As a condition precedent to each Applicable Lender's obligation to accept Bankers' Acceptances hereunder, the Borrower hereby appoints each Lender, acting by any authorized signatory of the Lender in question, the attorney of the Borrower:
 - (i) to sign for and on behalf and in the name of the Borrower as drawer, drafts in such Lender's standard form which are depository bills as defined in the DBNA, payable to a "clearing house" (as defined in the DBNA) including The Canadian Depository For Securities Limited or its nominee, CDS & Co. (the "**clearing house**");
 - (ii) for drafts which are not depository bills, to sign for and on behalf and in the name of the Borrower as drawer and to endorse on its behalf, Bankers' Acceptances drawn on the Lender payable to the order of the undersigned or payable to the order of such Lender;
 - (iii) for Discount Notes, to sign for and on behalf and in the name of the Borrower as drawer and to endorse on its behalf Discount Notes payable to the order of such Lender;
 - (iv) to fill in the amount, date and maturity date of such Bankers' Acceptances (or Discount Notes as applicable); and
 - (v) to deposit and/or deliver such Bankers' Acceptances which have been accepted by such Lender or such Discount Notes which are payable to the order of such Lender,

provided that such acts in each case are to be undertaken by the Applicable Lender in question strictly in accordance with instructions given to such Lender by the Borrower as provided in this Section. For certainty, signatures of any authorized signatory of a Lender may be mechanically reproduced in facsimile on Bankers' Acceptances (or Discount Notes as applicable) in accordance herewith and such facsimile signatures shall be binding and effective as if they had been manually executed by such authorized signatory of such Lender.

Instructions from the Borrower to a Lender relating to the execution, completion, endorsement, discount, deposit and/or delivery by that Lender on behalf of the Borrower of Bankers' Acceptances (or Discount Notes as applicable) which the Borrower wishes to submit to the Lender for acceptance by the Lender shall be communicated by the Borrower in writing to the Agent by delivery to the Agent of Drawdown Notices and Conversion/Rollover/Repayment Notices, as the case may be, in accordance with this Agreement which, in turn, shall be communicated by the Agent, on behalf of the Borrower, to the Lender.

The communication in writing by the Borrower, or on behalf of the Borrower by the Agent, to the Lender of the instructions set out in the Drawdown Notices and Conversion/Rollover/Repayment Notices referred to above shall constitute (a) the authorization and instruction of the Borrower to the Lender to sign for and on behalf and in the name of the Borrower as drawer the requested Bankers' Acceptances (or Discount Notes as applicable) and to complete and/or endorse Bankers' Acceptances (or Discount Notes as applicable) in accordance with such information as set out above and (b) the request of the Borrower to the Lender to accept such Bankers' Acceptances and deposit the same with the clearing house or deliver the same, as the case may be, in each case in accordance with this Agreement and such instructions. The Borrower acknowledges that a Lender shall not be obligated to accept any such Bankers' Acceptances except in accordance with the provisions of this Agreement.

A Lender shall be and it is hereby authorized to act on behalf of the Borrower upon and in compliance with instructions communicated to that Lender as provided herein if the Lender reasonably believes such instructions to be genuine. If a Lender accepts Bankers' Acceptances pursuant to any such instructions, that Lender shall confirm particulars of such instructions and advise the Agent that it has complied therewith by notice in writing addressed to the Agent and served personally or sent by telecopier in accordance with the provisions hereof. A Lender's actions in compliance with such instructions, confirmed and advised to the Agent by such notice, shall be conclusively deemed to have been in accordance with the instructions of the Borrower.

This power of attorney may be revoked by the Borrower with respect to any particular Lender at any time upon not less than five (5) Banking Days' prior written notice served upon the Lender in question and the Agent, provided that no such revocation shall reduce, limit or otherwise affect the obligations of the Borrower in respect of any Bankers' Acceptance (or Discount Note as applicable) executed, completed, endorsed, deposited and/or delivered in accordance herewith prior to the time at which such revocation becomes effective.

- (b) If the power of attorney in Section 5.2(a) is revoked with respect to any Lender, the Borrower shall, from time to time as required by the Applicable Lenders, provide to the Agent for delivery to each such Lender drafts drawn in blank by the Borrower (pre-endorsed and otherwise in fully negotiable form, if applicable) in quantities sufficient for each such Lender to fulfil its obligations hereunder. Any such pre-signed drafts which are delivered by the Borrower to the Agent or a Lender shall be held in safekeeping by the Agent or such Lender, as the case may be, with the same degree of care as if they were the Agent's or such Lender's Property, and shall only be dealt with by the Lenders and the Agent in accordance herewith. No Lender shall be responsible or liable for its failure to make its share of any Drawdown, Rollover or Conversion of Bankers' Acceptances required hereunder if the cause of such failure is, in whole or in part, due to the failure of the Borrower to provide such pre-signed drafts to the Agent (for delivery to such n Lender) on a timely basis.
- (c) By 10:00 a.m. (Toronto time) on the applicable Drawdown Date, Conversion Date or Rollover Date, the Borrower shall (i) either deliver to each Applicable Lender, or, if previously delivered, be deemed to have authorized each Applicable Lender to complete and accept, or (ii) where the power of attorney in Section 5.2(a) is in force with respect to an Applicable Lender, be deemed to have authorized each such Lender to sign on behalf of the Borrower, complete and accept, drafts drawn by the Borrower on such Lender in a principal amount at maturity equal to such Lender's share of the Bankers' Acceptances specified by the Borrower in the relevant Drawdown Notice or Conversion/Rollover/Repayment, as the case may be, as notified to the Lenders by the Agent.

5.3 Mechanics of Issuance

- (a) Upon receipt by the Agent of a Drawdown Notice or Conversion/Rollover/Repayment Notice from the Borrower requesting the issuance of Bankers' Acceptances under a Credit Facility, the Agent shall promptly notify the Applicable Lenders thereof and advise each Applicable Lender of the aggregate face amount of Bankers' Acceptances to be accepted by such Lender, the date of issue, the Interest Period for such Bankers' Acceptances and, in the case of Schedule I Lenders, whether such Bankers' Acceptances are to be self-marketed by the Borrower or purchased by such Applicable Lender for its own account; the apportionment among such Lenders of the face amounts of Bankers' Acceptances to be accepted by each Applicable Lender shall be determined by the Agent by reference and in proportion to the respective applicable Commitments under the applicable Credit Facility of each Applicable Lender; provided that, when such apportionment cannot be evenly made, the Agent shall round allocations amongst such Lenders consistent with the Agent's normal money market practices.
- (b) Unless the Borrower has elected pursuant to Section 5.3(c) to have each applicable Schedule I Lender purchase for its own account the Bankers' Acceptances to be accepted by it in respect of any Drawdown, Rollover or Conversion under a Credit Facility, on each Drawdown Date, Rollover Date or Conversion Date involving the issuance of Bankers' Acceptances:
- (i) the Borrower shall obtain offers from prospective purchasers regarding the sale of the Bankers' Acceptances accepted by the Schedule I Lenders and shall accept such offers in its sole discretion;
 - (ii) by no later than 10:00 a.m. (Toronto time) on such date, the Borrower shall provide the Agent with details regarding the sale of the Bankers' Acceptances described in (i) above whereupon the Agent shall promptly notify the applicable Schedule I Lenders of the identity of the purchasers of such Bankers' Acceptances, the amounts being purchased by such purchasers, the BA Discount Proceeds and the stamping fee applicable to such issue of Bankers' Acceptances pursuant to Section 4.4 (including each Applicable Lender's share thereof);
 - (iii) each applicable Schedule I Lender shall complete and accept in accordance with the Drawdown Notice or Conversion/Rollover/Repayment Notice delivered by such Borrower and, if applicable, advised by the Agent in connection with such issue, its share of the Bankers' Acceptances to be issued on such date; and
 - (iv) each applicable Schedule I Lender shall, on receipt of the BA Discount Proceeds, remit the BA Discount Proceeds (net of the stamping fee payable to such Lender pursuant to Section 4.4) to the Agent for the account of the Borrower; the Agent shall make such funds available to the Borrower for same day value on such date.
- (c) The Borrower may, with respect to the issuance of Bankers' Acceptances under a Credit Facility which are accepted by Schedule I Lenders, elect in the Drawdown Notice or Conversion/Rollover/Repayment Notice, as the case may be, delivered in respect of such issuance to have the applicable Schedule I Lenders purchase such Bankers' Acceptances for their own account. With respect to the issuance of Bankers' Acceptances accepted under a Credit Facility by all other Applicable Lenders, all such other Applicable Lenders shall in all cases purchase such Bankers' Acceptances for their own account. On each such Drawdown Date, Rollover Date or Conversion Date involving the issuance of Bankers' Acceptances being so purchased by the Applicable Lenders:
- (i) on or about 10:00 a.m. (Toronto time) on such date, the Agent shall determine the CDOR Rate and shall obtain quotations from each Schedule II Lender or Schedule III Lender of the Discount Rate then applicable to bankers' acceptances accepted by such Schedule II or Schedule III Lender in respect of an issue of bankers' acceptances having identical issue and comparable maturity dates to the Bankers' Acceptances proposed to be issued on such date;

- (ii) on or about 10:00 a.m. (Toronto time) on such date, the Agent shall determine the BA Discount Rate applicable to each Applicable Lender and shall advise each Applicable Lender of the BA Discount Rate applicable to it;
 - (iii) each Applicable Lender shall complete and accept, in accordance with the Drawdown Notice or Conversion/Rollover/Repayment Notice delivered by the Borrower and advised by the Agent in connection with such issue, its share of the Bankers' Acceptances to be issued on such date and shall purchase such Bankers' Acceptances for its own account at a purchase price which reflects the BA Discount Rate applicable to such issue; and
 - (iv) in the case of a Drawdown, each Applicable Lender shall, for same day value on the Drawdown Date, remit the BA Discount Proceeds or advance the BA Equivalent Advance, as the case may be, payable by such Lender (net of the stamping fee payable to such Lender pursuant to Section 4.4) to the Agent for the account of the Borrower; the Agent shall make such funds available to the Borrower for same day value on such date.
- (d) Each Lender may at any time and from time to time hold, sell, rediscount or otherwise dispose of any or all Bankers' Acceptances accepted and purchased by it for its own account.

5.4 Rollovers

In order to satisfy the continuing liability of the Borrower to a Lender for the face amount of maturing Bankers' Acceptances accepted by such Lender, such Lender shall receive and retain for its own account the BA Discount Proceeds of new Bankers' Acceptances issued on a Rollover, and the Borrower shall on the maturity date of the Bankers' Acceptances being rolled over pay to the Agent for the account of the Lenders an amount equal to the difference between the face amount of the maturing Bankers' Acceptances and the BA Discount Proceeds from the new Bankers' Acceptances, together with the stamping fees to which the Lenders are entitled pursuant to Section 4.4.

5.5 Conversion into Bankers' Acceptances

In respect of Conversions into Bankers' Acceptances, in order to satisfy the continuing liability of the Borrower to the Lenders for the amount of the converted Loan, each Lender shall receive and retain for its own account the BA Discount Proceeds of the Bankers' Acceptances issued upon such Conversion, and the Borrower shall on the Conversion Date pay to the Agent for the account of the Lenders an amount equal to the difference between the principal amount of the converted Loan and the aggregate BA Discount Proceeds from the Bankers' Acceptances issued on such Conversion, together with the stamping fees to which the Lenders are entitled pursuant to Section 4.4.

5.6 Conversion from Bankers' Acceptances

In order to satisfy the continuing liability of the Borrower to the Lenders for an amount equal to the aggregate face amount of the maturing Bankers' Acceptances converted to another type of Loan, the Agent shall record the obligation of the Borrower to the Lenders as a Loan of the type into which such continuing liability has been converted.

5.7 BA Equivalent Advances

Notwithstanding the foregoing provisions of this Article 5, a Non-Acceptance Lender shall, in lieu of accepting Bankers' Acceptances, make a BA Equivalent Advance. The amount of each BA Equivalent Advance shall be equal to the BA Discount Proceeds which would be realized from a hypothetical sale of those Bankers' Acceptances which, but for this Section 5.7, such Lender would otherwise be required to accept as part of such a Drawdown, Conversion or Rollover of Bankers' Acceptances. To determine the amount of such BA Discount Proceeds, the hypothetical sale shall be deemed to take place at the BA Discount Rate for such Loan. Any BA Equivalent Advance shall be made on the relevant Drawdown Date, Rollover Date or Conversion Date as the case may be and shall remain outstanding for the term of the relevant Bankers' Acceptances. Concurrent with the making of a BA Equivalent Advance, a Non-Acceptance Lender shall be entitled to deduct therefrom an amount equal to the acceptance fee which, but for this Section 5.7, such Lender would otherwise be entitled to receive as part of such Loan. Upon the maturity date for such Bankers' Acceptances, the Borrower shall pay to each Non-Acceptance Lender an amount equal to the face amount of the Bankers' Acceptances which such Lender would have accepted as part of such Loan if it was not a Non-Acceptance Lender.

All references herein to "Loans" and "Bankers' Acceptances" shall, unless otherwise expressly provided herein or unless the context otherwise requires, be deemed to include BA Equivalent Advances made by a Non-Acceptance Lender as part of a Drawdown, Conversion or Rollover of Bankers' Acceptances.

5.8 Termination of Bankers' Acceptances

If at any time a Lender ceases to accept bankers' acceptances in the ordinary course of its business, such Lender shall be deemed to be a Non-Acceptance Lender and shall make BA Equivalent Advances in lieu of accepting Bankers' Acceptances under this Agreement.

5.9 Borrower Acknowledgements

In the event that the Borrower is marketing Bankers' Acceptances in accordance with Section 5.3(b), the Borrower hereby agrees that it shall make its own arrangements for the marketing and sale of such Bankers' Acceptances to be issued hereunder and that neither the Agent nor the Lenders shall have any obligation nor be responsible in that regard. The Borrower further acknowledges and agrees that the availability of purchasers for such Bankers' Acceptances requested to be issued hereunder, as well as all risks relating to the purchasers thereof, are its own risk.

Article 6 LETTERS OF CREDIT

6.1 Letter of Credit Commitment

- (a) Subject to the terms and conditions set forth herein, (i) the Fronting Lender agrees, in reliance upon the agreements of the other Revolving Lenders set forth in this Section 6.1, to issue Revolving Letters of Credit denominated in US Dollars or in Canadian Dollars under the Revolving Facility for the account of the Borrower; provided that the Revolving Lenders severally agree to participate in Letters of Credit issued for the account of such Obligor and (ii) the Operating Lender agrees to issue Operating Letters of Credit denominated in US Dollars or in Canadian Dollars under the Operating Facility for the account of the Borrower.

- (b) The Issuing Bank shall not be under any obligation to issue any Letter of Credit if:
- (i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Issuing Bank from issuing such Letter of Credit, or any Applicable Law applicable to the Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the Issuing Bank shall prohibit, or request that the Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which, in each case, the Issuing Bank in good faith deems material to it;
 - (ii) subject to Section 6.2(d), the expiry date of such requested Letter of Credit would occur more than twelve (12) months (or three hundred sixty-four (364) days in the case of trade Letters of Credit) after the date of issuance or last renewal, unless the Majority Revolving Lenders have approved such expiry date;
 - (iii) the expiry date of such requested Letter of Credit would occur after the third Banking Day prior to the Applicable Maturity Date, unless such Letter of Credit is Cash Collateralized pursuant to arrangements reasonably acceptable to the Issuing Bank;
 - (iv) the issuance of such Letter of Credit would violate one or more policies of the Issuing Bank in place at the time of such request; or
 - (v) in the case of a Revolving Letter of Credit, any Revolving Lender is at that time a Defaulting Lender, unless the Fronting Lender has entered into arrangements, including reallocation of the Defaulting Lender's Applicable Percentage share of the outstanding LC Obligations applicable pursuant to Section 16.11(d) or the delivery of Cash Collateral, satisfactory to the Fronting Lender (in its sole discretion), with the Borrower or such Defaulting Lender to eliminate the Fronting Lender's actual or potential Fronting Exposure (after giving effect to Section 16.11(d)) with respect to such Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other LC Obligations as to which the Fronting Lender has actual or potential Fronting Exposure, as it may elect in its sole discretion.
- (c) The Issuing Bank shall not be under any obligation to amend any Letter of Credit if (i) the Issuing Bank would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof or (ii) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.
- (d) The Fronting Lender shall act on behalf of the Revolving Lenders with respect to any Revolving Letters of Credit issued by it and the documents associated therewith, and the Fronting Lender shall have all of the benefits and immunities (A) provided to the Agent in Article 15 with respect to any acts taken or omissions suffered by the Fronting Lender in connection with Revolving Letters of Credit issued by it or proposed to be issued by it and LC Issuer Documents pertaining to such Revolving Letters of Credit as fully as if the term "Agent" as used in Article 15 included the Fronting Lender with respect to such acts or omissions, and (B) as additionally provided herein with respect to the Fronting Lender.
- (e) It is agreed that, in the case of a commercial Letter of Credit, such commercial Letter of Credit shall in no event provide for time drafts or bankers' acceptances.

6.2 Procedures for Issuance, Conversion and Amendment of Letters of Credit; Auto-Renewal Letters of Credit

- (a) Each Revolving Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to the Fronting Lender (with a copy to the Agent) in the form of a LC Application, appropriately completed and signed by the Borrower. Such LC Application must be received by the Fronting Lender and the Agent not later than 12:00 noon (Toronto time) at least three (3) Banking Days (or such shorter period as the Fronting Lender may agree in a particular instance in its reasonable discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such LC Application shall specify in form and detail reasonably satisfactory to the Fronting Lender: (i) the proposed issuance date of the requested Revolving Letter of Credit (which shall be a Banking Day); (ii) the amount thereof (including the specification of currency); (iii) the expiry date thereof; (iv) the name and address of the beneficiary thereof; (v) the documents to be presented by such beneficiary in case of any drawing thereunder; (vi) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (viii) such other matters as the Fronting Lender may reasonably request. In the case of a request for an amendment of any outstanding Revolving Letter of Credit, such LC Application shall specify in form and detail reasonably satisfactory to the Fronting Lender (1) the Revolving Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Banking Day); (3) the nature of the proposed amendment; and (4) such other matters as the Fronting Lender may reasonably request.
- (b) Each Operating Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to the Operating Lender in the form of a LC Application, appropriately completed and signed by the Borrower. Such LC Application must be received by the Operating Lender not later than 12:00 noon (Toronto time) at least three (3) Banking Days (or such shorter period as the Operating Lender may agree in a particular instance in its reasonable discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of an Operating Letter of Credit, such LC Application shall specify in form and detail reasonably satisfactory to the Operating Lender: (i) the proposed issuance date of the requested Operating Letter of Credit (which shall be a Banking Day); (ii) the amount thereof (including the specification of currency); (iii) the expiry date thereof; (iv) the name and address of the beneficiary thereof; (v) the documents to be presented by such beneficiary in case of any drawing thereunder; (vi) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (viii) such other matters as the Operating Lender may reasonably request. In the case of a request for an amendment of any outstanding Operating Letter of Credit, such LC Application shall specify in form and detail reasonably satisfactory to the Operating Lender (1) the Operating Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Banking Day); (3) the nature of the proposed amendment; and (4) such other matters as the Operating Lender may reasonably request.
- (c) Promptly after receipt of any LC Application for a Revolving Letter of Credit, the Fronting Lender will confirm with the Agent that the Agent has received a copy of such LC Application from the Borrower and, if not, the Fronting Lender will provide the Agent with a copy thereof. Upon receipt by the Fronting Lender of confirmation from the Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, the Fronting Lender shall, on the requested date, issue a Revolving Letter of Credit for the account of the Borrower or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Revolving Letter of Credit, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Fronting Lender a risk participation in such Revolving Letter of Credit in an amount equal to the product of such Lender's Applicable Percentage times the amount of such Revolving Letter of Credit.

- (d) If the Borrower so requests in any LC Application, the Issuing Bank may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic renewal provisions (each, an “**Auto-Renewal Letter of Credit**”); provided that any such Auto-Renewal Letter of Credit must permit the Issuing Bank to prevent any such renewal at least once in each twelve-month period (or, in the case of trade Letters of Credit, at least once in each 364-day period) (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the “**Nonrenewal Notice Date**”) in each such twelve-month period (or 364-day period, as applicable) to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the Issuing Bank, the Borrower shall not be required to make a specific request to the Issuing Bank for any such renewal. Once an Auto-Renewal Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the Issuing Bank to permit the renewal of such Letter of Credit; provided that, for avoidance of doubt, the Borrower shall ensure that any Letter of Credit with an expiry date after the third Banking Day prior to the Applicable Maturity Date complies with Section 6.1(b)(iii).
- (e) Promptly after its delivery of any Revolving Letter of Credit or any amendment to a Revolving Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the Fronting Lender will also deliver to the Borrower and the Agent a true and complete copy of such Revolving Letter of Credit or amendment, and (in the case of a Revolving Letter of Credit) the Agent shall notify each Revolving Lender of such issuance or amendment and the amount of such Revolving Lender’s Applicable Percentage share thereof and, upon a specific request by any Revolving Lender, furnish to such Lender a copy of such Revolving Letter of Credit or amendment.

6.3 Drawings and Reimbursements; Funding of Participations

- (a) Upon receipt from the beneficiary of any Revolving Letter of Credit of any demand for payment under such Revolving Letter of Credit, the Fronting Lender shall promptly notify the Borrower and the Agent thereof. If the Fronting Lender notifies the Borrower of such payment prior to 12:00 noon (Toronto time) on the date of any payment by the Fronting Lender under a Revolving Letter of Credit (each such date in this Section 6.3(a), an “**Honor Date**”), the Borrower shall reimburse the Fronting Lender through the Agent in an amount equal to the amount of such drawing by no later than the next succeeding Banking Day and such extension of time shall be reflected in computing fees in respect of any such Revolving Letter of Credit. If the Borrower fails to so reimburse the Fronting Lender by such time, the Borrower shall be deemed to have effected a Conversion of such Revolving Letter of Credit to Prime Loans under the Revolving Facility (in the case of a Letter of Credit denominated in Canadian Dollars) or USBR Loans under the Revolving Facility (in the case of a Letter of Credit denominated in US Dollars), to be disbursed on the Honor Date in an amount equal to unreimbursed drawing (the “**Unreimbursed Amount**”), without regard to the minimum and multiples specified in Section 2.2 or whether there is compliance with any of the conditions set forth in Section 3.2. Such deemed Conversion shall be to a Revolving Loan. The Agent shall promptly notify each Revolving Lender of the Honor Date, the Unreimbursed Amount, and the amount of such Revolving Lender’s pro rata share thereof. Any notice given by an Fronting Lender or the Agent pursuant to this Section 6.3(a) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

- (b) Upon receipt from the beneficiary of any Operating Letter of Credit of any demand for payment under such Operating Letter of Credit, the Operating Lender shall promptly notify the Borrower thereof. If the Operating Lender notifies the Borrower of such payment prior to 12:00 noon (Toronto time) on the date of any payment by the Operating Lender under an Operating Letter of Credit (each such date in this Section 6.3(b), an “**Honor Date**”), the Borrower shall reimburse the Operating Lender in an amount equal to the amount of such drawing by no later than the next succeeding Banking Day and such extension of time shall be reflected in computing fees in respect of any such Operating Letter of Credit. If the Borrower fails to so reimburse the Operating Lender by such time, the Borrower shall be deemed to have effected a Conversion of such Operating Letter of Credit to Prime Loans under the Operating Facility (in the case of an Operating Letter of Credit denominated in Canadian Dollars) or USBR Loans under the Operating Facility (in the case of a Letter of Credit denominated in US Dollars), to be disbursed on the Honor Date in an amount equal to unreimbursed drawing, without regard to the minimum and multiples specified in Section 2.2 or whether there is compliance with any of the conditions set forth in Section 3.2. Such deemed Conversion shall be to an Operating Loan.
- (c) Each Revolving Lender (including the Revolving Lender acting as an Fronting Lender) shall upon any notice pursuant to Section 6.3(a) make funds available (and the Agent may apply Cash Collateral provided for this purpose) for the account of the Fronting Lender at the Agent’s Branch in an amount equal to its pro rata share of the Unreimbursed Amount of each Revolving Letter of Credit not later than 2:00 p.m. (Toronto time) on the Banking Day specified in such notice by the Agent, whereupon each Revolving Lender that so makes funds available shall be deemed to have made a USBR Loan (in the case of a Revolving Letter of Credit denominated in US Dollars) or a Prime Loan (in the case of a Revolving Letter of Credit denominated in Canadian Dollars), to the Borrower in such amount. The Agent shall remit the funds so received to the Fronting Lender.
- (d) Until each Revolving Lender funds its Applicable Percentage share of any Revolving Loan pursuant to this Section 6.3 to reimburse the Fronting Lender for any amount drawn under any Revolving Letter of Credit, interest in respect of such Lender’s Applicable Percentage of such amount shall be solely for the account of the Fronting Lender.
- (e) Each Revolving Lender’s obligation to make Revolving Loans to reimburse the Fronting Lender for amounts drawn under Revolving Letters of Credit, as contemplated by this Section 6.3, shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any set-off, counterclaim, recoupment, defense or other right which such Lender may have against the Fronting Lender, the Borrower or any other Person for any reason whatsoever; (ii) the occurrence or continuance of a Default or Event of Default, (iii) non-compliance with any of the conditions set forth in Section 3.2 or (iv) any other occurrence, event or condition, whether or not similar to any of the foregoing. No such making of a Revolving Loan shall relieve or otherwise impair the obligation of the Borrower to reimburse the Fronting Lender for the amount of any payment made by the Fronting Lender under any Revolving Letter of Credit, together with interest as provided herein.
- (f) If any Revolving Lender fails to make available to the Agent for the account of the Fronting Lender any amount required to be paid by such Revolving Lender pursuant to the foregoing provisions of this Section 6.3 by the time specified in Section 6.3(c), then, without limiting the other provisions of this Agreement, the Fronting Lender shall be entitled to recover from such Revolving Lender (acting through the Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Fronting Lender at a rate per annum reasonably determined by the Fronting Lender in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by the Fronting Lender in connection with the foregoing. If such Revolving Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Revolving Lender’s Loan included in the relevant borrowing in respect of the relevant LC Borrowing, as the case may be. A certificate of the Fronting Lender submitted to any Revolving Lender (through the Agent) with respect to any amounts owing under this Section 6.3(f) shall be conclusive absent manifest error.

6.4 Repayment of Participations

- (a) If, at any time after an Fronting Lender has made a payment under any Revolving Letter of Credit issued by it and has received from any Revolving Lender such Lender's Applicable Percentage share of any Revolving Loan in respect of such payment in accordance with Section 6.3, if the Agent receives for the account of the Fronting Lender any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Agent), the Agent will distribute to such Revolving Lender its Applicable Percentage share of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Revolving Lender's Revolving Loan was outstanding) in the same funds as those received by the Agent.
- (b) If any payment received by the Agent for the account of the Fronting Lender pursuant to Section 6.3(a) is required to be returned by Applicable Law (including pursuant to any settlement entered into by the Fronting Lender in its discretion), each Revolving Lender shall pay to the Agent for the account of the Fronting Lender its Applicable Percentage share thereof on demand of the Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Revolving Lender, at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Revolving Lenders under this clause shall survive the repayment of the Outstandings under the Revolving Facility in full and the cancellation of the Revolving Facility.

6.5 Obligations Absolute

The obligation of the Borrower to reimburse the Issuing Bank for each drawing under each Letter of Credit and to repay each LC Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

- (a) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;
- (b) the existence of any claim, counterclaim, set-off, defense or other right that the Borrower may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the Issuing Bank or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;
- (c) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;
- (d) any payment by the Issuing Bank under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the Issuing Bank under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, in each case in the absence of its gross negligence or willful misconduct on the part of the Issuing Bank as determined by a final non-appealable judgment of a court of competent jurisdiction;

- (e) any exchange, release or non-perfection of any collateral, or any release or amendment or waiver of or consent to departure from any Obligor Guarantee or any Security Document, for all or any of the Outstandings of the Borrower in respect of such Letter of Credit; or
- (f) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower, in each case in the absence of its gross negligence or willful misconduct on the part of the Issuing Bank as determined by a final non-appealable judgment of a court of competent jurisdiction.

The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity, the Borrower will promptly notify the Issuing Bank. The Borrower shall be conclusively deemed to have waived any such claim against the Issuing Bank and its correspondents unless such notice is given as aforesaid.

6.6 Role of Issuing Bank

Each of the Borrower and the Revolving Lenders agrees that, in paying any drawing under a Letter of Credit, the Issuing Bank shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the Issuing Bank, any Related Party of the Issuing Bank nor any of the respective correspondents, participants or assignees of the Issuing Bank shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Revolving Lenders or the Majority Revolving Lenders, as applicable; (ii) any action taken or omitted by it in the absence of its gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or LC Application. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Issuing Bank, any Related Party of the Issuing Bank, nor any of the respective correspondents, participants or assignees of the Issuing Bank, shall be liable or responsible for any of the matters described in clauses (a) through (e) of Section 6.5; provided, however, that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against the Issuing Bank, and the Issuing Bank may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to indirect, special, punitive, consequential or exemplary, damages suffered by the Borrower which a court of competent jurisdiction determines in a final non-appealable judgment were caused by the Issuing Bank's willful misconduct or gross negligence or the Issuing Bank's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the Issuing Bank shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

6.7 Applicability of ISP98 and UCP

Unless otherwise expressly agreed by the Issuing Bank and the Borrower when a Letter of Credit is issued, (a) the rules of the “International Standby Practices 1998” published by the Institute of International Banking Law & Practice (or such later version thereof as may be in effect at the time of issuance) shall apply to each standby Letter of Credit, and (b) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce (the “ICC”) at the time of issuance shall apply to each commercial Letter of Credit.

6.8 Applicant Under Letter of Credit

6.9 Conflict with LC Application

In the event of any conflict between the terms hereof and the terms of any LC Application, the terms hereof shall control.

The Borrower shall provide the Agent with at least two (2) Banking Days' prior written notice of each such prepayment.

7.2 Optional Repayment

The Borrower may, without premium or penalty and at any time and from time to time, repay to the Agent for the account of the Lenders the whole or any part of any Loan under any Credit Facility (as directed by the Borrower), together with accrued interest thereon to the date of such repayment; provided that:

- (a) any optional prepayment hereunder shall be applied toward the prepayment of Outstanding Principal under (i) at any time prior to KAPS COD, the Term Loan Facility in direct order of maturity (and the Total Term Commitment shall be permanently reduced to the extent of each such prepayment in respect of Outstanding Principal thereunder), and (ii) at any time on or after KAPS COD, each of the Term Loan Facility and the KAPS Facility on a pro rata basis and in direct order of maturity (and the Total Term Commitment and the Total KAPS Facility Commitment shall each be permanently reduced to the extent of each such prepayment in respect of Outstanding Principal thereunder);
- (b) in anticipation of any repayment of any Loan, the Borrower shall give a Conversion/Rollover/Repayment Notice to the Agent at least (i) three (3) Banking Days prior to any such repayment in the case of LIBO Rate Loan, and (ii) one (1) Banking Day prior to any such repayment, in the case of any other Loan;
- (c) each repayment of any Loan shall be in a minimum amount equal to the lesser of:
 - (i) the applicable amounts set forth in Section 2.2(d); and
 - (ii) the Outstanding Principal of all Loans outstanding immediately prior to such repayment;
- (d) repayments pursuant to this Section may only be made on a Banking Day;
- (e) unless the Borrower pays breakage costs pursuant to Section 7.4(a), each such repayment may only be made on the last day of the applicable Interest Period with regard to a LIBO Rate Loan that is being repaid;
- (f) a Bankers' Acceptance (including a BA Equivalent Advance) may only be repaid on its maturity, but may be Cash Collateralized; and
- (g) a Letter of Credit may only be repaid if it is returned for cancellation, but may be Cash Collateralized.

7.3 Currency Excess

- (a) If, solely as a result of currency fluctuations, the Agent determines that the Outstanding Principal under the Revolving Facility or the Operating Facility exceeds the Total Revolving Commitment or the Operating Commitment, as applicable (the amount of such excess is herein called the "**Currency Excess**"), then, upon written request by the Agent (which request shall detail the applicable Currency Excess), the Borrower shall either repay sufficient Outstanding Principal under the Revolving Facility or the Operating Facility, as applicable, to remove the Currency Excess or collateralize the Currency Excess in accordance with Section 7.3(b) within (i) if the Currency Excess exceeds 5% of the maximum amount of the Total Revolving Commitment or the Operating Commitment, as applicable, five (5) Banking Days and (ii) in all other cases, twenty (20) Banking Days after receipt of such request by either repaying the Outstanding Principal under the Revolving Facility or the Operating Facility, as applicable, or providing Cash Collateral in accordance with Section 7.3(b) (or any combination thereof).

- (b) If and to the extent that the Borrower fails to make sufficient repayments to eliminate such Currency Excess under the Revolving Facility or the Operating Facility, as applicable (the remainder thereof being herein called the “**Currency Excess Deficiency**”), the Borrower shall place Cash Collateral in an amount equal to the Currency Excess Deficiency on deposit with the Agent in an interest-bearing account with interest at rates prevailing at the time of deposit for similar accounts with the Agent, to be held and applied to maturing Bankers’ Acceptances or LIBO Rate Loans under the Revolving Facility or the Operating Facility, as applicable, as the case may be (converted if necessary at the exchange rate for determining the Equivalent Amount on the date of such application). The Agent is hereby irrevocably directed by the Borrower to apply any such Cash Collateral to maturing Loans under the Revolving Facility or the Operating Facility, as applicable, as provided in the preceding sentence. Upon the Currency Excess being eliminated as aforesaid or by virtue of subsequent changes in the exchange rate for determining the Equivalent Amount, then, provided no Default or Event of Default is then continuing, such funds on deposit, together with interest thereon, shall be returned to the Borrower.

7.4 Additional Repayment Terms

- (a) If any LIBO Rate Loan is repaid or converted on other than the last day of the applicable Interest Period, the Borrower shall, within three (3) Banking Days after notice is given by the Agent, pay to the Agent for the account of the Applicable Lenders all costs, losses, premiums and expenses incurred by such Applicable Lenders by reason of the liquidation or re-deployment of deposits or other funds or for any other reason whatsoever resulting from the repayment of such Loan or any part thereof on other than the last day of the applicable Interest Period. Any Applicable Lender, upon becoming entitled to be paid such costs, losses, premiums and expenses, shall deliver to the Borrower and the Agent, a certificate of such Applicable Lender, prepared in good faith, certifying as to such amounts and, in the absence of manifest error, such certificate shall be conclusive and binding for all purposes.
- (b) With respect to the prepayment or Cash Collateralization of unmatured Bankers’ Acceptances required as a result of Section 7.2(f) or 12.4, the Borrower shall provide for the funding in full of such unmatured Bankers’ Acceptances by paying to and depositing with the Agent Cash Collateral for each such unmatured Bankers’ Acceptances equal to the face amount payable at maturity thereof; such Cash Collateral deposited by the Borrower shall be held by the Agent in an interest-bearing Cash Collateral Account with interest to be credited to the Borrower at rates prevailing at the time of deposit for similar accounts with the Agent. Such Cash Collateral Account shall be assigned to the Agent as security for the obligations of the Borrower in relation to such Bankers’ Acceptances and the security of the Agent thereby created shall rank in priority to all other Liens and adverse claims against such Cash Collateral. Such Cash Collateral shall be applied to satisfy the obligations of the Borrower for such Bankers’ Acceptances as they mature and the Agent is hereby irrevocably directed by the Borrower to apply any such Cash Collateral to such maturing Bankers’ Acceptances. Amounts held in such Cash Collateral Accounts may not be withdrawn by the Borrower without the consent of the Lenders; however, interest on such deposited amounts shall be for the account of the Borrower and may be withdrawn by the Borrower so long as no Default or Event of Default is then continuing. If after maturity of the Bankers’ Acceptances for which such funds are held and application by the Agent of the amounts in such Cash Collateral Accounts to satisfy the obligations of the Borrower hereunder with respect to the Bankers’ Acceptances being repaid, any excess remains, such excess shall be promptly paid by the Agent to the Borrower so long as no Default or Event of Default is then continuing.

- (c) With respect to the prepayment or Cash Collateralization of undrawn Letters of Credit required as a result of Section 7.2(g) or 12.4, the Borrower shall provide for the funding in full of such undrawn Letters of Credit by paying to and depositing with the Agent Cash Collateral for each such undrawn Letter of Credit equal to the maximum then undrawn amount payable at the maturity thereof; such Cash Collateral deposited by the Borrower shall be held by the Agent in an interest-bearing Cash Collateral Account with interest to be credited to the Borrower at rates prevailing at the time of deposit for similar accounts with the Agent. Such Cash Collateral Account shall be assigned to the Agent as security for the LC Obligations in relation to such Letters of Credit and the security of the Agent thereby created shall rank in priority to all other Liens and adverse claims against such Cash Collateral. Such Cash Collateral shall be applied to satisfy the LC Obligations for such Letters of Credit if they are drawn and the Agent is hereby irrevocably directed by the Borrower to apply any such Cash Collateral to pay the applicable LC Obligations. Amounts held in such Cash Collateral Accounts may not be withdrawn by the Borrower without the consent of the Revolving Lenders; however, interest on such deposited amounts shall be for the account of the Borrower and may be withdrawn by the Borrower so long as no Default or Event of Default is then continuing. If after the expiration or cancellation of the Letters of Credit for which such funds are held and application by the Agent of the amounts in such Cash Collateral Accounts to satisfy the applicable LC Obligations with respect to such Letters of Credit, any excess remains, such excess shall be promptly paid by the Agent to the Borrower so long as no Default or Event of Default is then continuing.

7.5 Payments – General

- (a) All payments of principal, interest, fees and other amounts to be made by the Borrower pursuant to this Agreement shall be made unconditionally and without set-off, defence, counterclaim or other reduction of any type, in the currency in which the Loan is outstanding for value on the day such amount is due, by deposit or transfer thereof to the Agent's Accounts (in the case of payments under the Revolving Facility or the Term Loan Facility) or the account designated by the Operating Lender (in the case of payments under the Operating Facility). Notwithstanding anything to the contrary expressed or implied in this Agreement, the receipt by the Agent in accordance with this Agreement of any payment made by the Borrower for the account of any of the Lenders shall, insofar as the Borrower's obligations to the relevant Lenders are concerned, be deemed also to be receipt by such Lenders and the Borrower shall have no liability in respect of any failure or delay on the part of the Agent in disbursing and/or accounting to the relevant Lenders in regard thereto.
- (b) All payments of principal, interest, fees or other amounts to be made by the Agent to the Lenders pursuant to this Agreement shall be made for value on the day required hereunder, provided that the Agent receives funds from the Borrower for value on such day, by deposit or transfer thereof at the time specified herein to the account of each Lender designated by such Lender to the Agent for such purpose or to such other place or account as the Lenders may from time to time notify the Agent.
- (c) The Borrower authorizes and directs the Agent to automatically debit the Borrower's Accounts for all amounts payable by the Borrower under this Agreement, including the repayment of principal and the payment of interest and fees and all charges agreed to by the Borrower for the maintaining of the Borrower's Accounts. The Agent shall, as soon as is practical after making any such debit, inform the Borrower of the amount thereof and provide reasonable details of the calculation thereof.
- (d) Unless otherwise specifically provided for herein, if any payment required hereunder shall become due and payable on a day which is not a Banking Day, such payment shall be made on the next following Banking Day and any extension of time shall in such case be included in computing interest payable hereunder relating to such payment.

7.6 Application and Sharing of Proceeds after Acceleration

- (a) Except as otherwise agreed in writing by all of the Lender Secured Parties in their sole discretion, all monies and property received by the Lender Secured Parties for application in respect of the Lender Secured Obligations after the Acceleration Date including all monies received as a result of enforcement of and realization under the Security Documents shall be applied and distributed to the Lender Secured Parties in the following order:
- (i) proportionately to the Lender Secured Parties in accordance with amounts owing to each Lender Secured Party on account of the recoverable costs and expenses of enforcement of and realization under the Security Documents; and
 - (ii) Rateably to the Lender Secured Parties on account of the Lender Secured Obligations;
- with the balance (if any) to be paid to the Borrower or otherwise as may be required by Applicable Law.
- (b) In the event that:
- (i) at the Acceleration Date, a portion of the Lender Secured Obligations are outstanding as undrawn Letters of Credit and it is subsequently determined that the applicable Lender Secured Parties are not required to make full payment under any one or more such Letters of Credit prior to their cancellation; or
 - (ii) any of the Lender Secured Parties are required by Applicable Law to continue to make Drawdowns available to the Borrower subsequent to the Acceleration Date by reason of a requirement in Applicable Law to give the Borrower a reasonable period of notice prior to terminating such Lender's obligation to make such Drawdowns available;
- then, whenever and so often as that occurs, the Lender Secured Obligations and the Rateable shares thereof shall be re-determined by excluding from the determination of the amount of Lender Secured Obligations any payments not required to be made as a result of the occurrence of an event described in Section 7.6(b)(i) and by including in the determination of Lender Secured Obligations any amount required to be made available pursuant to Section 7.6(b)(ii), and the Lender Secured Parties shall thereupon make all such payments and adjustments as may be necessary to ensure amounts outstanding to the Lender Secured Parties are thereafter outstanding on a Rateable basis (as so re-determined).
- (c) Notwithstanding the foregoing, amounts received from any Obligor that is not an "Eligible Contract Participant" (as defined in the Commodity Exchange Act) shall not be applied to any portion of its Outstandings that are Excluded Swap Obligations.

7.7 Margin Changes; Adjustments for Applicable Margin Changes

- (a) Changes in the Applicable Margin shall become effective:
- (i) in the case of outstanding Bankers' Acceptances, upon the earlier of (i) 90 days after the receipt by the Agent of a Compliance Certificate in accordance with Section 9.1(a)(iii) evidencing a change in the Total Debt to Adjusted EBITDA Ratio which results in a change in the Applicable Margin in accordance with the provisions of such definition and (ii) the next Rollover or Conversion thereof after such change; and

- (ii) in all other cases, from and as of the day immediately following the receipt by the Agent of a Compliance Certificate in accordance with Section 9.1(a)(iii) evidencing a change in the Total Debt to Adjusted EBITDA Ratio results in a change in the Applicable Margin in accordance with the provisions of such definition; and
in each case without necessity of notice to the Borrower.
- (b) For any Loans outstanding as of the effective date of a change in an Applicable Margin:
 - (i) in the case of increases in such rates per annum, the Borrower shall pay to the Agent for the account of the Lenders such additional interest or fees as may be required to give effect to the relevant increases in the interest or fees payable on or in respect of such Loans from and as of the effective date of the relevant increase in rates; and
 - (ii) in the case of decreases in such rates per annum, the Borrower shall receive a credit against subsequent interest or fees payable on Loans to the extent necessary to give effect to the relevant decreases in the interest or fees payable on or in respect of such Loans from and as of the effective date of the relevant decrease in rates.
- (c) The additional payments required by Section 7.7(b)(i) shall be made on the next Interest Payment Date. The adjustments required by Section 7.7(b)(ii) shall be accounted for in successive interest and fee payments by the Borrower until the amount of the credit therein contemplated has been fully applied; provided that, upon satisfaction in full of all Outstandings and cancellation of the Credit Facilities in accordance herewith, the Lenders shall pay to the Borrower an amount equal to any such credit which remains outstanding.

- (b) **Additional Collateral.** If at any time the Borrower or any of the other Obligors shall grant to the Agent or a holder of any Lender Secured Obligation additional credit support or a Lien on additional collateral of any kind (in each case, that is not already Collateral) as additional security to secure any Lender Secured Obligations, then the Borrower shall, or shall cause such other Obligor to, (i) grant or provide to the Agent for the benefit of the Lender Secured Parties the same credit support or collateral so that the Lender Secured Obligations shall at all times be secured on an equal and ratable basis with the other Lender Secured Obligations, and (ii) deliver an opinion of counsel reasonably satisfactory to the Agent to the effect that such additional credit support and the Security Documents relating to any such collateral have been duly authorized, executed and delivered by the Borrower or such other Obligor, as applicable, constitute the legal, valid and binding obligations of the Borrower or such other Obligor, as applicable, are enforceable against the Borrower or such other Obligor in accordance with the terms thereof, and covering such other matters as the Agent may reasonably request.
- (c) **Excluded Property.** Notwithstanding any other provision of the Loan Documents, security over the following Property shall not be required: (i) (A) motor vehicles and other assets subject to certificates of title or goods required to be described by serial number under the PPSA, letter of credit rights (other than to the extent such rights can be perfected by filing a PPSA financing statement) and (B) any governmental licenses, leases or consents or federal or provincial, state or local franchises, charters and authorizations, to the extent a security interest in any such license, lease, consent, franchise, charter or authorization is prohibited or restricted thereby (after giving effect to the anti-assignment provisions of the PPSA, if applicable, the assignment of which is expressly deemed effective under the PPSA, notwithstanding such prohibition or restriction), other than proceeds and receivables thereof, (ii) except to the extent a security interest therein can be perfected by filing a PPSA financing statement, any assets specifically requiring perfection through control, Control Agreements or other control arrangements (other than delivery or control of pledged equity interests to the extent required herein), including deposit accounts, securities accounts and commodities accounts, (iii) pledges and security interests in assets prohibited or restricted by Applicable Law (including any requirement to obtain the consent of any Governmental Authority or third party) to the extent such consent has not been

obtained (other than proceeds and receivables thereof) and those assets over which the granting of security interests in such assets would be prohibited by contract (including Permitted Liens, leases and licenses), Applicable Law or regulation (in each case, except to the extent such prohibition is unenforceable after giving effect to applicable provisions of the PPSA, other than proceeds thereof, the assignment of which is expressly deemed effective under the PPSA notwithstanding such prohibitions) or to the extent that such security interests would require obtaining the consent of any Governmental Authority or would result in materially adverse tax consequences, (iv) any non-Canadian collateral or credit support (excluding, for certainty, Non-Recourse Parent Guarantees and Non-Recourse Parent Pledges), (v) margin stock and, to the extent requiring the consent of one or more third parties or prohibited by the terms of any applicable organizational documents, joint venture agreement or shareholders' agreement, equity interests in any person other than the Borrower and Wholly-Owned Subsidiaries, (vi) those assets as to which the Agent and the Borrower reasonably determine in writing that the cost of obtaining such a security interest or perfection thereof (including, without limitation, the cost of title insurance, surveys or flood insurance (if necessary)) are excessive in relation to the benefit to the Lenders of the security to be afforded thereby, (vii) any intent-to-use trademark application prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, (viii) any lease, license or other agreement or any property subject to a purchase money security interest, capital lease obligation or similar arrangement permitted under the Credit Facilities to the extent that a grant of a security interest therein would violate or invalidate such lease, license or agreement or purchase money, capital lease or similar arrangement or create a right of termination in favor of any other party thereto (other than the Borrower or an Obligor) after giving effect to the applicable anti-assignment provisions of the PPSA, other than proceeds and receivables thereof, the assignment of which is expressly deemed effective under the PPSA notwithstanding such prohibition, (ix) "consumer goods" as defined in the PPSA and (x) equity interests of Unrestricted Subsidiaries which are subject to a Lien securing obligations of such Unrestricted Subsidiaries.

- (d) **Limitation Regarding Real Property Registrations.** Notwithstanding any other provision of the Loan Documents, the registration of any mortgages, caveats or other fixed charges at any land titles office or any other registry in respect of any owned real or leased property, pipeline rights of way or other surface rights shall not be required.

The Agent may amend and renew such registrations, filings and recordings from time to time as and when required to keep them in full force and effect or to preserve the Liens established by any prior registration, filing or recording thereof.

10.8 Permitted Liens

The Agent will, at the sole expense of the Borrower, forthwith upon request by the Borrower, execute and deliver to the Borrower, any other Obligor and any third party as requested by the Borrower, such discharges or postponements of the Security Documents and the Liens constituted thereby as the Borrower may reasonably request in order to permit such Obligor to create, incur, allow to be created or suffer to exist, any Liens securing Purchase Money Obligations or Finance Lease Obligations which in each case are permitted by Section 9.3(b).

10.9 Permitted Dispositions

The Agent will, at the sole expense of the Borrower, forthwith upon request by the Borrower, execute and deliver to the Borrower, any other Obligor and any third party as requested by the Borrower, such releases, discharges or letters of no interest in respect of the Security Documents as the Borrower may reasonably request in order to permit such Obligor to effect dispositions that are permitted by Section 9.3(c) free and clear of the Security Documents and the Liens constituted thereby.

10.10 Continuing Security

Each item or part of the Security Documents shall for all purposes be treated as a separate and continuing collateral security and shall be deemed to have been given in addition to and not in place of any other item or part of the Security Documents or any other security now held or hereafter acquired by the Agent on behalf of the Lender Secured Parties. No item or part of the Security Documents shall be merged or be deemed to have been merged in or by this Agreement or any documents, instruments or acknowledgements delivered hereunder, or any simple contract debt or any judgment, and any realization of or steps taken under or pursuant to any security, instrument or agreement shall be independent of and not create a merger with any other right available to the Agent or any Lender under any security, instruments or agreements held by it or at law or in equity.

10.12 Effectiveness

The Liens created by the Security Documents shall be effective, and the undertakings as to the Security Documents herein or in any other Loan Document shall be continuing, whether any Debt hereunder is then outstanding or any amounts thereby secured or any part thereof shall be owing before or after, or at the same time as, the creation of such Liens or before or after or upon the date of execution of any amendments to this Agreement, until all Outstandings have been repaid in full and this Agreement has been terminated.

- (b) the Agent shall be and is hereby authorized by each such Affiliate (i) to hold the Security Document on behalf of such Affiliate as security for the Lender Hedge Obligations and Cash Management Obligations owing to or in favour of such Affiliate in accordance with the provisions of the Loan Documents and (ii) to act in accordance with the provisions of the Loan Documents (including on the instructions or at the direction of the Lenders or the Majority Lenders (which, for certainty, shall not include their respective Affiliates)) in all respects with respect to the Security Documents;
- (c) to the extent that any Lender Hedge Agreement or Cash Management Document is entered into by an Affiliate of such Lender, such Lender shall cause such Affiliate to comply with the provisions of this Section 10.13 and Sections 7.6, 12.7 and 12.8 and such obligation shall survive such Lender ceasing to be a Lender hereunder; and
- (d) the Lender Hedge Agreements and/or Cash Management Documents of any such Affiliate and the Lender Hedge Obligations and/or Cash Management Obligations owing to or in favour of any such Affiliate shall not be included or taken into account for the purposes of Section 15.14 or (for certainty) in any determination of the Majority Lenders or all of the Lenders which shall be determined solely based upon the Commitments of the Lenders hereunder or the Outstanding Principal owing to the Lenders, as applicable.

10.14 Security for Hedging and Bilateral LCs with Former Lenders

If a Lender ceases to be a Lender under this Agreement (a “**Former Lender**”), all Lender Hedge Obligations owing to such Former Lender and its Affiliates under Lender Hedge Agreements, and all Bilateral LC Facility Obligations owing to such Former Lender in respect of Bilateral LCs issued by such Former Lender while such Former Lender was a Lender (and extensions thereof), shall remain secured by the Security Documents (equally and rateably) to the extent that such Lender Hedge Obligations or Bilateral LC Facility Obligations (as applicable) were secured by the Security Documents prior to such Lender becoming a Former Lender and, subject to the following provisions of this Section 10.14 and, unless the context otherwise requires, all references herein to “Lender Hedge Obligations” shall include such obligations to a Former Lender and its Affiliates, all references herein to “Lender Hedge Agreements” shall include such Lender Hedge Agreements with a Former Lender and its Affiliates (in each case, other than Excluded Swap Obligations), all references herein to “Bilateral LC Facility Obligations” shall include such obligations to a Former Lender and all references herein to “Bilateral LC Facility Agreements” shall include such Bilateral LC Facility Agreements with a Former Lender. Notwithstanding the foregoing, no Former Lender or any Affiliate thereof shall have any right to cause or require the enforcement of the Security Documents or any right to participate in any decisions relating to the Security Documents, including any decisions relating to the enforcement or manner of enforcement of the Security Documents or decisions relating to any amendment to, waiver under, release of or other dealing with all or any part of the Security Documents; for certainty, the sole right of a Former Lender and its Affiliates with respect to the Security Documents is to share, on a pari passu basis, in any proceeds of realization and enforcement of the Security Documents.

10.15 Security Disclaimer

If any Lender determines, acting reasonably, that any Applicable Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender to hold or benefit from a Lien over real property pursuant to any law of the United States or any state thereof, then such

Lender may notify the Agent that such Lender disclaims any and all benefit of such Lien under the Security Documents to the extent of such illegality; provided that such determination or disclaimer shall not (a) invalidate or render unenforceable such Lien for the benefit of the Agent or any other Lender Secured Party or (b) result in any redistribution of any payments under Section 15.14 as a consequence of any other Lender Secured Parties receiving realization proceeds from such Lien in excess of their respective Rateable shares of such realization proceeds.

12.2 Enforcement

- (a) If any Event of Default shall occur and for so long as it is continuing, the Total Commitment shall, upon the direction of the Majority Lenders to the Agent and written notice of the same from the Agent to the Borrower, terminate, and:
- (i) the entire principal amount of all Loans then outstanding hereunder and all accrued and unpaid interest thereon,
 - (ii) an amount equal to the face amount at maturity of all Bankers' Acceptances issued by the Borrower hereunder which are unmatured, and
 - (iii) all other Outstandings outstanding hereunder,

shall, at the option of the Agent in accordance with the last sentence of Section 15.9 or upon the request of the Majority Lenders, become immediately due and payable upon written notice to that effect from the Agent to the Borrower, all without presentment, protest, demand, notice of dishonour or any other demand whatsoever (all of which are hereby expressly waived by the Borrower); provided that upon the occurrence of the Event of Default described in Section 12.1(e) or 12.1(f), such termination and acceleration shall be automatic, all without any notice and without presentment, protest, demand, notice of dishonour or any other demand whatsoever (all of which are hereby expressly waived by the Borrower).

- (b) If the Borrower does not pay all Outstandings owing by it forthwith after receipt of an Acceleration Notice, the Agent on behalf of the Lenders and in accordance with Section 15.9 may, in their discretion, exercise any right or recourse and/or proceed by any action, suit, remedy or proceeding against the Borrower authorized or permitted by Applicable Law for the recovery of all the Outstandings of the Borrower to the Lenders hereunder and proceed to exercise any and all rights hereunder and under the other Loan Documents and no such remedy for the enforcement of the rights of the Lenders shall be exclusive of or dependent on any other remedy but any one or more of such remedies may from time to time be exercised independently or in combination.

12.3 Suspension of Lenders' Outstandings

The occurrence of a Default or Event of Default that is continuing shall relieve the Lenders of all obligations to provide any further Drawdowns to the Borrower hereunder; provided that the foregoing shall not prevent the Lenders or the Agent from disbursing money or effecting any Conversion which, by the terms hereof, they are entitled to effect, or any Conversion or Rollover requested by the Borrower and acceptable to the Lenders and the Agent, acting reasonably.

12.4 Cash Collateral Accounts

- (a) Upon the occurrence of an Event of Default that is continuing, the Agent on behalf of the Lenders may require the Borrower to forthwith pay funds in an amount sufficient to pay the maximum aggregate amount for which such Lenders are or may become liable in respect of all outstanding Bankers' Acceptances into a Cash Collateral Account in accordance with Section 7.4(b).
- (b) Upon the occurrence of an Event of Default that is continuing, the Agent on behalf of the Lenders may require the Borrower to forthwith pay funds in an amount sufficient to pay the maximum aggregate amount for which such Lenders are or may become liable in respect of all outstanding Letters of Credit into a Cash Collateral Account in accordance with Section 7.4(c).

12.5 Right of Set-Off

If an Event of Default has occurred and is continuing, each of the Lenders is hereby authorized at any time and from time to time to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender to or for the credit or the account of any Obligor against any and all of the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender has made any demand under this Agreement or any other Loan Document and although such obligations of the Obligor may be contingent or unmaturing or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each of the Lenders under this Section are in addition to other rights and remedies (including other rights of set-off, consolidation of accounts and bankers' lien) that the Lenders may have. Each Lender agrees to promptly notify the Borrower and the Agent after any such set-off and application, but the failure to give such notice shall not affect the validity of such set-off and application.

12.6 "True Up" Adjustments Following Acceleration or Insolvency

Notwithstanding anything herein or in any other Loan Document to the contrary, if all Lender Secured Obligations become due and payable pursuant to Section 12.2 (an "**Acceleration**"):

- (a) each Lender agrees that it shall, at any time or from time to time thereafter at the request of the Agent as requested by any Lender,
 - (i) purchase at par on a nonrecourse basis a participation in the Loans (including Letters of Credit) owing to each other Lender under the Revolving Facility and the Operating Facility and
 - (ii) effect such other transactions and make such other adjustments as are necessary or appropriate, in order that the aggregate Outstandings owing to each of the Lenders under the Revolving Facility and the Operating Facility, as adjusted pursuant to this Section 12.6, shall be in the same proportion as each Lender's Revolving Commitment was to the aggregate of the Total Revolving Commitment and the Operating Commitment immediately prior to the Acceleration; provided that in no event shall this readjustment result in (i) the Outstanding Principal owing to any Revolving Lender under the Revolving Facility exceed its Revolving Commitment or (ii) the Outstanding Principal owing to the Operating Lender under the Revolving Facility and the Operating Facility exceed the sum of its Revolving Commitment and Operating Commitment; and

- (b) any payment made by or on behalf of the Obligors under or pursuant to the Loan Documents, any proceeds from the exercise of any rights and remedies of the Agent and the Lenders under the Loan Documents and any distribution or payment received by the Agent or the Lenders with respect to the Obligors in the event of any bankruptcy, insolvency, winding-up, liquidation, arrangement, compromise or composition, shall be applied against the Outstandings in a manner so that, to the extent possible, the Outstandings owing to each of the Lenders under the Revolving Facility and the Operating Facility will be in the same proportion as each Lender's Revolving Commitment was to the aggregate of the Total Revolving Commitment and the Operating Commitment immediately prior to the Acceleration.

12.7 Acceleration of All Lender Secured Obligations

- (a) If the Agent has delivered an Acceleration Notice to the Borrower or a Termination Event has occurred, then all Lender Hedge Obligations, Cash Management Obligations and Bilateral LC Facility Obligations shall be immediately due and payable and each Hedge Lender, Cash Manager and Bilateral LC Facility Lender shall (and shall be entitled to) promptly, and in any event within three Banking Days after receipt of notice of Acceleration Notice or Termination Event, deliver such other Demands for Repayment and notices as may be necessary to ensure that all Lender Hedge Obligations owed to such Hedge Lender, all Cash Management Obligations owed to such Cash Manager and all Bilateral LC Facility Obligations owed to such Bilateral LC Facility Lender shall be immediately due and payable under the applicable Lender Hedge Agreements, Cash Management Documents and Bilateral LC Facility Agreements.
- (b) As soon as reasonably practicable after the Acceleration Date, each Lender shall notify the Agent of the aggregate amount of Lender Hedge Obligations, Cash Management Obligations and Bilateral LC Facility Obligations owed to such Lender and any of its Affiliates.
- (c) Each agreement, indenture, instrument or other document evidencing or relating to Lender Hedge Obligations, Cash Management Obligations or Bilateral LC Facility Obligations shall, notwithstanding any provision thereof to the contrary, be deemed to be hereby amended to permit and require the applicable Hedge Lender, Cash Manager or Bilateral LC Facility Lender, as the case may be, which is a party thereto to comply with the provisions of this Section 12.7.

12.8 Sharing of Payments After Acceleration Date

- (a) Subject to Section 12.8(b), if after the Acceleration Date any Lender Secured Party, whether by exercising any right of set-off, bankers' lien or counterclaim or otherwise, obtains any payment or other reduction of a proportion of the Lender Secured Obligations which is greater than its Rateable share of such Lender Secured Obligations, then such Lender Secured Party receiving such payment or other reduction shall:
 - (i) promptly notify the Agent of such fact; and
 - (ii) upon the request of the Agent as required by any Lender, purchase (for cash at face value) participations in the Lender Secured Obligations owing to the other Lenders, or make such other adjustments as may be necessary or appropriate, so that the benefit of all such payments and reductions shall be shared by the Lenders Rateably; provided that if any such participations are purchased and all or any portion of the payment giving rise thereto is subsequently recovered by an Obligor, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest.

- (b) The provisions of Section 12.8(a) shall not apply to:
- (i) any payment received by any Lender Secured Party pursuant to and in accordance with the express terms of this Agreement;
 - (ii) any payment obtained by a Lender Secured Party as consideration for the assignment of or sale of a participation in any of its Lender Secured Obligations to any assignee or participant, other than to any Obligor or any Affiliate of an Obligor (as to which the provisions of this Section shall apply);
 - (iii) the exercise of customary rights of counterclaim, set-off, banker's lien or similar rights under any Cash Management Documents;
 - (iv) any payment made in respect of an obligation supported by a letter of credit (other than a Letter of Credit or a Bilateral LC) to the extent such letter of credit is drawn in an amount sufficient to fund such payment;
 - (v) any reduction in the amounts owing by a Hedge Lender to an Obligor under any Lender Hedge Agreement as a consequence of the termination of such Lender Hedge Agreement or any other Lender Hedge Agreements to which such Hedge Lender is a counterparty; or
 - (vi) any payment which a Lender Secured Party receives as a result of any form of credit protection obtained by such Lender Secured Party.
- (c) The Obligors agree to be bound by and, at the request of the Agent, to do all things necessary or appropriate to give effect to any and all purchases and other adjustments made by and between the Lenders pursuant to this Section 12.8, but shall incur no increased liabilities, in aggregate, by reason thereof. The Obligors also agree, to the extent they may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Obligor rights of set-off, banker's lien and counterclaim and similar rights of Lenders with respect to such participation as fully as if such Lender were a direct creditor of each Obligor in the amount of such participation.
- (d) For certainty, any amounts which are lawfully received by any Lender Secured Party under its Lender Secured Document prior to the Acceleration Date are not required to be shared pursuant to the provisions of this Section 12.8.

12.9 Remedies Cumulative and Waivers

For greater certainty, it is expressly understood and agreed that the rights and remedies of the Lenders and the Agent hereunder or under any other Loan Document are cumulative and are in addition to and not in substitution for any rights or remedies provided by law or by equity; and any single or partial exercise by the Lenders or by the Agent of any right or remedy for a default or breach of any term, covenant, condition or agreement contained in this Agreement or other Loan Document shall not be deemed to be a waiver of or to alter, affect or prejudice any other right or remedy or other rights or remedies to which any one or more of the Lenders and the Agent may be lawfully entitled for such default or breach. Any waiver by, as applicable, the Majority Lenders, the Lenders or the Agent of the strict observance, performance or compliance with any term, covenant, condition or other matter contained herein and any indulgence granted, either expressly or by course of conduct, by, as applicable, the Majority Lenders, the Lenders or the Agent shall be effective only in the specific instance and for the purpose for which it was given and shall be deemed not to be a waiver of any rights and remedies of the Lenders or the Agent under this Agreement or any other Loan Document as a result of any other default or breach hereunder or thereunder.

Article 13
YIELD PROTECTION

13.1 Increased Costs

- (a) **Increased Costs Generally.** If, after the Closing Date, any Change in Law shall:
- (i) impose, modify or deem applicable any reserve, special deposit, liquidity, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;
 - (ii) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof, except for Indemnified Taxes or Other Taxes covered by Section 13.2 and except for the imposition, or any change in the rate, of any Excluded Tax payable by such Lender; or
 - (iii) impose on any Lender or any applicable interbank market any other condition, cost or expense affecting this Agreement or Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan (or of maintaining its obligation to make any such Loan), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then upon request of the Majority Lenders, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

- (b) **Capital Requirements.** If any Lender determines that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender, to a level below that which such Lender or its holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of its holding company with respect to capital or liquidity adequacy), then the Borrower, will pay to such Lender such additional amount or amounts as will compensate such Lender or its holding company for any such reduction suffered.
- (c) **Certificates for Reimbursement.** Upon a Lender having determined that it is entitled to additional compensation in accordance with the provisions of Section 13.1(a) or 13.1(b), such Lender shall, within 60 days, so notify the Borrower and the Agent, provided that, if the Borrower is not provided with such notice within such period, then such Lender shall not be entitled to claim additional compensation for any period prior to the date of delivery of such notice. The Lender shall provide to the Borrower and the Agent a photocopy of the relevant law or official directive (or, if it is impracticable to provide a photocopy, a written summary of the same). A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in Section 13.1(a) or 13.1(b), including reasonable detail of the basis of calculation of the amount or amounts, and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 Banking Days after receipt thereof.

- (d) **Delay in Requests.** Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation, except that the Borrower shall not be required to compensate a Lender pursuant to this Section 13.1 for any increased costs incurred or reductions suffered more than 60 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor, unless the Change in Law giving rise to such increased costs or reductions is retroactive, in which case the 60-day period referred to above shall be extended to include the period of retroactive effect thereof.
- (e) **Consistent Treatment.** A Lender shall only be entitled to claim compensation pursuant to this Section 13.1 if and to the extent that it is claiming similar compensation from other comparable borrowers under comparable credit facilities.

13.2 Taxes

- (a) **Payments Subject to Taxes.** If any Obligor, the Agent, or any Lender is required by Applicable Law (as determined in the good faith discretion of the applicable withholding agent) to deduct or pay any Indemnified Taxes (including any Other Taxes) in respect of any payment by or on account of any obligation of an Obligor hereunder or under any other Loan Document, then:
 - (i) the sum payable shall be increased by that Obligor (and in the case of a Restricted Subsidiary the Borrower shall cause such Restricted Subsidiary to do so) when payable as necessary so that after making or allowing for all required deductions and payments (including deductions and payments applicable to additional sums payable under this Section 13.2) the Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or payments been required;
 - (ii) the Borrower shall, and the Borrower shall cause any Restricted Subsidiary to make any such deductions required to be made by it under Applicable Law; and
 - (iii) the Borrower shall, and the Borrower shall cause any Restricted Subsidiary to timely pay the full amount required to be deducted to the relevant Governmental Authority in accordance with Applicable Law.
- (b) **Payment of Other Taxes by the Borrower.** Without limiting the provisions of paragraph (a) above, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with Applicable Law.
- (c) **Indemnification.**
 - (i) The Borrower shall indemnify the Agent and each Lender, within 10 Banking Days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by the Agent or such Lender or required to be withheld or deducted from a payment to the Agent or such Lender (without duplication of amounts subject to Section 13.2(a)) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority (subject to the following sentence and Section 13.2(f)) and a certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Agent), or by the Agent on its own behalf or on behalf of a Lender, shall be

conclusive absent manifest error. In the event the Borrower has made a payment to the Agent or a Lender pursuant to this paragraph (c) and the Agent or Lender is thereafter granted or receives a credit, refund or remission in respect of the Indemnified Taxes or Other Taxes, then the Agent or Lender, as the case may be, shall, subject to the Borrower having paid the relevant amount payable under this paragraph (c) and to the extent it is satisfied that it can do so without prejudice to the retention of the amount of such credit, refund or remission, refund to the Borrower such amount (if any) as the Agent or Lender determines in good faith will leave the Agent or Lender in no worse position than would have been the case if there had been no obligation to pay the Indemnified Taxes or Other Taxes in the first place. The Agent or Lender shall not be obligated to provide to the Borrower copies of all or any part of its tax returns, financial statements or other corporate financial data by reason of any such matter.

- (ii) Each Lender shall severally indemnify the Agent, within 10 Banking Days after demand therefor, for (i) any Indemnified Taxes or Other Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Agent for such Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and without limiting the obligation of the Borrower to do so) and (ii) any Taxes attributable to the Agent's failure to comply with the provisions of Section 16.2(c) relating to the maintenance of a Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Agent to the Lender from any other source against any amount due to the Agent under this paragraph.
- (d) **Evidence of Payments.** As soon as practicable after any payment of Indemnified Taxes or Other Taxes by an Obligor to a Governmental Authority, the Borrower shall deliver to the Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Agent.
- (e) **Status of Lenders.** Any Lender that is entitled to an exemption from or reduction of withholding tax with respect to payments hereunder or under any other Loan Document shall, at the request of the Borrower or the Agent, deliver to the Borrower and the Agent, no later than thirty (30) days after the later of the date of the request and the date such Lender becomes a party hereto (or designates a new lending office) under this Agreement, at the time or times prescribed by Applicable Law or reasonably requested by such Borrower or the Agent, such properly completed and executed documentation prescribed by Applicable Law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition:
 - (i) any Lender, if requested by the Borrower or the Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Agent as will enable the Borrower or the Agent to determine whether or not such Lender is subject to withholding or information reporting requirements; and

- (ii) any Lender that becomes subject to Canadian withholding tax with respect to any Outstandings other than by reason of a Change in Law, shall within five (5) days thereof notify the Borrower and the Agent in writing.
- (f) **Treatment of Certain Refunds and Tax Reductions.** Without duplication of amounts payable pursuant to Section 13.2(c), if the Agent or a Lender determines, in its sole discretion, that it has received a credit, refund or remission of any Indemnified Taxes as to which it has been indemnified by the Borrower or with respect to which another Obligor has paid additional amounts pursuant to this Section, it shall pay to the Borrower or other Obligor, as applicable, an amount equal to such credit, refund or remission (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower or other Obligor under this Section with respect to the Indemnified Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses of the Agent or such Lender, as the case may be, and without interest. The Borrower shall, and shall cause each Restricted Subsidiary, as applicable, to, upon the request of the Agent or such Lender, repay the amount paid over to the Borrower or other Obligor (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Agent or such Lender if the Agent or such Lender is required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require the Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person, to arrange its affairs in any particular manner or to claim any available refund or reduction.
- (g) **Survival.** The provisions of Section 13.2(c) shall survive the repayment of the Outstandings and the cancellation of the Credit Facilities.

13.3 Mitigation Obligations: Replacement of Lenders

- (a) **Designation of a Different Lending Office.** If any Lender requests compensation under Section 13.1, or requires the Borrower to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 13.2, then, with the consent of the Borrower, such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 13.1 or 13.2, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.
- (b) **Replacement of Lenders. If:**
 - (i) any Lender requests compensation under Section 13.1;
 - (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 13.2;
 - (iii) any Lender's obligations are suspended pursuant to Section 13.4;
 - (iv) any Lender exercises its rights under Section 13.5 or 13.6, but not all Lenders are so affected;
 - (v) any Lender does not provide its consent to a request by the Borrower for a waiver of a condition precedent as provided in Section 3.3;

(vi) any Lender does not provide its consent or agreement to a request by the Borrower for a waiver or amendment that requires the consent of all of the Lenders, the Majority Lenders or all affected Lenders as provided for in Section 16.10(a) or 16.10(b), as applicable; or

(vii) any Lender becomes a Defaulting Lender;

then the Borrower may, at its sole expense and effort, upon ten (10) days' notice to such Lender and the Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 16.2), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(viii) the assigning Lender receives payment of an amount equal to the Outstanding Principal of its Loans and accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any breakage costs and amounts required to be paid under this Agreement as a result of prepayment to a Lender) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) (or such lower amount as the assigning Lender may agree in its sole discretion);

(ix) in the case of any such assignment resulting from a claim for compensation under Section 13.1 or payments required to be made pursuant to Section 13.2, such assignment will result in a reduction in such compensation or payments thereafter;

(x) in the case of any assignment in the circumstances set out in paragraphs (v) and (vi) of this Section 13.3(b), such waiver or amendment is approved by (A) all other Lenders, in the case of a consent or agreement requiring all Lenders, (B) at least the Majority Lenders, in the case of a consent or agreement requiring the Majority Lenders, or (C) all other affected Lenders, in the case of a consent or agreement requiring all affected Lenders, and in each case the assignee consents to such waiver or amendment; and

(xi) such assignment does not conflict with Applicable Law.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Solely for purposes of effecting any assignment involving a Defaulting Lender under this Section 13.3 and to the extent permitted under Applicable Law, each Lender hereby designates and appoints the Agent as true and lawful agent and attorney-in-fact, with full power and authority, for and on behalf of and in the name of such Lender to execute, acknowledge and deliver the assignment required hereunder if such Lender is a Defaulting Lender and such Lender shall be bound thereby as fully and effectively as if such Lender had personally executed, acknowledged and delivered the same. The Borrower may elect to terminate such Defaulting Lender's applicable Commitments subject to terms satisfactory to the Agent so long as the Defaulting Lender receives the payment of its outstanding Loans and accrued interest, fees and other amounts payable to it hereunder and the other Loan Documents, or such lower amount as the Defaulting Lender may agree to.

The Borrower may exercise any combination of its rights to replace or repay Lenders under this Section 13.3; provided that in each case each Lender being replaced or repaid is treated rateably with each of the other Lenders being replaced or repaid.

13.4 Illegality

If any Lender determines that any Applicable Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make or maintain any Loan (or to maintain its obligation to make any Loan), or to determine or charge interest rates based upon any particular rate, then, on notice thereof by such Lender to the Borrower through the Agent, any obligation of such Lender with respect to the activity that is unlawful shall be suspended until such Lender notifies the Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall, upon demand from such Lender (with a copy to the Agent), prepay without penalty or premium or, if conversion would avoid the activity that is unlawful, convert any Loans in order to avoid the activity that is unlawful. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted. Each Lender agrees to designate a different lending office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be disadvantageous to such Lender.

13.5 Market Disruption Respecting Bankers' Acceptances

If:

- (a) the Agent (acting reasonably) makes a determination, which determination shall be conclusive and binding upon the Borrower, and notifies the Borrower, that there no longer exists an active market for bankers' acceptances accepted by the Lenders; or
- (b) the Borrower is not marketing Bankers' Acceptances on its own and the Agent is advised by Lenders holding at least 35% of the Commitments by written notice (each, a "**BA Suspension Notice**") that such Lenders have determined (acting reasonably) that the BA Discount Rate will not or does not accurately reflect the cost of funds of such Lenders or the discount rate which would be applicable to a sale of Bankers' Acceptances accepted by such Lenders in the market for the applicable term;

then:

- (c) the right of the Borrower to request Bankers' Acceptances or BA Equivalent Advances from any Lender shall be suspended until the Agent determines that the circumstances causing such suspension no longer exist, and so notifies the Borrower and the Lenders;
- (d) any outstanding Drawdown Notice requesting a Loan by way of Bankers' Acceptances or BA Equivalent Advances shall be deemed to be a Drawdown Notice requesting a Prime Loan in the amount specified in the original Drawdown Notice;
- (e) any outstanding Conversion/Rollover/Repayment Notice requesting a Conversion of a Loan by way of Prime Loan, USBR Loan or LIBO Rate Loan into a Loan by way of Bankers' Acceptances or BA Equivalent Advances shall be deemed to be a Conversion/Rollover/Repayment Notice requesting a Conversion of such Loan into a Prime Loan; and
- (f) any outstanding Conversion/Rollover/Repayment Notice requesting a Rollover of a Loan by way of Bankers' Acceptances or BA Equivalent Advances, shall be deemed to be a Conversion/Rollover/Repayment Notice requesting a Conversion of such Loan into a Prime Loan.

The Agent shall promptly notify the Borrower and the Lenders of any suspension of the Borrower's right to request Bankers' Acceptances or BA Equivalent Advances and of any termination of any such suspension. A BA Suspension Notice shall be effective upon receipt of the same by the Agent if received prior to 12:00 noon (Toronto time) on a Banking Day and if not, then on the next following Banking Day, except in connection with a Drawdown Notice or Conversion/Rollover/Repayment Notice previously received by the Agent, in which case the applicable BA Suspension Notice shall only be effective with respect to such previously received Drawdown Notice or Conversion/Rollover/Repayment Notice if received by the Agent prior to 12:00 noon (Toronto time) two Banking Days prior to the proposed Drawdown Date, Conversion Date or Rollover Date (as applicable) applicable to such previously received Drawdown Notice or Conversion/Rollover/Repayment Notice, as applicable.

13.6 Market Disruption Respecting LIBO Rate Loans

If, at any time subsequent to the giving of a Drawdown Notice or a Conversion/Rollover/Repayment Notice to the Agent by the Borrower with regard to any requested LIBO Rate Loan:

- (a) the Agent (acting reasonably) determines that by reason of circumstances affecting the London interbank market, adequate and fair means do not exist for ascertaining the rate of interest with respect to, or deposits are not available in sufficient amounts in the ordinary course of business at the rate determined hereunder to fund, a requested LIBO Rate Loan during the ensuing Interest Period selected;
- (b) the Agent (acting reasonably) determines that the making or continuing of the requested LIBO Rate Loan by the Lenders has been made impracticable by the occurrence of an event which materially adversely affects the London interbank market generally; or
- (c) the Agent is advised by Lenders holding at least 35% of the Total Commitment by written notice (each, a "**LIBO Suspension Notice**"), such notice to be received by the Agent no later than 12:00 noon (Toronto time) on the third Banking Day prior to the date of the requested Drawdown, Rollover or Conversion, as the case may be, that such Lenders have determined (acting reasonably) that the LIBO Rate will not or does not represent the effective cost to such Lenders of United States Dollar deposits in such market for the relevant Interest Period,

then the Agent shall give notice thereof to the Lenders and the Borrower as soon as possible after such determination or receipt of such LIBO Suspension Notice, as the case may be, and the Borrower shall, within one Banking Day after receipt of such notice and in replacement of the Drawdown Notice or Conversion/Rollover/Repayment Notice, as the case may be, previously given by the Borrower, give the Agent a Drawdown Notice or a Conversion/Rollover/Repayment Notice, as the case may be, which specifies the Drawdown of any other Loan or the Conversion of the relevant LIBO Rate Loan on the last day of the applicable Interest Period into any other Loan which would not be affected by the notice from the Agent pursuant to this Section 13.6.

In the event the Borrower fails to give, if applicable, a valid replacement Conversion/Rollover/Repayment Notice with respect to the maturing LIBO Rate Loans which were the subject of a Conversion/Rollover/Repayment Notice, such maturing LIBO Rate Loans shall be converted on the last day of the applicable Interest Period into USBR Loans as if a valid replacement Conversion/Rollover/Repayment Notice had been given to the Agent by the Borrower pursuant to the provisions hereof. In the event the Borrower fails to give, if applicable, a valid replacement Drawdown Notice with respect to a Drawdown originally requested by way of a LIBO Rate Loan, then the Borrower shall be deemed to have requested a Drawdown by way of a USBR Loan in the amount specified in the original Drawdown Notice and, on the originally requested Drawdown Date, the Lenders (subject to the other provisions hereof) shall make available the requested amount by way of a USBR Loan.

13.7 Inability To Determine LIBO Rate

- (a) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, if the Agent determines (which determination shall be conclusive absent manifest error), or the Borrower or the Majority Revolving Lenders notify the Agent (with, in the case of the Majority Revolving Lenders, a copy to Borrower) that the Borrower or the Majority Revolving Lenders (as applicable) have determined, that:
- (i) adequate and reasonable means do not exist for ascertaining the LIBO Rate for any requested Interest Period, including, without limitation, because the LIBO Rate is not available or published on a current basis, and such circumstances are unlikely to be temporary;
 - (ii) the administrator of the LIBO Rate or a Governmental Authority having jurisdiction over the Agent has made a public statement identifying a specific date after which the LIBO Rate shall no longer be made available, or used for determining the interest rate of loans (such specific date, the “**Scheduled Unavailability Date**”);
 - (iii) the LIBO Rate for any requested Interest Period with respect to a proposed LIBO Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, and such circumstances are unlikely to be temporary; or
 - (iv) new syndicated credit facilities that are currently being executed, or existing syndicated credit facilities that include language similar to that contained in this Section 13.7, are generally being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace the LIBO Rate,

then, reasonably promptly after such determination by the Agent or receipt by the Agent of such notice, as applicable, the Agent and the Borrower may amend this Agreement to replace the LIBO Rate with an alternate benchmark rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein), giving due consideration to any evolving or then existing convention for similar US Dollar denominated syndicated credit facilities for such alternative benchmarks (any such proposed rate, a “**LIBO Rate Successor Rate**”), which amendment shall also set forth any proposed LIBO Rate Successor Rate Conforming Changes and any such amendment shall become effective at 5:00 p.m. (Toronto time) five (5) Banking Days after the Agent shall have posted such proposed amendment to all Lenders unless, prior to such time, Lenders comprising the Majority Revolving Lenders have delivered to the Agent written notice that such Majority Revolving Lenders do not accept such amendment.

- (b) If no LIBO Rate Successor Rate has been determined pursuant to Section 13.7(a) and:
- (i) the circumstances described in Section 13.7(a)(i) exist;
 - (ii) the Scheduled Unavailability Date has occurred;
 - (iii) if the Agent or the Majority Lenders have reasonably determined that the LIBO Rate for any requested Interest Period with respect to a proposed LIBO Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan and such circumstances are unlikely to be temporary; or

- (iv) if the Agent (in consultation with the Borrower) or the Majority Revolving Lenders have reasonably determined that the market has moved to a successor rate that has become broadly accepted in the syndicated loan market in Canada, then the Agent will promptly so notify the Borrower and each Revolving Lender and the Operating Lender. Thereafter, (A) the obligation of the Revolving Lenders and the Operating Lender to make or maintain LIBO Rate Loans shall be suspended, (to the extent of the affected LIBO Rate Loans or Interest Periods), and (B) the LIBO Rate component shall no longer be utilized in determining the US Base Rate. Upon receipt of such notice, the Borrower may revoke any pending request for a Drawdown of, Conversion to or Rollover of LIBO Rate Loans (to the extent of the affected LIBO Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Drawdown of, Conversion to or Rollover of USBR Loans.
- (c) Notwithstanding anything else herein, any definition of LIBO Rate Successor Rate shall provide that in no event shall such LIBO Rate Successor Rate be less than zero for purposes of this Agreement.

Article 14
EXPENSES, INDEMNIFICATION AND JUDGMENT CURRENCY

14.1 Expenses; Indemnity; Damage Waiver

- (a) **Costs and Expenses.** The Borrower shall pay:
 - (i) all reasonable and documented out-of-pocket expenses incurred by the Lead Arrangers or the Agent, including the reasonable fees, charges and disbursements of counsel for the Lead Arrangers and the Agent (including a single firm of local counsel in each appropriate jurisdiction or otherwise retained with the Borrower's consent) (such consent not to be unreasonable withheld or delayed), in connection with the syndication of the Credit Facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated); and
 - (ii) all out-of-pocket expenses incurred by the Agent or any Lender, including the reasonable fees, charges and disbursements of counsel for the Agent and the Lenders, in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents, including its rights under this Section, or in connection with the Loans made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.
- (b) **Indemnification by the Borrower.** The Borrower shall indemnify the Agent (and any sub-agent thereof) and each Lender, each Related Party of any of the foregoing Persons, and their respective employees, advisors and agents (each such Person being called an "**Indemnitee**") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, even if joint or several, including the reasonable fees, charges and disbursements of any counsel (on a full indemnity basis) for any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee by any third party arising out of, in connection with, or as a result of:
 - (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance or non-performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation or non-consummation of the transactions contemplated hereby or thereby;

- (ii) any Loan (including the issuance of a Letter of Credit) or the use or proposed use of the proceeds therefrom;
- (iii) any actual or alleged presence or Release of Hazardous Materials on or from any Property owned or operated by the Borrower, or any of its Subsidiaries, or any Environmental Claims related in any way to the Borrower, or any of its Subsidiaries; or
- (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, and regardless of whether any Indemnitee is a party thereto,

provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from (x) the gross negligence or wilful misconduct of such Indemnitee or an unexcused breach of such Indemnitee's obligations under a Loan Document by such Indemnitee as determined by a final non-appealable judgment of a court of competent jurisdiction, but shall continue to apply to other Indemnitees, nor shall it be available in respect of matters specifically addressed in Sections 13.1, 13.2 and 14.1(a) and (y) any dispute solely among Indemnitees (other than claims arising out of any act or omission on the part of the Borrower and any claims against the relevant Indemnitee in its capacity or in fulfilling its role as administrative agent or any similar role in respect of the Credit Facilities). An Indemnitee shall not settle any claim asserted against any Indemnitee by a third party without the written consent of the Borrower, which consent shall not be unreasonably delayed or withheld.

- (c) **Reimbursement by Lenders.** To the extent that the Borrower for any reason fail to indefeasibly pay any amount required under Section 14.1(a) or 14.1(b) to be paid by it to the Agent (or any sub-agent thereof) or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for the Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this paragraph (c) are subject to the other provisions of this Agreement concerning several liability of the Lenders.
- (d) **Waiver of Consequential Damages, Etc.** To the fullest extent permitted by Applicable Law, the Borrower shall not, and shall not permit any Subsidiary to, assert, and each hereby waives, any claim against any Indemnitee, on any theory of liability, for indirect, special, consequential, punitive, aggravated or exemplary damages (as opposed to direct damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby (or any breach thereof), the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof; provided that, nothing in this paragraph (d) shall relieve the Borrower of any obligation it may have to indemnify an Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby, provided that the Indemnitee has used its usual and customary practices to avoid such use.

- (e) **Payments.** All amounts due under this Section 14.1 shall be payable promptly after demand therefor. A certificate of the Agent or a Lender setting forth the amount or amounts owing to the Agent, Lender or a sub-agent or Related Party, as the case may be, as specified in this Section, including reasonable detail of the basis of calculation of the amount or amounts, and delivered to the Borrower shall be conclusive absent manifest error.
- (f) **Survival.** The provisions of this Section 14.1 shall survive the repayment of the Outstandings and the cancellation of the Credit Facilities.

14.2 Judgment Currency

- (a) If for the purpose of obtaining or enforcing judgment against the Borrower in any court in any jurisdiction, it becomes necessary to convert into any Other Currency (such Other Currency being hereinafter in this Section 14.2 referred to as the “**Judgment Currency**”) an amount due in Cdn. Dollars, or United States Dollars under this Agreement, the conversion shall be made at the rate of exchange prevailing on the Banking Day immediately preceding:
 - (i) the date of actual payment of the amount due, in the case of any proceeding in the courts of any jurisdiction that will give effect to such conversion being made on such date; or
 - (ii) the date on which the judgment is given, in the case of any proceeding in the courts of any other jurisdiction (the date as of which such conversion is made pursuant to this Section 14.2 being hereinafter in this Section 14.2 referred to as the “**Judgment Conversion Date**”).
- (b) If, in the case of any proceeding in the court of any jurisdiction referred to in Section 14.2(a)(ii), there is a change in the rate of exchange prevailing between the Judgment Conversion Date and the date of actual payment of the amount due, the Borrower shall pay such additional amount (if any) as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of Cdn. Dollars, United States Dollars, as the case may be, which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial order at the rate of exchange prevailing on the Judgment Conversion Date.
- (c) Any amount due from the Borrower under the provisions of Section 14.2(b) shall be due as a separate debt and shall not be affected by judgment being obtained for any other amounts due under or in respect of this Agreement.
- (d) The term “rate of exchange” in this Section 14.2(b) means the Exchange Rate.

Article 15 AGENCY

15.1 Appointment and Authority

Each of the Lenders hereby irrevocably appoints TD as Agent to act on its behalf as the Agent hereunder and under the other Loan Documents and authorizes the Agent to take such actions on its behalf and to exercise such powers as are delegated to the Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Agent and the Lenders, and no Obligor shall have rights as a third party beneficiary of any of such provisions.

15.2 Rights as a Lender

Each Person serving as the Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Agent hereunder in its individual capacity. Each Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Obligor or any Affiliate thereof as if such Person were not the Agent and without any duty to account to the Lenders.

15.3 Exculpatory Provisions

- (a) The Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Agent:
- (i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing;
 - (ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Agent is required to exercise as directed in writing by the Majority Lenders (or such other number or percentage of the Lenders as shall be expressly provided for in the Loan Documents), but the Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Agent to liability or that is contrary to any Loan Document or Applicable Law; and
 - (iii) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the person serving as the Agent or any of its Affiliates in any capacity.
- (b) The Agent shall not be liable for any action taken or not taken by it:
- (i) with the consent or at the request of the Majority Lenders (or such other number or percentage of the Lenders as is necessary, or as the Agent believes in good faith is necessary, under the provisions of the Loan Documents); or
 - (ii) in the absence of its own gross negligence or wilful misconduct.
- The Agent shall be deemed not to have knowledge of any Default unless and until notice describing the Default or Event of Default is given to the Agent by the Borrower or a Lender.
- (c) Except as otherwise expressly specified in this Agreement, the Agent shall not be responsible for or have any duty to ascertain or inquire into:
- (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document;
 - (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith;

- (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default;
- (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document; or
- (v) the satisfaction of any condition specified in this Agreement, other than to confirm receipt of items expressly required to be delivered to the Agent.

15.4 Reliance by Agent

The Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Agent may presume that such condition is satisfactory to such Lender unless the Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Agent shall promptly provide information to one another in order to carry out the purpose and intent of this Agreement.

15.5 Indemnification of Agent

Each Lender agrees to indemnify the Agent and each Related Party and hold it harmless (to the extent not reimbursed by the Borrower), rateably according to its Applicable Percentage (and not jointly or jointly and severally) from and against any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel, which may be incurred by or asserted against the Agent in any way relating to or arising out of the Loan Documents or the transactions therein contemplated. However, no Lender shall be liable for any portion of such losses, claims, damages, liabilities and related expenses resulting from the Agent's gross negligence or wilful misconduct.

15.6 Delegation of Duties

The Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-Agent appointed by the Agent from among the Lenders and their respective Affiliates. The Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The provisions of this Article 15 and other provisions of this Agreement for the benefit of the Agent shall apply to any such sub-agent and to the Related Parties of the Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Credit Facilities provided for herein as well as activities as the Agent.

15.7 Replacement of Agent

- (a) The Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Majority Lenders shall have the right, with the consent of the Borrower, such consent not to be unreasonably withheld, to appoint a successor, which shall be a Lender having a Commitment and having an office in

Toronto, Ontario or Calgary, Alberta, or an Affiliate of any such Lender with an office in Toronto, Ontario or Calgary, Alberta. The Agent may also be removed at any time by the Majority Lenders upon 30 days' notice to the Agent and the Borrower as long as the Majority Lenders, with the consent of the Borrower, such consent not to be unreasonably withheld, appoint and obtain the acceptance of a successor within such 30 days, which, in the case of the Agent, shall be a Lender having an office in Toronto, Ontario or Calgary, Alberta, or an Affiliate of any such Lender with an office in Toronto, Ontario or Calgary, Alberta.

- (b) If no such successor shall have been so appointed by the Majority Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders, and with the consent of the Borrower, such consent not to be unreasonably withheld, appoint a successor Agent meeting the qualifications specified in Section 15.7(a), provided that if the Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the Agent shall instead be made by or to each Lender directly, until such time as the Majority Lenders appoint a successor Agent as provided for above in the preceding paragraph.
- (c) Upon a successor's appointment as the Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the former Agent, and the former Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided in the preceding paragraph). The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the termination of the service of the former Agent, the provisions of this Section 15.7 and of Section 14.1 shall continue in effect for the benefit of such former Agent, its sub-Agent and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while such former Agent was acting as the Agent.

15.8 Non-Reliance on Agent and Other Lenders

Each Lender acknowledges that it has, independently and without reliance upon the Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

15.9 Collective Action of the Lenders

Each of the Lenders hereby acknowledges that to the extent permitted by Applicable Law, the remedies and any collateral security provided under the Loan Documents to the Lenders are for the benefit of the Lenders collectively and acting together and not severally and further acknowledges that its rights hereunder and under any collateral security are to be exercised not severally, but by the Agent upon the decision of the Majority Lenders (or such other number or percentage of the Lender Secured Parties as shall be expressly provided for in the Loan

Documents). Accordingly, notwithstanding any of the provisions contained herein or in any collateral security, each of the Lenders hereby covenants and agrees that it shall not be entitled to take any action hereunder or thereunder with respect to the Credit Facilities including any declaration of Default or Event of Default hereunder or thereunder but that any such action shall be taken only by the Agent with the prior written agreement of the Majority Lenders (or such other number or percentage of the Lenders as shall be expressly provided for in the Loan Documents). Each of the Lenders hereby further covenants and agrees that upon any such written agreement being given, it shall co-operate fully with the Agent to the extent requested by the Agent. Notwithstanding the foregoing, in the absence of instructions from the Lenders and where in the sole opinion of the Agent, acting reasonably and in good faith, the exigencies of the situation warrant such action, the Agent may without notice to or consent of the Lenders take such action on behalf of the Lenders as it deems appropriate or desirable in the interest of the Lenders.

15.10 Lender Decisions

The Lenders agree that all decisions as to actions to be or not to be taken, as to consents or waivers to be given or not to be given, as to determinations to be made and otherwise in connection with this Agreement and the Loan Documents, shall be made upon the decision of the Majority Lenders except in respect of a decision or determination where it is specifically provided in this Agreement that “all of the Lenders” or words to similar effect, or the Agent alone, is to be responsible for same. Each of the Lenders shall be bound by and agrees to abide by and adopt all decisions made as aforesaid and covenants in all communications with the Borrower to act in concert and to join in the action, consent, waiver, determination or other matter decided as aforesaid.

15.11 Procedure for Funding Loans

The Agent shall make Loans available to the Borrower as required hereunder by debiting the Agent’s Account to which the Lender’s Applicable Percentage of such Loans have been credited in accordance with Section 2.6(b) (or causing such account to be debited) and, in the absence of other arrangements agreed to by the Agent and the Borrower in writing, by crediting the account of the Borrower or, at the expense of the Borrower, transferring (or causing to be transferred) like funds in accordance with the instructions of the Borrower as set forth in the Drawdown Notice or Conversion/Rollover/Repayment Notice, as the case may be, in respect of each Loan; provided that the obligation of the Agent hereunder to effect such a transfer shall be limited to taking such steps as are commercially reasonable to implement such instructions, which steps once taken shall constitute conclusive and binding evidence that such funds were advanced hereunder in accordance with the provisions relating thereto and the Agent shall not be liable for any damages, claims or costs which may be suffered by the Borrower and occasioned by the failure of such Loan to reach the designated destination.

15.12 Remittance of Payments

Except for amounts payable to the Agent, the Operating Lender or any Issuing Bank for its own account, forthwith after receipt of any repayment pursuant hereto or payment of interest or fees pursuant to Article 4 or payment pursuant to Article 7, the Agent shall remit to each Lender its Applicable Percentage of such payment.

15.13 Agent’s Clawback

- (a) **Funding by Lenders; Presumption by Agent.** Unless the Agent shall have received notice from a Lender prior to the proposed date of any Advance of funds that such Lender will not make available to the Agent such Lender’s share of such Advance, the Agent may assume that such Lender has made such share available on such date in accordance with the provisions of this Agreement concerning funding by Lenders and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable advance available to the Agent,

then such Lender shall pay to the Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Agent, at a rate determined by the Agent in accordance with prevailing banking industry practice on interbank compensation. If such Lender pays such amount to the Agent, then such amount shall constitute such Lender's Loan included in such Advance. If such Lender does not do so forthwith, the Borrower shall pay to the Agent forthwith on demand such corresponding amount with interest thereon at the interest rate applicable to the Advance in question. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that has failed to make such payment to the Agent.

- (b) **Payments by Borrower; Presumptions by Agent.** Unless the Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Agent for the account of any Lender hereunder that the Borrower will not make such payment, the Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute the amount due to the Lenders. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Agent, at a rate determined by the Agent in accordance with prevailing banking industry practice on interbank compensation.

15.14 Adjustments Among Lenders

- (a) **Adjustments to Outstandings.** Each Lender under a Credit Facility agrees that, after delivery of an Acceleration Notice pursuant to Section 12.2 or the occurrence of an Event of Default specified in Section 12.1(e) or 12.1(f), it will at any time and from time to time upon the request of the Agent as required by any Lender under such Credit Facility purchase portions of the Outstanding Principal owed to the other Lenders under such Credit Facility and make any other adjustments which may be necessary or appropriate, so that the amount of Outstanding Principal owed to each Lender under such Credit Facility, as adjusted pursuant to this Section 15.14(a), will be equal to its Applicable Percentage of all Outstanding Principal under such Credit Facility. For the purposes of this Section 15.14(a), any undrawn Commitments shall be deemed to have been cancelled upon delivery of such notice of acceleration or the occurrence of such specified Event of Default.
- (b) **Further Assurances.** The Obligors agree to be bound by and, at the request of the Agent, to do all things necessary or appropriate to give effect to any and all purchases and other adjustments made by and between the Lenders pursuant to this Section 15.14, but shall incur no increased liabilities, in aggregate, by reason thereof. The Obligors also agree, to the extent they may effectively do so under Applicable Law, that any Lender acquiring an increased portion of the Outstanding Principal pursuant to the foregoing arrangements may exercise against each Obligor rights of set-off, banker's lien and counterclaim and similar rights of Lenders with respect to such increased portion as fully as if such Lender were a direct creditor of each Obligor in the amount of such increased portion.

15.15 Agent and Defaulting Lenders

- (a) To the extent permitted by Applicable Law, each Defaulting Lender shall be required to provide to the Agent cash in an amount, as shall be determined from time to time by the Agent in its discretion, equal to all obligations of such Defaulting Lender to the Agent that are owing or may become owing pursuant to this Agreement, including such Defaulting Lender's obligation to pay, on a *pro rata* basis, any indemnification or expense reimbursement amounts not paid by the Borrower. Such cash shall be held by the Agent in one or more Cash Collateral Accounts, which accounts shall be in the name of the Agent and shall not be required to be interest bearing. The Agent shall be entitled to apply the foregoing cash in accordance with Section 15.5.

- (b) In addition to the indemnity and reimbursement obligations in Section 15.5, each Lender agrees to indemnify the Agent and hold it harmless (to the extent not reimbursed by the Borrower) on a *pro rata* basis (and, in calculating the *pro rata* basis, the Commitment of any Defaulting Lender shall be excluded) any amount that a Defaulting Lender fails to pay the Agent and which is due and owing to the Agent pursuant to Section 15.5. Each Defaulting Lender agrees to indemnify each other Lender for any amounts paid by such Lender and which would otherwise be payable by the Defaulting Lender.
- (c) The Agent shall be entitled to withhold and deposit in one or more non-interest bearing Cash Collateral Accounts in the name of the Agent amounts (whether principal, interest, fees or otherwise) received by the Agent and due to a Defaulting Lender pursuant to this Agreement, which amounts shall be used by the Agent:
 - (i) *first*, to reimburse the Agent for any amounts owing to it by the Defaulting Lender pursuant to any Loan Document; and
 - (ii) *second*, to Cash Collateralize all other obligations of such Defaulting Lender to the Agent owing pursuant to this Agreement in such amount as shall be determined from time to time by the Agent in its discretion, including such Defaulting Lender's obligation to pay, on a *pro rata* basis, any indemnification or expense reimbursement amounts not paid by the Borrower.
- (d) For greater certainty and in addition to the foregoing, neither the Agent nor any of their Affiliates nor any of their respective shareholders, officers, directors, employees, agents or representatives shall be liable to any Lender (including a Defaulting Lender) for any action taken or omitted to be taken by it in connection with amounts payable by the Borrower to a Defaulting Lender and received and deposited by the Agent in a Cash Collateral account and applied in accordance with the provisions of this Agreement, save and except for the gross negligence or wilful misconduct of the Agent.

- (b) **Electronic Communications.** Notices and other communications hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Agent, provided that the foregoing shall not apply to notices to any Lender if such Lender has notified the Agent that it is incapable of receiving notices by electronic communication. The Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

16.2 Successors and Assigns

- (a) **Successors and Assigns Generally.** Other than as permitted hereunder, no Obligor may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of Section 16.2(b), (ii) by way of participation in accordance with the provisions of Section 16.2(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 16.2(f) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 16.2(d) and, to the extent expressly contemplated hereby, the Related Parties of each of the Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.
- (b) **Assignments by Lenders.** Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided that:
- (i) except if an Event of Default has occurred and is continuing or in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Commitment being assigned (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the Outstanding Principal of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than Cdn.\$5,000,000 (or, in the case of Revolving Loans, Cdn.\$1,000,000) (and in each case increments of Cdn.\$1,000,000 in excess thereof) (or, if less, all of such Lender's remaining Loans and applicable Commitments under the applicable Credit Facility) and the minimum amount of any Commitment retained, if any, by the assigning Lender shall be not less than Cdn.\$5,000,000 unless each of the Agent and, so long as no Event of Default has occurred and is continuing under Section 12.1(a), 12.1(b), 12.1(e) or 12.1(f), the Borrower otherwise consents to a lower amount (each such consent not to be unreasonably withheld or delayed);

- (ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Outstanding Principal or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate credits on a non-*pro rata* basis;
- (iii) any assignment must be approved by the Agent and (in the case of an assignment by a Lender of Revolving Loans or Revolving Commitment) the Fronting Lender(s) (such approval not to be unreasonably withheld or delayed) unless:
 - (A) the proposed assignee is itself already a Lender (other than a Defaulting Lender) acting through a branch in Canada, or
 - (B) the proposed assignee is an Affiliate of a Lender or an Approved Fund with respect to a Lender, and such Lender has agreed not to be released from its obligations under this Agreement;
- (iv) any assignment must be approved by the Borrower (such approval not to be unreasonably withheld or delayed) unless:
 - (A) the proposed assignee is itself already a Lender (other than a Defaulting Lender) acting through a branch in Canada,
 - (B) the proposed assignee is an Affiliate of a Lender or an Approved Fund with respect to a Lender, and such Lender has agreed not to be released from its obligations under this Agreement and such assignment will not increase the amounts payable by the Borrower in connection with any withholding Taxes, or
 - (C) an Event of Default has occurred and is continuing under Section 12.1(a), 12.1(b), 12.1(e) or 12.1(f); and
- (v) the parties to each assignment shall execute and deliver to the Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of Cdn.\$5,000 (unless waived by the Agent) and the Eligible Assignee, if it shall not be a Lender, shall deliver to the Agent an Administrative Questionnaire.

Subject to acceptance and recording thereof by the Agent pursuant to Section 16.2(c), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement and the other Loan Documents, including any collateral security, and, unless the assigning Lender has agreed otherwise, the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Article 13 and Section 14.1, and shall continue to be liable for any breach of this Agreement by such Lender, with respect to facts and circumstances occurring prior to the Closing Date of such assignment. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 16.2(d). Any payment by an assignee to an assigning Lender in connection with an assignment or transfer shall not be or be deemed to be a repayment by the Borrower or a new Loan to the Borrower.

- (c) **Register.** The Agent shall maintain at one of its offices in Toronto, Ontario or Calgary, Alberta a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (each, a “**Register**”). The entries in each Register shall be conclusive, absent manifest error, and the Borrower, the Agent and the Lenders may treat each Person whose name is recorded in a Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. Each Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.
- (d) **Participations.** Any Lender may at any time, without the consent of, or notice to, the Borrower or the Agent, sell participations to any Person (other than a natural person, a Defaulting Lender, an Obligor or any Affiliate of an Obligor) (each, a “**Participant**”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Outstanding Principal owing to it); provided that:
- (i) such Lender’s obligations under this Agreement shall remain unchanged;
 - (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; and
 - (iii) the Borrower, the Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement.

Any payment by a Participant to a Lender in connection with a sale of a participation shall not be or be deemed to be a repayment by the Borrower or a new Loan to the Borrower.

Subject to Section 16.2(e), the Borrower agrees that each Participant shall be entitled to the benefits of Article 13 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 16.2(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.5 as though it were a Lender, provided such Participant agrees to be subject to Sections 7.6, 12.7 and 12.8 as though it were a Lender and provided that the Participant has given the Borrower written notice of its rights under Section 12.5 prior to exercising its right of set off.

- (e) **Limitations upon Participant Rights.** A Participant shall not be entitled to receive any greater payment under Sections 13.1 and 13.2 than the Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent. The agreement or consent of a Participant shall not be required for any amendment or waiver of the Loan Documents.
- (f) **Certain Pledges.** Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender to any Governmental Authority, but no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

16.3 Governing Law: Jurisdiction: Etc.

- (a) **Governing Law.** This Agreement shall be governed by, and construed in accordance with, the laws of the Province of Alberta and the laws of Canada applicable in that Province.
- (b) **Submission to Jurisdiction.** Each of the parties hereto irrevocably and unconditionally submits, for itself and its Property, to the non-exclusive jurisdiction of the courts of the Province of Alberta, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Applicable Law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Obligor or its properties in the courts of any jurisdiction.
- (c) **Waiver of Venue.** Each of the parties hereto irrevocably and unconditionally waives, to the fullest extent permitted by Applicable Law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by Applicable Law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

16.4 Waiver of Jury Trial

Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent permitted by Applicable Law, any right it may have to a trial by jury in any legal proceeding directly or indirectly arising out of or relating to this Agreement or any other Loan Document or the transactions contemplated hereby or thereby (whether based on contract, tort or any other theory). Each party hereto (a) certifies that no representative, agent or attorney of any other person has represented, expressly or otherwise, that such other person would not, in the event of litigation, seek to enforce the foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this Agreement and the other Loan Documents by, among other things, the mutual waivers and certifications in this Section.

16.5 Counterparts: Integration: Effectiveness: Electronic Execution

- (a) **Counterparts: Integration: Effectiveness.** This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents and any separate letter agreements with respect to fees payable to the Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Subject to Section 3.1, this Agreement shall become effective when it has been executed by the Agent and when the Agent has received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or by sending a scanned copy by electronic mail shall be effective as delivery of a manually executed counterpart of this Agreement.

- (b) **Electronic Execution of Assignments.** The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Law.

16.6 Treatment of Certain Information: Confidentiality

- (a) Each of the Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed:
- (i) to it, its Affiliates and its and its Affiliates’ respective partners, directors, officers, employees, agents, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential);
 - (ii) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority);
 - (iii) to the extent required by Applicable Laws or regulations or by any subpoena or similar legal process;
 - (iv) to any other Lender Secured Party or their respective counsel and advisors;
 - (v) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder;
 - (vi) subject to an agreement containing provisions substantially the same as those of this Section 16.6, to:
 - (A) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement; or
 - (B) any actual or prospective insurers, re-insurers or counterparty (or its advisors) to any swap, derivative, credit-linked note or similar transaction relating to the Borrower or a Subsidiary;
 - (vii) with the written consent of the Borrower; or
 - (viii) to the extent such Information:
 - (A) becomes publicly available other than as a result of a breach of this Section 16.6; or
 - (B) becomes available to the Agent or any Lender on a non-confidential basis from a source other than an Obligor or a Sponsor.
- (b) For purposes of this Section, “**Information**” means all information received in connection with this Agreement from any Obligor or Sponsor relating to any Obligor or any Subsidiary or any of their respective businesses, other than any such information that is available to the Agent or any Lender on a non-confidential basis prior to such receipt. Any Person required to maintain the confidentiality of Information as provided in this Section 16.6 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. In addition, the Agent may disclose to any

agency or organization that assigns standard identification numbers to loan facilities such basic information describing the facilities provided hereunder as is necessary to assign unique identifiers (and, if requested, supply a copy of this Agreement), it being understood that the Person to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to make available to the public only such Information as such person normally makes available in the course of its business of assigning identification numbers.

- (c) The Borrower hereby acknowledges that (i) the Agent will make available to the Lenders and the Issuing Banks materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "**Borrower Materials**") by posting the Borrower Materials to the Platform and (ii) certain of the Lenders (each, a "**Public Lender**") may have personnel who do not wish to receive material non-public information with respect to the Parent Pledgors, the Borrower or the Subsidiaries, or the respective securities of any of the foregoing, and who may be engaged in investment and other market-related activities with respect to such Persons' securities. The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that are to be made available to Public Lenders; (x) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Agent, the Lead Arrangers, the Issuing Banks and the Lenders to treat the Borrower Materials as not containing any material non-public information (although it may be sensitive and proprietary) with respect to the Borrower or its securities for purposes of Canadian federal and provincial securities laws (provided, however, that to the extent the Borrower Materials constitute Information, they shall remain subject to the provisions this Section 16.6); (y) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Side Information;" and (z) unless expressly identified as containing material non-public information, Borrower Materials will be deemed to be appropriate for distribution to Public Lenders. Notwithstanding the foregoing, to the extent the Borrower has had reasonable opportunity to review, the following Borrower Materials shall be deemed to be marked "PUBLIC," unless the Borrower notifies the Agent promptly that any such document contains material non-public information: (1) the Loan Documents, (2) notification of changes in the terms of the Loans, and (3) the financial statements and certificates delivered in connection with Section 9.1(a).
- (d) Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including foreign, Canadian federal and provincial securities laws, to make reference to Communications that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of Canadian federal or provincial securities laws.
- (e) Each Lender acknowledges that Information furnished to it pursuant to this Agreement may include material non-public information concerning the Obligors and their respective Related Parties or their respective securities, and confirms that it has developed compliance procedures regarding the use of material non-public information and that it will handle such material non-public information in accordance with those procedures and Applicable Law.
- (f) All Information, including requests for waivers and amendments, furnished by the Borrower or the Agent pursuant to, or in the course of administering, this Agreement will be syndicate-level Information, which may contain material non-public information about the Obligors and their respective Related Parties or their respective securities. Accordingly, each Lender represents to the Borrower and the Agent that it has identified in its administrative questionnaire a credit contact who may receive Information that may contain material non-public information in accordance with its compliance procedures and Applicable Law.

16.7 Nature of Obligation under this Agreement

- (a) The obligations of each Lender and of the Agent under this Agreement are several. The failure of any Lender to carry out its obligations hereunder shall not relieve the other Lenders, the Agent or the Borrower of any of their respective obligations hereunder.
- (b) Neither the Agent nor any Lender shall be responsible for the obligations of any other Lender hereunder.

16.8 Benefit of the Agreement

This Agreement shall enure to the benefit of and be binding upon the Borrower, the Lenders, the Agent and their respective successors and permitted assigns.

16.9 Severability

Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

16.10 Amendments and Waivers

Any provision of this Agreement or any other Loan Agreement may be amended only if the Borrower and the Majority Lenders so agree in writing and, except as otherwise specifically provided herein, may be waived only if the Majority Lenders (or the Agent on their behalf) so agree in writing, provided that:

- (a) an amendment or waiver which changes or relates to:
 - (i) increases in any Lender's Commitment;
 - (ii) decreases in the amounts or rates of, or deferral of the dates of any required payment of principal, interest, Bankers' Acceptance stamping fees or LC Fees; or
 - (iii) decreases in the amount of, or deferral of the dates of payment of, any fees payable hereunder (other than fees payable for the account of the Agent),

shall require the agreement or waiver of each Lender directly and adversely affected thereby and also (in the case of an amendment) of the other parties hereto;

- (b) an amendment or waiver which changes or relates to:
 - (i) increases in the Total Commitment, the Total Term Commitment or the Total Revolving Commitment;

- (iv) any provision hereof contemplating or requiring consent, approval or agreement of “all Lenders” or similar expressions or permitting waiver of conditions or covenants or agreements by “all Lenders” or similar expressions;
- (v) the provisions of Section 7.6 or 10.14;
- (vi) the provisions of Section 12.1(a), 12.1(b)(i), 12.1(b)(ii) or 12.1(b)(iii);
- (vii) any release or discharge of all or any portion of the Obligor Guarantee, a Non-Recourse Parent Guarantee or Liens under any Security Document (other than as expressly permitted hereby or pursuant to a Permitted Disposition or permitted assignment);
- (viii) the definition of “Applicable Maturity Date”;
- (ix) other than an extension thereto, the definitions of “Term Loan Facility Maturity Date”, “KAPS Facility Maturity Date” or “Revolving Facility Maturity Date”;
- (x) an assignment or transfer by the Borrower of any or all of its rights and obligations under any Loan Document;
- (xi) any alteration of the amount, currency, or mode of calculation of any principal, interest or other amounts owing hereunder; or
- (xii) this Section 16.10;

shall require the agreement or waiver of all the Lenders and also (in the case of an amendment) of the other parties hereto;

- (c) an amendment or waiver which changes or relates to the definition of “Majority Revolving Lenders” or extends the Revolving Facility Maturity Date shall require the agreement or waiver of all the Revolving Lenders and also (in the case of an amendment) of the other parties hereto (except for those Lenders which are not Revolving Lenders);
- (d) an amendment or waiver which changes or relates to the definition of “Majority KAPS Lenders” or extends the KAPS Facility Maturity Date shall require the agreement or waiver of all the KAPS Facility Lenders and also (in the case of an amendment) of the other parties hereto (except for those Lenders which are not KAPS Facility Lenders);
- (e) an amendment or waiver which extends the Term Facility Maturity Date shall require the agreement or waiver of all the Term Lenders and also (in the case of an amendment) of the other parties hereto (except for those Lenders which are not Term Lenders)
- (f) an amendment or waiver which changes or relates to the rights and/or obligations of the Agent shall also require the agreement of the Agent thereto;
- (g) an amendment or waiver which changes or relates to the rights and/or obligations of the Fronting Lender shall also require the agreement of the Fronting Lender thereto; and
- (h) an amendment or waiver which changes or relates to the rights and/or obligations of the Operating Lender shall also require the agreement of the Operating Lender thereto.

Any such waiver and any consent by the Agent, any Lender, the Majority Lenders, all affected Lenders or all of the Lenders (as applicable) under any provision of this Agreement must be in writing and may be given subject to any conditions deemed appropriate by the Person giving that waiver or consent. Any waiver or consent shall be effective only in the instance and for the purpose for which it is given.

16.11 Defaulting Lenders

- (a) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:
- (i) the standby fees payable pursuant to Section 4.6 shall cease to accrue on the unused portion of the Revolving Commitment (and, if applicable, the Operating Commitment) of such Defaulting Lender;
 - (ii) a Defaulting Lender shall not be included in determining whether, and the Commitment of such Defaulting Lender shall not be included in determining whether, all Lenders or the Majority Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 16.10), provided that any waiver or amendment requiring the consent of all Lenders or each affected Lender that affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender; and
 - (iii) for the avoidance of doubt, the Borrower shall retain and reserve its other rights and remedies respecting each Defaulting Lender.
- (b) If any Lender fails to fund its Applicable Percentage of an Advance hereunder, then each other Lender shall fund a portion of such defaulted amount in an amount equal to such other Lender's Applicable Percentage (and, in calculating a Lender's Applicable Percentage, the Commitment of any Defaulting Lender shall be excluded) of such unfunded portion; provided that, for certainty, no Lender shall be obligated by this Section 16.11 to make or provide an Advance in excess of its Commitment.
- (c) If the re-allocation described in clause (b) above cannot be effected, or can only partially be effected, then (to the extent permitted by Applicable Law) such Defaulting Lender shall, within one (1) Banking Day following notice by the Agent, provide Cash Collateral to the Agent for such Defaulting Lender's Applicable Percentage of such Advance (after giving effect to any partial re-allocation pursuant to clause (b) above) for so long as such Advance is outstanding, and if such Defaulting Lender shall fail to provide such Cash Collateral, then, at the request of the Fronting Lender, the Borrower shall provide such Cash Collateral to the Agent.
- (d) If any Letter of Credit is outstanding at the time that a Lender becomes a Defaulting Lender, then:
- (i) all or any part of such Defaulting Lender's Applicable Percentage of such Letter of Credit shall be re-allocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages; provided that such re-allocation may only be effected if and to the extent that (A) such re-allocation would not cause any non-Defaulting Lender's Applicable Percentage of all Advances to exceed its applicable Commitment(s) and (B) the conditions precedent in Sections 3.2(b), 3.2(c) and 3.2(d) are satisfied at such time;

- (ii) if the re-allocation described in clause (i) above cannot be effected, or can only partially be effected, then such Defaulting Lender shall (to the extent permitted by Applicable Law), within one (1) Banking Day following notice by the Agent, provide Cash Collateral to the Agent for such Defaulting Lender's Applicable Percentage share of such Letter of Credit (after giving effect to any partial re-allocation pursuant to clause (i) above) for so long as such Letter of Credit is outstanding, and if such Defaulting Lender shall fail to provide such Cash Collateral, then, at the request of the Fronting Lender, the Borrower shall provide such Cash Collateral to the Agent; and
- (iii) if the Applicable Percentages of the non-Defaulting Lenders are re-allocated pursuant to this Section 16.11(d), then the LC Fees payable to the Lenders pursuant to Section 4.5 shall be adjusted to give effect to such re-allocations in accordance with each such non-Defaulting Lender's Applicable Percentages and if the Borrower provides Cash Collateral pursuant to clause (ii) above, then the Borrower shall not be required to pay the issuance fees or Fronting Fees attributable to the Cash Collateralized exposure of such Letters of Credit.

Subject to Section 16.17, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a non-Defaulting Lender as a result of such non-Defaulting Lender's increased exposure following such reallocation.

- (e) If any Lender shall cease to be a Defaulting Lender, then, upon becoming aware of the same, the Agent shall notify the other Lenders and (in accordance with the written direction of the Agent) such Lender (which has ceased to be a Defaulting Lender) shall purchase, and the other Lenders shall on a pro rata basis sell and assign to such Lender, portions of such Loans equal in total to such Lender's Applicable Percentage share thereof without regard to sub Section (b) of this Section 16.11; and
- (f) Without limiting the generality of Section 16.11(a)(iii), each Defaulting Lender shall indemnify the Borrower for any losses, claims, costs, damages or liabilities (including reasonable out-of-pocket expenses and reasonable legal fees on a solicitor and his own client basis) incurred by the Borrower as a result of such Defaulting Lender failing to comply with the terms of this Agreement, including any failure to fund its portion of any Advance required to be made by it hereunder.

16.12 Further Assurances

Each Obligor, the Lenders and the Agent shall promptly cure any default by it in the execution and delivery of this Agreement, the other Loan Documents or any of the agreements provided for hereunder to which it is a party. The Borrower at its expense, shall promptly execute and deliver to the Agent, upon request by the Agent (acting reasonably), all such other and further deeds, agreements, opinions, certificates, instruments, affidavits, registration materials and other documents reasonably necessary for its compliance with, or accomplishment of its respective covenants and agreements hereunder or more fully to state its respective obligations as set out herein or to make any registration, recording, file any notice or obtain any consent, all as may be reasonably necessary or appropriate in connection therewith.

16.13 Time of the Essence

Time shall be of the essence of this Agreement.

16.14 Anti-Money Laundering Legislation

- (a) Each Lender and the Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada)*, the *Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (USA)* or any other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” Applicable Laws (collectively, including any guidelines or orders thereunder, “**AML Legislation**”), it may be required to obtain, verify and record information that identifies the Borrower, its Subsidiaries and the Parent Pledgors, which information includes the name and address of each such Person and such other information that will allow such Lender or the Agent, as applicable, to identify each such Person in accordance with AML Legislation (including, information regarding such Person’s directors, authorized signing officers, or other Persons in control of each such Person). The Borrower shall provide to the extent commercially reasonable, such information and take such actions as are reasonably requested by the Agent or any Lender in order to assist the Agent and the Lenders in maintaining compliance with AML Legislation. The Borrower shall promptly provide all such information, to the extent commercially reasonable, including supporting documentation and other evidence, as may be reasonably requested by any Lender or the Agent (for itself and not on behalf of any Lender), or any prospective assignee of a Lender or the Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.
- (b) If, upon the written request of any Lender, the Agent (for itself and not on behalf of any Lender) has ascertained the identity of an Obligor or any authorized signatories of such Person for the purposes of applicable AML Legislation on such Lender’s behalf, then the Agent:
 - (i) shall be deemed to have done so as the Agent for such Lender, and this Agreement shall constitute a “written agreement” in such regard between such Lender and the Agent within the meaning of applicable AML Legislation; and
 - (ii) shall provide to such Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.
- (c) Notwithstanding anything to the contrary in this Section 16.14, each of the Lenders agrees that the Agent has no obligation to ascertain the identity of an Obligor or any authorized signatories of such Person, on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from any such Person or any such authorized signatory in doing so.

16.15 Platform

- (a) The Borrower agrees that the Agent may, but shall not be obligated to, make the Communications (as defined below) available to the Lenders by posting the Communications on Debt Domain, Intralinks, Syndtrak or a substantially similar electronic transmission system (the “**Platform**”).
- (b) The Platform is provided “as is” and “as available.” The Agent Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Agent or any of its Affiliates (collectively, the “**Agent Parties**”) have any liability to the Borrower or any of its Subsidiaries, any Lender or any other person for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower’s, any Subsidiary’s or the Agent’s transmission of communications through the Platform. “**Communications**” means, collectively, any notice, demand, communication, information, document or other material that the Borrower or any Subsidiary thereof provides to the Agent pursuant to any Document or the transactions contemplated therein which is distributed to the Agent or any Lender by means of electronic communications pursuant to this Section 16.15, including through the Platform.

16.16 No Fiduciary Duty

- (a) The Agent, each Lender and their respective Affiliates (collectively, solely for purposes of this Section 16.16, the “**Lenders**”), may have economic interests that conflict with those of the Borrower, its Subsidiaries and/or their Affiliates. The Borrower agrees that nothing in the Loan Documents will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and the Borrower, their Subsidiaries and their Affiliates, on the other hand. The Borrower acknowledges and agrees that (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s length commercial transactions between the Lenders, on the one hand, and the Borrower, on the other hand, and (ii) in connection therewith and with the process leading thereto, (A) no Lender has assumed an advisory or fiduciary responsibility in favour of the Borrower, their Subsidiaries or their Affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise the Borrower, their Subsidiaries or their Affiliates on other matters) or any other obligation to the Borrower except the obligations expressly set forth in the Loan Documents and (B) each Lender is acting solely as principal and not as the agent or fiduciary of the Borrower, their management, shareholders, creditors or any other Person. The Borrower acknowledges and agrees that the Borrower has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower, in connection with such transactions or the process leading thereto.
- (b) The Borrower acknowledges that (i) each Lender may be involved in a broad range of activities (including providing debt financing, equity capital, financial advisory or other services to other Persons) in respect of which the Borrower, their Subsidiaries and/or its Affiliates may have conflicting interests regarding the Credit Facilities or otherwise and (ii) no Lender has any obligation to (A) disclose such other activities to the Borrower or (B) use in connection with the Credit Facilities, or furnish to the Borrower, confidential information obtained by such Lender from such other Persons.

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;

- (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
- (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.
